TRADEMARK ASSIGNMENT

from

Global DNS, LLC to Newdom Limited (New Zealand)

Definitions

“Assignor” is Global DNS, LLC, a Washington limited liability corporation whose address for purposes related to this Assignment is 7683 SE 27th Street, PMB 273, Mercer Island, WA 98040.

“Assignee” is Newdom Limited, a New Zealand company whose address for purposes related to this Assignment is Level 22 / PWC Tower, 188 Quay Street, Auckland, 1010, New Zealand.

“Intellectual Property” is

- the trademark CARSTER, which is the subject of U.S. trademark registration numbers 3183732 and 3759386;
- the trademark DVDDDB.COM and Design, which is the subject of U.S. trademark registration number 3010816;
- the trademark FAXSTER, which is the subject of U.S. trademark application serial number 77763287;
- the trademark PETSTER, which is the subject of U.S. trademark registration numbers 3410269 and 3574200,
- the goodwill of the business connected with and symbolized by the trademarks, including goodwill associated with goods and/or services not specified in the trademark applications and registrations listed above; and
- any and all other intellectual property belonging to Assignor as of the execution of this assignment.

Preliminaries

Assignor owns all right, title, and interest in the Intellectual Property, and Assignee wishes to acquire the Intellectual Property.

Transfer

For good and valuable consideration, the receipt and sufficiency of which are acknowledged by both parties, Assignor assigns to Assignee all right, title, and interest in and to

- (1) the Intellectual Property;
- (2) all income, royalties, and damages hereafter due or payable to Assignor relating to the Intellectual Property, including damages and payments for past, current, and future infringements;
- (3) the exclusive right to sue, bring actions for, or recover damages, profits, or other compensation and injunctive relief for any and all past, current, or future infringements or otherwise unauthorized uses of the Intellectual Property;

- (4) the exclusive rights to register trademarks in any part of the Intellectual Property, worldwide;
- (5) all other rights in the Intellectual Property, including the rights to license, transfer, lend, or otherwise dispose of the Intellectual Property or parts of it; and
- (6) any and all other rights in any trademarks, copyrights, or patents owned by Assignor, now existing or which may be later-created statutorily or otherwise.

Additional Intellectual Property Provisions

Assignor warrants that it is the legal owner of all right, title and interest in the Intellectual Property, that the Intellectual Property has not been otherwise previously been pledged, assigned, or encumbered, and that this Assignment does not infringe on the rights of any person.

Assignor agrees to

- execute and deliver all papers, instruments, and documents and
- to perform any other reasonable acts

required to vest all of Assignor's rights, title, and interest in and to the Intellectual Property in the Assignee, or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by the Assignee and to the extent such evidence is in the possession or control of Assignor.

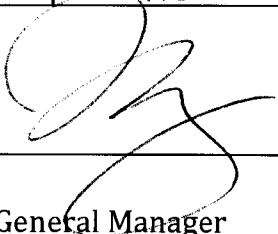

Miscellaneous

Disputes regarding this Assignment shall be governed by the laws of the State of Washington, without regard to principles of conflicts of law.

Assignor appoints Assignee as its attorney-in-fact with regard to matters arising out of this Assignment, and Assignor acknowledges and agrees that Assignee is authorized to act on behalf of Assignor to effectuate this Assignment

The undersigned represents that he has the authority and right to enter into this Assignment on behalf of Assignor. Assignor, by this duly authorized agent, agrees to this Assignment, effective and executed on:
