NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees that the Existing Trademark Agreement is amended and restated as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings ascribed thereto in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

A. all of such Grantor's Trademarks, including those referred to on Schedule I hereto;

B. all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

C. all renewals, revivals or extensions of the foregoing;

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantors, or any of them, to the Collateral Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of any bankruptcy, insolvency, receivership or similar case involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new Trademark Collateral, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantors shall give prompt notice in writing to the Collateral Agent with respect to any such new Trademark Collateral or renewal, revival or extension of any trademark registration. Without limiting the Grantors' obligations under this Section 5, the Grantors hereby authorize the Collateral Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of the Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Collateral, including the Trademark Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.

8. GOVERNING LAW. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflict of laws principles thereof (other than Section 5-1401 of the New York General Obligations Law).

9. AMENDMENT AND RESTATEMENT. Each Grantor hereby expressly assumes, adopts and ratifies the Existing Trademark Security Agreement and acknowledges, confirms and agrees that: (a) such Grantor is and shall continue to be unconditionally liable in all respects for all of the Obligations pursuant to the Existing Trademark Security Agreement, without offset, defense or counterclaim of any kind, nature or description whatsoever, (b) the agreements and obligations of such Grantor contained in the Existing Trademark Security Agreement constitutes the legal, valid and binding obligations of such Grantor enforceable against such Grantor in accordance with its respective terms, (c) the Liens of the Collateral Agent in the Trademark Collateral shall be deemed to be continuously granted and perfected from the earliest date of the granting and perfection of such liens and security interests, whether under the Existing Trademark Security Agreement, this Trademark Security Agreement or any of the other Loan Documents, and (d) except as otherwise stated herein, as of the date hereof, the terms, conditions, covenants, agreements, representations and warranties set forth in the Existing Trademark Security Agreement are hereby replaced and superseded in their entirety by the terms, conditions, covenants, agreements, representations and warranties set forth in this Trademark Security Agreement. The amendment and restatement contained herein shall not, in any manner, be construed to constitute payment of, or impair, limit, cancel or extinguish, or constitute a novation in respect of, the obligations and liabilities of any Grantor evidenced by or arising under the Existing Trademark Security Agreement and the Liens securing such obligations and liabilities, which shall not in any manner be impaired, limited, terminated, satisfied, extinguished, waived or released.
