**TRADEMARK SECURITY AGREEMENT  
(TRADEMARKS, TRADEMARK REGISTRATIONS,  
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)**

Dated as of March 29, 2012

WHEREAS, Legend Pictures, LLC (“Grantor”) now owns or holds and may hereafter adopt, acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications filed in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Credit, Security, Guaranty and Pledge Agreement dated as of March 29, 2012 (as the same may be amended, supplemented or otherwise modified, renewed, restated or replaced from time to time, the “Credit Agreement”; capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Credit Agreement), among Legendary Pictures Funding, LLC, as Borrower, the Grantor and the other Guarantors referred to therein, the Lenders referred to therein (the “Lenders”) and JPMorgan Chase Bank, N.A., as Administrative Agent (in such capacity, the “Administrative Agent”), the Lenders have agreed to make loans to Borrower;

WHEREAS, pursuant to the terms of the Credit Agreement, Grantor has granted to the Administrative Agent (for the benefit of the Secured Parties) a security interest in and to all personal property of Grantor including, without limitation, all right, title and interest of Grantor in, to and under all of Grantor’s Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether now owned, currently existing or hereafter arising, adopted or acquired and whether or not in possession of Grantor, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of its obligations under and in connection with its guaranty of the Obligations; and

WHEREAS, the Administrative Agent and Grantor by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor does hereby grant to the Administrative Agent (for the benefit of the Secured Parties), as security for its obligations under and in connection with its guaranty of the Obligations, a continuing security interest in and to all of Grantor's right, title and interest in, to and under the following (all of the following items (i)-(iii) or types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of Grantor:

- (i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;
- (ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and
- (iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by Grantor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Grantor agrees that if any Person shall do or perform any act which the Administrative Agent believes constitutes an infringement of any Trademark, or violates or infringes any right therein of Grantor, the Administrative Agent, or the Lenders, or if any Person shall do or perform any act which the Administrative Agent reasonably believes constitutes an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to Grantor (or if an Event of Default is at the time continuing, then without notice), the Administrative Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Administrative Agent may deem advisable or necessary to prevent such act or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of Grantor or in the names of the parties jointly. The Administrative Agent hereby agrees to give Grantor notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and Grantor agrees to assist the Administrative Agent with any steps taken, or any suits or proceedings instituted by the Administrative Agent pursuant to this paragraph at Grantor's sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Credit Agreement. Grantor and the Administrative Agent hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of the Secured Parties) with respect to the security interest made and granted hereby are more fully set forth in the Credit

Agreement, and are subject to the limitations (including certain rights of quiet enjoyment in favor of licensees) set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments under the Credit Agreement have terminated and all Obligations have been indefeasibly paid in full and performed, the Administrative Agent (on behalf of the Secured Parties) shall promptly execute and deliver to Grantor, at Grantor's request and expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be reasonably necessary or advisable to terminate the security interest of the Administrative Agent (for the benefit of the Secured Parties) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Credit Agreement.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement and the other Fundamental Documents executed by Grantor, Grantor may use, license and exploit the Trademark Collateral in any lawful manner permitted under the Credit Agreement and the other Fundamental Documents.

**THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE FEDERAL LAWS OF THE UNITED STATES OF AMERICA, WITHOUT REGARD TO ANY CONFLICT OF LAWS PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.**

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Trademark Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Trademark Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Trademark Security Agreement, and the parties hereby waive any right they may have to object to said treatment.

All notices and other communications provided under this Trademark Security Agreement shall be delivered in such form, manner and address as provided in Section 13.1 of the Credit Agreement.

Any provision of this Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof,

and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom shall in any event be effective unless signed by the Administrative Agent (whose signature shall be delivered only in accordance with the applicable provisions of the Credit Agreement) and Grantor. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by Grantor (including its respective successors and permitted assigns) without the prior written consent of the Administrative Agent (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

If any conflict or inconsistency exists between this Trademark Security Agreement and the Credit Agreement, the Credit Agreement shall govern.
