3. Assignor will perform all acts that may be necessary for carrying out this assignment in full, including the execution and acknowledgement of instruments that may be or may become necessary for obtaining, sustaining, reissuing or disclaiming any trademark or domain-name registrations or applications.

4. This Agreement will be binding on and inure to the benefit of the Parties and their affiliates, subsidiaries, related companies, successors and assigns and all others acting by, through, or with them or under their direction or in privity with them.
