Ltd.**, a corporation formed under the laws of Bermuda, having an office and place of business at Clarendon House, 2 Church Street, Hamilton, Bermuda (hereafter referred to as the "Assignee").

WHEREAS, Assignor desires to transfer to Assignee and Assignee wishes to acquire all of Assignor's rights in and to the Trademarks and the goodwill associated therewith and including the said United States Trademark Registration thereof; and

WHEREAS, Assignor desires to transfer to Assignee and Assignee desires to acquire from Assignor the Trademarks as defined below on the terms and conditions described in this Agreement;

AGREEMENT:

NOW, THEREFORE, the parties hereto agree as follows:

1. Assignment. In consideration of One Hundred Dollars and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably assigns, transfer and conveys to Assignee, free and clear of any rights and claims by Assignee or any third party, the entire right, title and interest in and to the said Trademark and the said United States Trademark registration thereof together with the good will of the business which is symbolized by the said Trademark and with the right to recover damages and profits and all other remedies for past infringements thereof. Assignor hereby represents and warrants that it has not previously assigned, transferred, pledged, liened or otherwise encumbered the Trademarks or taken any other action which would conflict with this Trademark Assignment Agreement. Assignor hereby waives any right to assert any moral rights, if any, against Assignee or any third party with respect to any aspect of the Trademark.
2. Full Consideration. The total purchase price and consideration for the Trademarks is indicated in Section 1 hereof and Assignor's interest under this Agreement shall be a contractual right to payment from Assignee alone and is not any right or basis for any claim against the Trademark itself or against any assignee or sublicensee of the Trademarks.
3. Assignee's Deliveries. On the Effective Date, Assignor shall deliver to Assignee: (i) this executed Agreement; and (ii) any other document, material or instrument reasonably

contemplated by this Agreement to be delivered in order to transfer possession and enjoyment of the Trademarks to Assignee.

4. Warranties. Assignor warrants and represents to Assignee that (a) Assignor transfers the Trademarks, free and clear of all mortgages, pledges, security interests, judgments, orders, claims, liens, encumbrances and other restrictions, including any claims by Assignor, (b) the Trademarks do not knowingly infringe or misappropriate any third party's intellectual property rights, (c) Assignor has not sold, assigned, licensed, encumbered or in any other way disposed of the Trademarks or any component part thereof.

5. No Conflict. Assignor's performance of this Agreement will not violate or breach any agreement or obligation of Assignee, or any law, regulation, judgment or order to which Assignee or the Trademarks are bound.

6. Further Assistance. Assignor shall execute such documents and perform such acts as are reasonably requested by Assignee to assign the Trademarks to Assignee and to assist Assignee in the prosecution and enforcement of the Trademarks.

7. Survival. All of Assignor's warranties and representations herein shall be true as of the Effective Date, and survive termination of this Agreement.

8. Severability. If any provision of this Agreement is declared by a court of competent jurisdiction to be invalid, void or unenforceable, each and every other provision shall nevertheless continue in full force and effect.

9. Entire Agreement. This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof, and supersedes all prior or contemporaneous understandings or agreements, whether oral or written. This Agreement shall be modified or amended only by a writing signed by both Assignor and Assignee.
