WHEREAS, Assignee desires to purchase or acquire all of Assignor's right, title and interest in and to the Assigned Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby convey, transfer, assign, sell and deliver to Assignee all right, title and interest of Assignor in and to the Assigned Marks, including, without limitation, all common-law rights, and the registrations and applications for registration thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all liens, collateral assignments or other encumbrances, all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention, and all rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, subject to the terms of the Agreement.
