## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT is made as of this 27th day of April, 2012, by and between the party identified below as Assignor ("ASSIGNOR") and the party identified below as Assignee ("ASSIGNEE").

WHEREAS, ASSIGNOR is the sole and exclusive owner of the mark(s) identified in Exhibit A attached hereto and all goodwill associated therewith (collectively the "Marks" as defined herein); and

WHEREAS, ASSIGNOR desires to assign, transfer and convey to ASSIGNEE all rights, title and interests in the Marks; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR and ASSIGNEE, intending to be legally bound, hereby agree as follows:

### ARTICLE I

#### ASSIGNMENT OF TRADEMARK

1.1 Assignment. ASSIGNOR hereby assigns, transfers and conveys to ASSIGNEE all rights, title and interests ASSIGNOR may have or accrue in the Marks including, but not limited to, (i) any pending applications owned by ASSIGNOR to register the Marks, (ii) registrations issued for the Marks, (iii) all goodwill associated therewith, (iv) and all domain name registrations for domain names that are owned by Assignor and are comprised of, contain or are based upon any of the Marks.

1.2 Waiver. ASSIGNOR shall not, at any time, contest the validity of the Marks, or take any action that would impair the value of the Marks. Without limitation of the foregoing, ASSIGNOR expressly represents and warrants that it shall not resume use of the Marks, or any word, symbol or domain name that is confusingly similar to the Marks or a colorable imitation thereof.

### ARTICLE II

#### FURTHER ACTIONS BY THE ASSIGNOR

2.1 Actions by ASSIGNOR. ASSIGNOR agrees to execute any other documents and to provide any further materials or documentation necessary in order to fulfill the provisions of or the purpose of this Assignment, to substantiate ASSIGNEE's ownership of the Marks, to assist ASSIGNEE in obtaining, maintaining and renewing registrations for the Marks, and to assist ASSIGNEE in enforcing and defending intellectual property rights associated with the Marks.

### ARTICLE III

#### MISCELLANEOUS

3.1 Entire Agreement and Amendment. This Agreement supersedes all prior and contemporaneous discussions, understandings and agreements between the parties with respect to the subject matter hereof and contains the sole and entire agreement between the parties hereto with respect to the subject matter hereof, excepting the Asset Purchase Agreement ("Purchase Agreement") by and among Masthead Industries, Inc., a Florida

corporation ("Purchaser"), HosePower USA, Inc., a Texas corporation ("Seller"), and C. Rod Granberry, Jr., an individual ("Seller Shareholder"). The terms of the Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities of and by the Seller or the Seller Entities, as applicable, relating to the Marks, are incorporated herein by this reference. The Seller acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement will not be superseded hereby but will remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement will govern. This Agreement may be amended, supplemented or modified only by a written instrument duly executed by or on behalf of the ASSIGNOR and the ASSIGNEE.

3.2 Governing Law. This Agreement shall be governed by and construed in accordance with the domestic laws of the State of Florida, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Florida or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Florida.

3.3 Counterparts. This Agreement may be executed in any number of counterparts, in photocopy, facsimile, and scanned copies, each of which will be deemed an original, but all of which together will constitute one and the same instrument. This Agreement may be executed and delivered via facsimile transmission and electronic transmission.
