**CORRECTIVE STATEMENT FOR ASSIGNMENT**

The undersigned, being warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of the application or any registration, declares that the facts set forth in this application are true; all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true. The undersigned state that this request may be signed in counterparts and may constitute an original agreement when executed and delivered.

On December 6, 2010, the U.S. Patent and Trademark Office (the "PTO") recorded an assignment of the entire interest in the mark from the undersigned to Bond International Software PLC. The request for this assignment was due to a misunderstanding among the undersigned and VCG Inc., the original assignors of the security interest in the mark to the undersigned. Pursuant to TMEP § 503.06(c), the assignor in error submits the following to the Assignment Services Branch:

1. The registrations against which the assignment was improperly recorded are listed above.
2. The assignors in error hereby state that the previously recorded assignments in Reel 4425/ Frame 0323 were submitted with erroneous information.
3. Assignment in Error: Reel 4425/Frame 0323

2370317v1

The assignor in error states that the assignment at Reel 425/Frame 0323 should have never been executed. The integrity of the assignment records will not be affected by granting this request since all other records in the chain of title remain unaltered.

Assignor in error, Jefferson Capital Co-Investment Fund IV, L. P., appoints Michael D. Hobbs, Jr., Esq., F. Richard Rimer, Jr., Esq., Sofia Jeong, Esq., Ryan A. Schneider, Esq., and James E. Schutz, Esq., members of the bar of the State of Georgia; Nancyellen Keane, Esq., member of the bar of the Commonwealth of Virginia; and Karl M.
