## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of April 10, 2012, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of General Electric Capital Corporation ("GE Capital"), as administrative agent (in such capacity, together with its successors and permitted assigns, "Administrative Agent") for the Agents, Lenders and the L/C Issuers (as each term is defined in the Credit Agreement referred to below).

### WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement, dated as of the date hereof (as the same may be amended, restated, supplemented and/or otherwise modified from time to time, the "Credit Agreement"), among Cambridge International, Inc., a Delaware corporation (the "Borrower"), the other Credit Parties party thereto, the Lenders and the L/C Issuers from time to time party thereto and GE Capital, as Administrative Agent and Revolver Agent, the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to that certain Guaranty Agreement dated as of the date hereof in favor of Administrative Agent, to guarantee the Obligations (as defined in the Credit Agreement);

WHEREAS, each Grantor has agreed, pursuant to that certain Security Agreement dated as of the date hereof in favor of Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to grant a lien in substantially all of its assets in support of the full payment and performance of the Obligations (as defined in the Credit Agreement);

WHEREAS, all of the Grantors are party to the Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce Lenders, L/C Issuers and Agents to enter into the Credit Agreement and to induce Lenders and L/C Issuers to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due of

the Obligations, hereby mortgages, pledges and hypothecates to Administrative Agent for the benefit of Agents, L/C Issuers and Lenders, and grants to Administrative Agent for the benefit of the Agents, L/C Issuers and Lenders a Lien on and security interest in, all of its right, title and interest in, to and under the following, to the extent the following constitutes Collateral (as defined in the Security Agreement) of such Grantor (the "Trademark Collateral"):

(a) all of its Trademarks, including, without limitation, those United States Trademark registrations and United States Trademark applications referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding anything to the contrary contained herein, the Trademark Collateral shall exclude (A) any "intent to use" Trademark applications filed with the United States Patent and Trademark Office for which a statement of use has not been filed with, or accepted by, the United States Patent and Trademark Office (but only until such statement is filed with, and accepted by, the United States Patent and Trademark Office), and (B) any Intellectual Property (as defined in the Credit Agreement) if the grant of Lien hereunder would result in the abandonment, impairment, invalidation or unenforceability of such Intellectual Property.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. If there is a conflict between this agreement and the Security Agreement, the Security Agreement shall control.

Section 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 5.     Governing Law.   This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
