As of the Closing, excluding all matters related to the Sellers' bankruptcy, no Seller shall be in breach or default, and no event shall have occurred which with notice or lapse of time would constitute a breach or default or permit termination or modification of, or acceleration of any obligation under, any Store Agreement; and no Seller has repudiated any provision of any Store Agreement.

(U) All of the Licenses (other than the Liquor Licenses) are listed on Exhibit F attached hereto. The Licenses have not been modified, supplemented or amended except as set forth on Exhibit F attached hereto. True and correct copies of the Licenses and all amendments thereto in the possession of Sellers have been furnished to the Buyer. The Sellers have neither delivered nor received any notice of termination of any License or of any default thereunder. As of the Closing, excluding all matters related to the Sellers' bankruptcy, no Seller shall be in breach or default, and no event shall have occurred which with notice or lapse of time would constitute a breach or default or permit termination or modification of, or acceleration of any obligation under, any License; and no Seller has repudiated any provision of any License.

(V) Exhibit A-5 attached hereto sets forth all of the license numbers for the Liquor Licenses. The Liquor Licenses are all of the liquor licenses held by the Sellers relating to the operation of the stores. The Liquor Licenses have not been modified, supplemented or amended except as set forth on Exhibit A-5 attached hereto. True and correct copies of the Liquor Licenses and all amendments thereto have been furnished to the Buyer. The Sellers have neither delivered nor received any notice of termination of any Liquor License or of any default thereunder. As of the Closing, excluding all matters related to the Sellers' bankruptcy, no Seller shall be in breach or default, and no event shall have occurred which with notice or lapse of time would constitute a breach or default or permit termination or modification of, or acceleration of any obligation under, any Liquor License; and no Seller has repudiated any provision of any Liquor License.

3.2 Environmental Matters. Except as disclosed on Schedule 3.2 to this Agreement, to the knowledge of the Sellers:

(A) The Stores and the Gas Stations comply with all Environmental Laws, except for such non-compliance which could not reasonably be expected to have a Material Adverse Effect;

(B) The Sellers have all permits, licenses and other authorizations that are required pursuant to Environmental Laws for the occupation and operation of the Stores and the Gas Stations, except for such permits, licenses or other authorizations the absence of which could not reasonably be expected to have a Material Adverse Effect;

(C) The Sellers have not received any written notice regarding any actual violation or any liabilities or potential liabilities (including any investigatory, remedial or corrective obligations) under Environmental Laws, in each case relating to the Stores and the Gas Stations, except for notice of such violations or liabilities which could not reasonably be expected to have a Material Adverse Effect; and

(D) In accordance with regulations promulgated by the Occupational Safety and Health Administration, 29 C.F.R. § 1910.1001 (j)(2)(ii), the Sellers have provided to the Buyer all material information in the Sellers' possession regarding asbestos-containing materials and presumed asbestos-containing materials at the Stores and the Gas Stations, including any asbestos assessments and/or operation and maintenance programs.

This Section 3.2 contains the sole and exclusive representations and warranties of the Sellers with respect to any environmental matters, including without limitation, any arising under Environmental Laws.

3.3 Benefit Plans. Each Benefit Plan sponsored, maintained or contributed to by any Seller complies in form and in operation in all material respects with the applicable requirements of ERISA, the Code and other applicable laws. None of the Sellers' Benefit Plans is a multiemployer plan as such term is defined under ERISA, or, with the exception of the 401(k) Plan maintained by the Sellers, a "qualified plan" as such term is defined in Section 401(a) of the Code. None of the Sellers' Benefit Plans is subject to Code Section 412 (minimum funding requirements) or to Title IV of ERISA. No audits, inquiries, reviews, proceedings, claims, or demands are pending with any governmental or regulatory agency, and to the knowledge of the Sellers, there are no facts which could give rise to any liability in the event of any such investigation, claim, action, suit, audit, review, or other proceeding. The consummation of the transactions contemplated by this Agreement, including, without limitation, the hiring by the Buyer of selected employees of the Sellers, after their termination by the Sellers, will not under the terms of the Sellers' Benefit Plans or applicable law, result in the Buyer being held liable for any obligation under the Sellers' Benefit Plans. The consummation of the transactions contemplated by this Agreement, including, without limitation, the hiring by the Buyer of selected employees of the Sellers after their termination by the Sellers, will not entitle any current or former employee or officer of any Seller to any compensation or benefit from the Buyer, including, without limitation, severance pay, or unemployment compensation, except to the extent any Person who was never employed by any Seller would, after being employed by the Buyer, also be entitled to compensation or benefits from the Buyer.

3.4 Labor Relations. The Sellers have delivered to the Buyer a list of all persons receiving compensation from the Sellers (either directly or indirectly) in connection with the Stores or the Gas Stations, and a description of all compensation arrangements affecting each of them. The Sellers have complied in all material respects with all applicable laws, rules and regulations relating to the employment of labor, including, but not limited to, those relating to wages, hours, health and safety, unfair labor practices, discrimination and payment of social security and all employment related taxes. The Sellers are not subject to any collective bargaining agreements and, to the Sellers' knowledge, no union campaign or organizational activity is being conducted to solicit cards from the Sellers' employees to authorize a labor union to request a National Labor Relations Board certification election with respect to any such employees.

3.5 Condition of the Property. Notwithstanding anything else in this Agreement to the contrary:

(A) THE BUYER ACKNOWLEDGES AND AGREES THAT THE BUYER IS PURCHASING THE PROPERTY "AS-IS," "WHERE-IS," AND "WITH ALL FAULTS," WITHOUT ANY WARRANTIES, REPRESENTATIONS OR GUARANTEES, EITHER EXPRESS OR IMPLIED, OF ANY KIND, NATURE, OR TYPE WHATSOEVER FROM, OR ON BEHALF OF, THE SELLERS, EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE BUYER ACKNOWLEDGES AND AGREES THAT THE SELLERS HEREBY EXPRESSLY DISCLAIM ANY AND ALL IMPLIED WARRANTIES CONCERNING THE CONDITION OF THE PROPERTY INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

(B) THE BUYER ACKNOWLEDGES AND AGREES THAT THE BUYER HAS NOT RELIED, AND WILL NOT RELY, UPON ANY REPRESENTATIONS OR WARRANTIES (ORAL OR WRITTEN) MADE BY OR PURPORTEDLY MADE ON BEHALF OF THE SELLERS, UNLESS SUCH REPRESENTATIONS AND WARRANTIES ARE EXPRESSLY SET FORTH IN THIS AGREEMENT. THE BUYER FURTHER ACKNOWLEDGES AND AGREES THAT THE BUYER HAS NOT RELIED, AND WILL NOT RELY, UPON ANY DOCUMENTS OR OTHER INFORMATION (ORAL OR WRITTEN) PROVIDED BY, OR PURPORTEDLY PROVIDED ON BEHALF OF, THE SELLERS, OTHER THAN THE DOCUMENTS ACTUALLY DELIVERED BY THE SELLERS UNDER THIS AGREEMENT. OTHER THAN WITH RESPECT TO THE DOCUMENTS ACTUALLY DELIVERED BY THE SELLERS UNDER THIS AGREEMENT, THE BUYER UNDERSTANDS AND AGREES THAT ANY DOCUMENTS OR INFORMATION PROVIDED TO THE BUYER BY THE SELLERS OR ON THE SELLERS' BEHALF, HAVE BEEN OBTAINED FROM A VARIETY OF SOURCES AND HAVE NOT BEEN INDEPENDENTLY INVESTIGATED OR VERIFIED BY THE SELLERS AND ARE NOT TO BE RELIED UPON BY THE BUYER IN PURCHASING THE PROPERTY. OTHER THAN WITH RESPECT TO THE DOCUMENTS ACTUALLY DELIVERED BY THE SELLERS UNDER THIS AGREEMENT, THE SELLERS MAKE NO EXPRESS REPRESENTATIONS OR WARRANTIES AND HEREBY DISCLAIM ANY AND ALL IMPLIED WARRANTIES, CONCERNING THE TRUTH, ACCURACY AND

COMPLETENESS OF ANY DOCUMENTS OR INFORMATION PROVIDED TO THE BUYER BY THE SELLERS OR BY ANYONE ACTING, OR PURPORTING TO ACT, ON BEHALF OF THE SELLERS.

(C) EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED IN THIS AGREEMENT, THE BUYER ACKNOWLEDGES AND AGREES THAT NO REPRESENTATIONS BY OR ON BEHALF OF THE SELLERS HAVE BEEN MADE TO THE BUYER AS TO THE CONDITION OF THE PROPERTY, THE APPLICABILITY OF OR COMPLIANCE WITH ANY GOVERNMENTAL REQUIREMENTS, INCLUDING, BUT NOT LIMITED TO, THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. THE BUYER ACKNOWLEDGES THAT, EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED IN THIS AGREEMENT, THE BUYER IS NOT RELYING ON ANY REPRESENTATION, OR THE LACK OF SAME, WITH RESPECT TO THE CONDITION OF THE PROPERTY.

(D) EXCEPT FOR A BREACH BY ANY OF THE SELLERS OF THE REPRESENTATIONS AND WARRANTIES MADE IN ARTICLE 3 OF THIS AGREEMENT OR OF ITS COVENANTS CONTAINED IN THIS AGREEMENT AND EXCEPT FOR ANY OF THE SELLERS' INDEMNIFICATION OBLIGATIONS CONTAINED IN THIS AGREEMENT, THE BUYER UNCONDITIONALLY WAIVES AND HEREBY RELEASES THE SELLERS FROM AND AGAINST ANY AND ALL LIABILITY OF THE BUYER, WHETHER KNOWN OR UNKNOWN, PRESENT OR FUTURE, ARISING OUT OF OR RELATING TO THE CONDITION OF THE PROPERTY, OR OF THE FITNESS OF THE PROPERTY FOR ANY PARTICULAR PURPOSE.

3.6 Litigation. Except as set forth on Schedule 3.6 to this Agreement, or as a result of the Petitions, none of the Sellers, with respect to the Property, (i) is subject to any outstanding injunction, judgment, order, decree, ruling, or charge, or (ii) is a party or, to the knowledge of the Sellers is threatened to be made a party to any action, suit, proceeding, hearing, or investigation of, in, or before any court or quasi-judicial or administrative agency of any federal, state, local, or foreign jurisdiction or before any arbitrator that could reasonably expected to result in a Material Adverse Effect. In accordance with the filing of their petitions for bankruptcy, the Sellers have complied with the notice requirements of Section 342 of the Bankruptcy Code.

3.7 Tax Matters. The Sellers hereby represent and warrant to the Buyer that:

(A) Except as provided in Schedule 3.7(A) to this Agreement, the Sellers have timely paid all Taxes, and all interest and penalties due thereon and payable by it for the Pre-Closing Tax Period which will have been required to be paid on or prior to the Closing, the non-payment of which might result in a Lien on any Property (that would not be released pursuant to the Sale Order) or in a potential Liability to the Buyer or any of its Designated Subsidiaries or would otherwise have a Material Adverse Effect.

(B) There is no claim, action, audit or other proceeding now pending or to the Sellers' knowledge threatened in writing asserting that any Seller is liable for sales or use Tax in

any jurisdiction other than a jurisdiction in which such Seller is currently filing sales or use Tax returns, as the case may be.

3.8 Survival. The Sellers' representations and warranties set forth in this Article 3 shall survive the Closing and continue in full force and effect for a period of six (6) months from the Closing (the "Survival Period").

ARTICLE 4  
BUYER'S REPRESENTATIONS AND WARRANTIES

4.1 The Buyer represents and warrants that:

(A) It, and each Designated Subsidiary, is a corporation duly organized and validly existing under the laws of the State of Florida. The Buyer has, and each Designated Subsidiary has or will have as of the Closing, all requisite power and authority to carry on and conduct its business as it is now being conducted and to own or lease its properties and assets, and is duly qualified to do business as a foreign corporation and is in good standing with those States in which it is required to be so qualified.

(B) It, and each Designated Subsidiary, has full and requisite corporate power and authority to execute and deliver this Agreement and the Buyer's Deposits and to perform its obligations hereunder and thereunder.

(C) This Agreement has been duly and validly executed and delivered by the Buyer and constitutes, and each of the other agreements to be executed and delivered by the Buyer pursuant hereto upon their execution and delivery will constitute, a valid and legally binding obligation of the Buyer, enforceable against the Buyer in accordance with their respective terms.

(D) Subject to (i) the entry of the Sale Order and (ii) any filings and approvals required in order to comply with the provisions of the HSR Act, no filing with, and no permit, authorization, consent or approval of, any Governmental Entity is necessary for the consummation by the Buyer and each Designated Subsidiary of the transactions contemplated by this Agreement. Subject to the entry of the Sale Order, neither the execution and delivery of this Agreement by the Buyer nor the consummation by the Buyer and each Designated Subsidiary of the transactions contemplated by this Agreement will (x) conflict with or result in any breach of any provision of the articles of incorporation or bylaws of the Buyer and each Designated Subsidiary, (y) result in a violation or breach of, or constitute (with or without due notice or lapse of time or both) a default (or give rise to any right of termination, cancellation or acceleration) under, any of the terms, conditions or provisions of any note, contract, permit, lease, or other agreement to which the Buyer or each Designated Subsidiary may be subject, or (z) violate any order, statute, or regulation applicable to the Buyer and each Designated Subsidiary, except for violations, breaches or defaults which could not reasonably be expected to materially adversely affect the Buyer or each Designated Subsidiary.

(E) It, or each Designated Subsidiary, has, or will use its commercially reasonable efforts to have as of the first day of the Closing Period, all licenses, permits,

franchises and authority, whether from a Governmental Entity or otherwise, necessary to purchase the Property and operate the Stores and the Gas Stations.

4.2 Survival. The Buyer's representations and warranties set forth in this Article 4 shall survive the Closing and continue in full force for the Survival Period.

## ARTICLE 5 COVENANTS

5.1 Sellers' Covenants. From and after the date hereof until the Closing, the Sellers hereby jointly and severally covenant the following:

(A) Except for sale of inventory or other property in the normal course of business, no Seller shall sell, move or otherwise dispose of any of the Property; provided, however, that the Sellers may remove the Excluded Property from the Stores and Gas Stations prior to the first day of the Closing Period. The Sellers shall not be required to remove any of the Excluded Inventory from the Stores and the Gas Stations;

(B) No Seller shall increase the retail price of any inventory item other than in the ordinary course of business as necessary to reflect increases in the Sellers' cost for any such item;

(C) Each Seller shall maintain inventory levels reasonably consistent with its ordinary course of business for each of the Stores and the Gas Stations, except that no Seller shall be required to maintain ordinary inventory levels of Excluded Inventory;

(D) The Sellers shall provide all assistance and execute and deliver all documents reasonably needed to transfer to the Buyer, or to any Person designated by the Buyer, the Liquor Licenses, the Transferred Licenses and the Transferred Store Agreements (including without limitation any assistance and documents needed by the Buyer from the Sellers during the term of this Agreement regarding the transfer of beverage licenses);

(E) The Sellers shall (i) not dispose of or agree to dispose of any interest in any of the Leases, Owned Real Property, Stores or Gas Stations, (ii) continue to operate and maintain each of the Stores and the Gas Stations and the Equipment, (iii) not allow any of the Stores or Gas Stations to "go dark", and (iv) not remove any of the Equipment or exchange or "swap out" any of the Equipment for other equipment;

(F) No later than two (2) Business Days after the date of this Agreement, the Sellers shall cease issuing gift certificates at the Stores and Gas Stations, and the Sellers shall promptly notify the holders of any previously issued gift certificates that such gift certificates should be redeemed within sixty (60) days of the date of such notice;

(G) The Sellers shall (i) no later than ten (10) Business Days after the date of this Agreement, provide the Buyer with the items and information listed on Schedule 5.1(G) to this Agreement to the extent such information exists and is available to Sellers, and (ii)

throughout the term of this Agreement, provide the Buyer with any other items and information reasonably requested by the Buyer;

(H) Upon execution of this Agreement, the Sellers shall provide the Buyer with letters of introduction to the managers of the Stores and Gas Stations to assist the Buyer in its due diligence efforts;

(I) Each Seller shall comply with all of its obligations under each of the Leases and Store Agreements, and to the extent it is in default of its obligations under any such agreement, shall cure its breach; and

(J) Each Seller shall use its commercially reasonable efforts to cause each of the conditions contained in Article 7 hereof to be met; provided, however, the Sellers shall use their best efforts in obtaining the approvals and orders from the Bankruptcy Court contemplated by this Agreement.

5.2 Buyer's Covenants. From and after the date hereof until the Closing, the Buyer hereby covenants the following:

(A) The Buyer shall use its commercially reasonable efforts to obtain all Due Diligence Reports as soon as is reasonably practicable; and

(B) The Buyer shall use its commercially reasonable efforts to cause each of the conditions contained in Article 7 hereof to be met.

5.3 Anti-Trust Compliance. From and after the date hereof until Closing, the Sellers and the Buyer hereby jointly covenant the following.

(A) The Sellers and the Buyer shall (i) take as promptly as is reasonably practicable all actions necessary to make the filings required of the Sellers and the Buyer under the applicable Antitrust Laws, (ii) comply as promptly as is reasonably practicable with any request for additional information or documentary material received by the Sellers and the Buyer from the Federal Trade Commission or the Antitrust Division of the Department of Justice pursuant to the HSR Act and (iii) cooperate in connection with any filing under applicable Antitrust Laws and in connection with resolving any investigation or other inquiry concerning the transactions contemplated by this Agreement commenced by any of the FTC, the DOJ or state attorneys general.

(B) Each of the Sellers and the Buyer shall use its commercially reasonable efforts to resolve such objections, if any, as may be asserted with respect to the transactions contemplated by this Agreement under any Antitrust Law; provided that in no event shall the Buyer or any of its Affiliates be required to cease operating, or to divest itself of, any of its businesses or assets or any of the Stores or Gas Stations.

(C) Each of the Sellers and the Buyer shall promptly inform each other of any material communication made to, or received by such Party from, the FTC or the DOJ or any

other governmental or regulatory authority regarding any of the transactions contemplated hereby.

(D) In the event that the FTC or the DOJ threatens to petition a court for the entry of an order prohibiting the Closing of the transactions contemplated hereunder, the Sellers and the Buyer agree to use commercially reasonable efforts to enter into a consensual agreement (on terms reasonably agreeable to the Buyer and the Sellers) with the FTC or the DOJ as applicable, to delay Closing pending resolution of all matters in dispute with the FTC or DOJ as applicable, regarding the transaction contemplated hereunder (the "Antitrust Dispute Resolution Period") in order to attempt to resolve all objections to the Closing indicated by the FTC or the DOJ; provided, however, in the event that the FTC or the DOJ actually files suit for the entry of an order prohibiting the Closing of the transactions contemplated hereunder, the Sellers or the Buyer may elect to terminate this Agreement in accordance with Section 10.1(C) without proceeding to the Antitrust Dispute Resolution Period. During the Antitrust Dispute Resolution Period, the Sellers and the Buyer shall use its commercially reasonable efforts to produce all documents and information requested by the FTC and DOJ and to otherwise attempt to resolve all obstacles to the Closing; provided, that in no event shall the Buyer or any of its Affiliates be required to cease operating or to divest itself of any of its businesses or assets or any of the Stores or the Gas Stations.

5.4 Submission for Court Approval. As promptly as practicable after the date hereof, the Sellers shall submit (i) this Agreement and (ii) a motion seeking an order from the Bankruptcy Court, with respect to the sale and purchase of the Property pursuant to this Agreement. The Buyer shall cooperate with the Sellers in obtaining such Bankruptcy Court approvals and orders, and the Sellers shall use their best efforts to obtain such approvals and orders and shall deliver to the Buyer copies of pleadings, motions, notices, statements, schedules, applications, reports and other papers to be filed with the Bankruptcy Court relating to such approvals and orders reasonably in advance of filing to permit the Buyer to provide comments thereto.

5.5 Title Insurance. The Buyer may obtain a commitment for an ALTA Owners or Leasehold Policy of Title Insurance (as applicable) for each of the Stores (and the Gas Stations to the extent requested by the Buyer) (the "Title Commitments"), issued by the Title Company in an amount to be designated by the Buyer up to Five Hundred Thousand Dollars (\$500,000) for each insured leasehold and an amount reasonably acceptable to the Sellers and the Buyer for each fee interest, insuring the Buyer's interest in each of the Leases or Owned Real Property (as applicable) as of the Real Estate Closing Date, subject only to the Permitted Encumbrances. The Buyer shall forward copies of any Title Commitments to the Sellers promptly after receipt and shall cooperate with the Sellers if the Sellers seek to obtain copies of the Title Commitments directly from the Title Company. On or before the Real Estate Closing Date, the Sellers shall deliver such affidavits and similar documents reasonably required by the Title Company to satisfy the Schedule B-1 requirements of the Title Commitments, to delete the Schedule B-2 "standard title exceptions" (provided that the Sellers shall be relieved of the obligation to remove the "survey" exceptions on Schedule B-2 if Buyer does not provide a satisfactory survey to the Title Company sufficient to satisfy the "survey" exceptions on Schedule B-2), and shall otherwise cooperate with the Title Company in order to facilitate the issuance of the title insurance policies (or pro forma policies) based upon the Title

Commitments (the "Title Policies") on the Real Estate Closing Date. Each such Title Policy will be dated as of the Real Estate Closing Date and insure title to the Lease or the Owned Real Property (as applicable) subject only to the Permitted Encumbrances.

5.6 Estoppel Letters. The Sellers shall use their commercially reasonable efforts to obtain prior to the Real Estate Closing Date an estoppel letter in the form attached hereto as Exhibit G (the "Estoppel Letter") with respect to each of the Stores and the Gas Stations from the landlords (and sublandlords, as applicable) in content reasonably satisfactory to the Buyer.

5.7 Non-Disturbance Agreements. The Sellers shall use their commercially reasonable efforts to obtain prior to Closing a non-disturbance agreement to be recorded in the public records in the form attached hereto as Exhibit H and in content reasonably satisfactory to the Buyer from each lender with an interest encumbering any or all of the Stores or the Gas Stations having priority over the Sellers' leasehold interest in the Stores or the Gas Stations (the "Non-Disturbance Agreements").

5.8 Utility Providers/Deposits. As soon as reasonably practicable after the date hereof, the Sellers shall deliver to the Buyer a list identifying (i) the amount and holder of all of the deposits of the Sellers with respect to the Leases and the utility services to the Stores and the Gas Stations, (ii) the names of all the utility services providers at the Stores and Gas Stations, and (iii) the utility services account numbers for the Stores and Gas Stations.

5.9 Adequate Assurances. The Buyer covenants and agrees to cooperate with the Sellers in connection with furnishing information pertaining to the satisfaction of the requirement of adequate assurances of future performance as required under Section 365(f)(2)(B) of the Bankruptcy Code of any and all Store Agreements.

5.10 Risk of Loss. The Sellers shall bear all risk of loss with respect to the Stores and the Gas Stations and the Property prior to the Closing. The Sellers agree to continue to carry or cause to be carried to the Closing the insurance coverage which is presently carried relating to the Property. In the event of any loss or damage prior to the Closing to any of the Property by fire or other casualty (a "Casualty"), the Sellers shall promptly provide the Buyer with all pertinent information regarding the Casualty (the "Casualty Notice"). In the event that the Casualty shall have a Material Adverse Effect with respect to that Property, the Buyer may, by delivering written notice thereof to the Sellers within fifteen (15) days of receipt of the Casualty Notice, either (i) proceed with the Closing with the damaged Property "AS-IS" and take an assignment of the Sellers' interest in any insurance proceeds and receive a reduction in the Purchase Price in the amount of any deductibles, or (ii) designate such Store or Gas Station as a Designated Subject Site and terminate this Agreement with respect to the affected Store or Gas Station (including the Property located at such Store or Gas Station).

5.11 Employees.

(A) A list of the employees at each Store and Gas Station is attached hereto as Schedule 5.11(A). The Buyer shall have the right to interview and make offers of employment to any of the Sellers' employees for employment with the Buyer post-Closing. Nothing herein shall obligate the Buyer to employ any such Sellers' employees for any particular length of time

following Closing. The Sellers shall, promptly after execution of this Agreement, give an appropriate notice in accordance with the WARN Act to each of the Sellers' employees entitled to such notice with respect to the transactions contemplated by this Agreement. In addition, the Sellers shall, effective as of the close of business on the day preceding the Inventory Closing Date for each Store and Gas Station, terminate all of their employees at such facilities. If the Inventory Closing Date shall occur prior to the end of the notice period required under the WARN Act, the Buyer hereby agrees that it will make offers to a sufficient number of the Sellers' employees at the relevant Stores and Gas Stations to avoid a violation of the WARN Act.

(B) Each Seller shall indemnify, defend and hold the Buyer harmless from and against all claims, demands, actions, causes of action and liability, civil or criminal, including reasonable attorneys' fees, which arise out of or result from any alleged violation prior to the Closing of any local, state or Federal ordinance, rule, regulation or law related to any required closing notification to each Seller's employees, including the Federal plant closing law. Each Seller shall remain liable for payment to its former employees of all COBRA benefits, vacation pay and other employee benefits or obligations of any kind that accrue by reason of the employment relationship prior to the Closing.

5.12 Licenses. The Buyer shall seek (and the Sellers shall use their commercially reasonable efforts to assist the Buyer in its efforts to seek) all licenses, permits, franchises and other documents necessary for the operation of each of the Stores and the Gas Stations.

5.13 Uncollected Accounts Receivable. The Buyer acknowledges that it is not purchasing from the Sellers any Accounts Receivable. The Buyer shall promptly remit to the applicable Seller any and all accounts receivable which the Buyer may receive after the Closing that relate to business done by such Seller at the Stores prior to the Closing.

5.14 Notice of Developments. Each Party will give prompt written notice to the other Party of any material adverse development causing a breach of any of its own representations and warranties in Article 3 and Article 4 above, as applicable. No disclosure by any Party pursuant to this Section 5.14, however, shall be deemed to amend or supplement the schedules to this Agreement or to prevent or cure any misrepresentation, breach of warranty, or breach of covenant.

5.15 Closing Costs. The Buyer shall pay all Closing Costs when due.

5.16 Change of Name. On or before the date thirty (30) days after the Closing, each Seller shall cause its corporate name to be changed to a name not containing any of the trademark names or trademarks or any derivatives thereof included in the Property. Pursuant to the Trademark License Agreement, each Seller shall retain the right to use the name of the Sellers in conducting its business for not more than ninety (90) days after the Closing.

5.17 Surveys. The Buyer may procure in preparation for the Closing current surveys of each of the Stores and Gas Stations to be prepared by a licensed surveyor in form and content reasonably satisfactory to the Buyer ("Surveys").

5.18 Contact with Landlords. The Buyer shall be allowed to contact the landlords under the Leases to discuss the provisions of and matters relating to the Leases.

5.19 Administrative Expense Claim. In the event that the Buyer is not the successful bidder for the Property, the Sellers, subject to obtaining the approval of the Bankruptcy Court as set forth in Section 5.4 of this Agreement, shall treat as an administrative expense claim payable to the Buyer at the closing of the sale of the Property to the successful bidder(s), the Buyer's actual, demonstrated and verified out-of-pocket expenses, including expenses for (i) one-half (1/2) of the Closing Costs, (ii) the Buyer's evaluation and consideration of the purchase of all or a portion of the properties and assets of the Sellers, including the Property, (iii) the negotiation and revision of the terms hereof, and (iv) the Buyer's participation in the bidding and auction process.

5.20 Installation of Equipment. The Sellers agree that the Buyer may install certain of its point of sale equipment, inventory equipment, and related equipment in the Stores and Gas Stations at any time prior to the Closing, and may remove any such equipment, and the Sellers agree to reasonably cooperate with the Buyer in connection with the Buyer's installation and operation, and removal, of such equipment. The Buyer shall not unreasonably interfere with the Sellers in the operation of their business in connection with such installation or removal. The Buyer shall indemnify the Sellers from any damage suffered by the Sellers in connection with the Buyer's installation of such equipment.

## ARTICLE 6 BUYER'S DUE DILIGENCE

6.1 Inspection. The Buyer may conduct, within the period beginning on the date of this Agreement and ending on the last day of the Due Diligence Period, the following due diligence on the Stores and Gas Stations: (i) physical inspections (including by any third party inspectors) of each of the Stores and the Gas Stations and of all of the Equipment; (ii) Phase I environmental reports (including asbestos surveys) on each of the Stores and Gas Stations; (iii) a review of Title Commitments from the Title Company on each of the Stores and Gas Stations; (iv) a review of the Surveys; and (v) such other commercially reasonable investigation as the Buyer may elect (collectively, the "Due Diligence Investigation"). The Buyer shall use its commercially reasonable efforts to complete the Due Diligence Investigation as soon as practicable after the date of this Agreement and shall keep the Sellers reasonably advised from time to time of the progress of the Due Diligence Investigation; provided, however, that such notice of the progress of the Due Diligence Investigation shall not be subject to the requirements of Section 11.1.

6.2 Cooperation During Due Diligence Period. Each Seller agrees to cooperate with the Buyer in its due diligence efforts prior to the expiration of the Due Diligence Period. To the extent not already provided to the Buyer, each Seller shall promptly make available to the Buyer copies of all building plans, fixture plans, surveys, underground storage tank registrations, environmental studies and reports, environmental permits (including NPDES permits), financial records, personnel/payroll records, sales records and other related data that are in the Sellers possession and control reasonably requested by the Buyer. The Sellers shall provide the Buyer with reasonable access to the Stores and the Gas Stations to conduct its due diligence including

without limitation verification of the Sellers' representations and warranties set forth herein and verification of the satisfaction of the conditions set forth in Article 7 hereof. The Buyer shall notify the Sellers when the Buyer will be conducting investigations at the Stores and Gas Stations (orally or in writing, but without having to comply with the notice provisions of Article 11) and the Sellers or their representative(s) may elect to accompany the Buyer during each such inspection; provided, however, the Buyer shall not be required to delay any inspection if the Sellers or their representative(s) are not available to accompany the Buyer. All such inspections shall be at the sole risk of the Buyer, and the Buyer shall indemnify the Sellers against any Losses arising from any inspections or testing caused by the Buyer or its representatives. The Buyer's due diligence costs shall be at the Buyer's sole expense; provided, however, that the Buyer shall be entitled to a credit against the Purchase Price of one-half ( $\frac{1}{2}$ ) of the Closing Costs (as such costs are limited or capped pursuant to this Agreement). The Buyer shall not conduct any coring or boring or any other intrusive testing or Phase II environmental inspection on the Property unless consented to in writing by the Sellers prior to such inspection, which consent may be withheld by the Sellers in their sole discretion; provided, however, the Sellers shall promptly notify the Buyer whether or not the Sellers grant their consent. The Buyer's indemnification under this Section shall survive (for the Survival Period) the termination of this Agreement in part or in whole or the Closing on the transaction as to less than all of the Stores and Gas Stations.

### 6.3 Defects and Notice.

(A) If the Buyer's Due Diligence Investigation during the Due Diligence Period shall disclose or if the Buyer shall otherwise become aware during the Due Diligence Period of: (i) title exceptions (including matters revealed by the Surveys) other than the Permitted Encumbrances; (ii) physical defects to the Stores or Gas Stations which would materially interfere with the operation of any of the Stores or any of the Gas Stations (including without limitation unstable soil conditions) which are not the landlord's responsibility to repair or replace under the applicable Lease for such Store or Gas Station; (iii) environmental conditions at the Gas Stations which require or could reasonably be expected to require remediation under applicable Environmental Law or which could otherwise be reasonably expected to have a Material Adverse Effect; (iv) the existence of asbestos, the removal of which could be required in connection with a renovation of the Store or Gas Station at a cost that could reasonably be expected to have a Material Adverse Effect, or (v) any material violations of building codes or zoning laws that could reasonably be expected to have a Material Adverse Effect (taken together, the "Due Diligence Defects"), the Buyer shall prepare in good faith a written report (a "Due Diligence Defects Report") with respect to the Due Diligence Defects at each location including the nature of the Due Diligence Defects and providing a reasonable estimate (if reasonably quantifiable) of the cost to eliminate, remove, repair or remediate, as appropriate, each such Due Diligence Defect. The Buyer shall deliver the Due Diligence Defects Report, if any, to the Sellers as soon as reasonably practical following the Buyer's completion of the Due Diligence Investigation with respect to each Store and Gas Station.

(B) In the event that (a) the cost to correct or repair the quantifiable Due Diligence Defects, as evidenced by the Due Diligence Defects Report, exceeds Fifty Thousand Dollars (\$50,000.00) for any Store or Gas Station, or (b) an unquantifiable Due Diligence Defect would reasonably be expected to have a Material Adverse Effect (each, a "Material Due

Diligence Defect”), then the Sellers may, at their option, within the thirty (30) day period after the Sellers' receipt of the Due Diligence Defects Report (the “Defect Cure Period”), correct or repair, including, if applicable, having the Title Company commit to insure over, the Material Due Diligence Defects referenced in the Due Diligence Defects Report. In the event that the Sellers notify the Buyer that the Sellers have elected not to correct or have failed to correct such Material Due Diligence Defects on or before the expiration of the Defect Cure Period, then the Buyer may elect to terminate this Agreement with respect to the individual Store(s) or Gas Station(s) subject to such uncured Material Due Diligence Defects by delivering written notice thereof to the Sellers on or before the earlier of the first day of the Closing Period or seven (7) days after the expiration of the relevant Defect Cure Period; provided, however, that such election not to correct or repair or failure to correct or repair such Material Due Diligence Defects shall not be deemed a breach of this Agreement. If a Store or Gas Station is excluded from the sale of the Property as set forth above, then (v) the Purchase Price shall be reduced on 110% of the basis set forth in the Allocation Statement, (w) the Inventory at such Store or Gas Station shall be disregarded for purposes of calculating the Purchase Price, (x) no Property (including, without limitation, inventory) located at such Store or Gas Station shall be sold to the Buyer pursuant to this Agreement; (y) such Store or Gas Station shall be deemed a Designated Subject Site for purposes of Section 6.5; and (z) the Parties shall be relieved from any further obligations or liabilities under this Agreement with respect to such Store or Gas Station (and the Property related thereto).

(C) In the event that the Buyer does not deliver a Due Diligence Defects Report to the Sellers prior to the expiration of the Due Diligence Period, then the contingency to Closing set forth in this Section with respect to such Material Due Diligence Defect shall have been waived by the Buyer.

(D) The Sellers shall also cooperate with the Buyer in connection with due diligence issues other than Material Due Diligence Defects including without limitation issues regarding legal descriptions and chain of title issues. In particular, the Sellers agree to provide the Buyer with such documents to be recorded in the public records, in form and substance reasonably acceptable to the Buyer, as may be reasonably required to show leasehold title or fee simple title (as applicable) vested in the Sellers.

#### 6.4 Due Diligence Completion.

(A) The Buyer shall promptly provide notice to the Sellers designating each Store and Gas Station for which the Due Diligence Investigation is completed and for which (i) a Due Diligence Defects Report is not being given, (ii) the Seller has corrected any Material Due Diligence Defects raised in a Due Diligence Defects Report, or (iii) although the Sellers have elected not to correct or have failed to correct a Material Due Diligence Defect, the Buyer has not elected to exercise its rights under Section 6.3 to terminate this Agreement, or has elected under Section 6.4(C) to consummate the transfer of the Property, with respect to such Store or Gas Station (such Stores and Gas Stations, collectively, the “Accepted Sites”).

(B) At any time on or after January 4, 2001, if (i) the total number of Accepted Sites reaches or exceeds the Minimum Store Number (the “First Accepted Sites”), and (ii) all of the conditions set forth in Article 7 have been satisfied or waived with respect to such First

Accepted Sites, then the Sellers and the Buyer shall promptly proceed to consummate the transfer of such First Accepted Sites and the related Property (the "First Closing"), such First Closing to occur in accordance with the Real Estate Closing Procedure and the Inventory Closing Procedure.

(C) If the First Closing has been scheduled but the Due Diligence Period has not expired for the Stores and Gas Stations other than the Accepted Sites, then the Buyer may elect to consummate, at the First Closing, the transfer of any or all of the Stores and Gas Stations (and related Property) for which the Due Diligence Investigation has not been completed or for which the Buyer has delivered to the Sellers a Due Diligence Defects Report and the Defect Cure Period has not yet expired. If the Buyer elects not to consummate the transfer of such Stores and Gas Stations (the "Not Yet Accepted Sites") at the First Closing, then the Seller shall have the right to (i) terminate this Agreement with respect to any or all of the Not Yet Accepted Sites and any Not Yet Accepted Site so terminated shall be deemed a Designated Subject Site for purposes of Section 6.5, (ii) cause the Buyer to continue its Due Diligence Investigation on such Not Yet Accepted Sites with respect to which its Due Diligence Investigation has not been completed, or (iii) complete the correction or repair of any Material Due Diligence Defects during any unexpired Defect Cure Period applicable to such Not Yet Accepted Sites.

(D) With respect to any Not Yet Accepted Sites that the Sellers do not elect to withdraw from the Agreement, the Buyer shall promptly notify the Sellers when and if each such Not Yet Accepted Site becomes an Accepted Site (a "Later Accepted Site") and the Closing of each such Later Accepted Site shall occur promptly after satisfaction or waiver of the conditions set forth in Article 7 with respect to such Later Accepted Site and in accordance with the Real Estate Closing Procedure and the Inventory Closing Procedure.

(E) Promptly upon expiration of the Due Diligence Period and any Defect Cure Period, provided that all other conditions set forth in Article 7 have been satisfied or waived, regardless of the state of completion of the Due Diligence Investigation, the Parties shall promptly consummate the transfer of all Not Yet Accepted Sites (and related Property) (x) that have not been previously consummated by the Parties, and (y) that have not been excluded as Designated Subject Sites pursuant to Section 6.5, in accordance with the Real Estate Closing Procedure and the Inventory Closing Procedure.

#### 6.5 Designated Subject Sites.

(A) If the Due Diligence Period and any Defect Cure Period have expired with respect to a Store or Gas Station but the conditions set forth in Article 7 have not been satisfied or waived with respect to such Store or Gas Station, the Buyer may elect at its option to (a) proceed with the Closing with respect to such Store or Gas Station, or (b) to the extent any failure of condition with respect to such Store or Gas Station results from the breach by the Sellers of any of their covenants, representations or warranties set forth in this Agreement or from Sellers' refusal to allow the Buyer to conduct a Phase II environmental investigation (where the results of the Phase I investigation would indicate the need for a Phase II), terminate this Agreement with respect to such Store or Gas Station.

(B) If the transfer of a Store or Gas Station (and the related Property) has not been consummated on or before March 1, 2001; the Buyer or the Seller may elect to terminate this Agreement with respect to such Store or Gas Station.

(C) Any Stores or Gas Stations in connection with which the Sellers or the Buyer have terminated this Agreement as permitted under the terms of this Agreement are referred to as "Designated Subject Sites". If the Buyer designates a Store as a Designated Subject Site or a Store is otherwise deemed to be a Designated Subject Site under any of the provisions of this Agreement, then the Gas Station at the same location (if any) shall be a Designated Subject Site. If the Buyer designates a Gas Station as a Designated Subject Site or a Gas Station is otherwise deemed to be a Designated Subject Site under any of the provisions of this Agreement, then the Store at the same location (if any) shall be a Designated Subject Site. If a Store or Gas Station becomes a Designated Subject Site, then (w) the Purchase Price shall be reduced on 110% of the basis set forth in the Allocation Statement, (x) the Inventory at such Store or Gas Station shall be disregarded for purposes of calculating the Purchase Price, (y) no Property (including, without limitation, inventory) located at such Store or Gas Station shall be sold to the Buyer pursuant to this Agreement, and (z) the Parties hereto shall be relieved from any further obligations or liabilities under this Agreement with respect to such Store or Gas Station (and the Property related thereto).

(D) If the Lease term (including extensions) for any Gas Station leased from a Person other than a Seller is scheduled to expire on or before five (5) years after the first day of the Closing Period, the Buyer shall have the right to designate up to four (4) of any such Gas Stations as a Designated Subject Site, such designation to be made on or before December 15, 2000. Should Buyer elect to designate any Gas Station as a Designated Subject Site pursuant to this subsection, then, notwithstanding anything to the contrary contained herein, the Purchase Price shall be reduced on 100% of the basis set forth in the Allocation Statement.

(E) The Buyer shall also have the right to designate up to seven (7) additional Stores or Gas Stations as Designated Subject Sites for any or no reason, such designation to be made on or before December 15, 2000, so long as such discretionary designations do not reduce the number of Stores to be transferred below the Minimum Store Number. In the event the Buyer elects to designate (i) a Gas Station as Designated Subject Site because it has elected to designate the Store at the same location as a Designated Subject Site, or (ii) a Store as a Designated Subject Site because it has elected to designate the Gas Station at the same location as a Designated Subject Site, such combination Gas Station-Store or Store-Gas Station designation shall only count as one (1) designation for the purposes of calculating the seven (7) designations the Buyer is entitled to hereunder. Should Buyer elect to designate any Store or Gas Station as a Designated Subject Site pursuant to this subsection, then, notwithstanding anything to the contrary contained herein, the Purchase Price shall be reduced on 100% of the basis set forth in the Allocation Statement.

ARTICLE 7

The transfer to the Buyer and/or its Designated Subsidiaries of all of Seller's right, title and interest in and to the Other Assets, the Equipment, the Leases, the Owned Real Property, and the Intellectual Property (the "Real Estate Closing") shall occur on the first day of the Closing Period (the "Real Estate Closing Date") through a document escrow (the "Real Estate Escrow") to be held by the Title Company, the form of which is attached hereto as Exhibit I (the "Real Estate Escrow Agreement"). (H) Such other documents as may be reasonably requested by the Title Company or the Sellers.

8.4 Real Estate Closing Procedure. On the Real Estate Closing Date, the Buyer and the Sellers shall execute a closing statement reflecting that portion of the Non-Inventory

Purchase Price allocated to the Transferred Sites as adjusted pursuant to Section 2.6 (the "Real Estate Closing Statement"), the Buyer shall deposit into the Real Estate Escrow the total sums due from the Buyer as set forth on the Real Estate Closing Statement, and the Sellers and the Buyer shall jointly execute and deliver to the Title Company a written direction, in the form attached as an exhibit to the Real Estate Escrow Agreement, directing the Title Company to disburse (i) the total sums due from the Buyer set forth on the Real Estate Closing Statement in accordance with the Real Estate Closing Statement and the terms and conditions of the Real Estate Escrow Agreement and (ii) the Sellers' Deposits and the Buyer's Deposits relating to the Transferred Sites in accordance with the terms and conditions of the Real Estate Escrow Agreement;

8.5 Inventory Count. Physical inventory of the Transferred Sites (the "Inventory Count") shall occur on the Inventory Counting Date and begin at a time to be mutually agreed by the Sellers and the Buyer and ending as soon as practicable thereafter but in no event longer than seven (7) days after the first day of the Closing Period (the "Inventory Counting Period"). The Inventory Count shall take place on the Inventory Counting Date for each Store or Gas Station as set forth on Schedule 8.5 to this Agreement. The Inventory Count shall be conducted consistent with the Inventory Instructions. The Inventory Count shall be conducted by RGIS or such other inventory service selected by the Sellers but reasonably acceptable to the Buyer (the "Inventory Service") in accordance with the Inventory Instructions. The Buyer and the Sellers shall each have representatives present during the Inventory Count who shall acknowledge in writing all computations before leaving the Stores and the Gas Stations. The Sellers may be represented during the Inventory Count by the Sellers' Inventory Representative. The Parties agree to be cooperative and reasonable in connection with the Inventory Count.

8.6 Inventory Closing Procedure. On the first day of the Closing Period, the Buyer shall deposit into the Inventory Escrow, that portion of the Inventory Purchase Price Deposit allocated to the Transferred Sites. On the Inventory Closing Date, the Buyer and the Sellers shall make the following deliveries and determinations with respect to the Counted Stores for which the Inventory Count was conducted:

(A) The Sellers and the Buyer shall agree on the results of the Inventory Count for the Counted Stores consistent with the Inventory Instructions;

(B) The Sellers shall terminate the employment of its employees at each of the Counted Stores;

(C) The Sellers shall deliver to the Buyer the keys, combinations to safes, and passwords, security and access cards, and telephone numbers, if any, to each of the Counted Stores; and

(D) The Sellers and the Buyer shall jointly execute and deliver to the Title Company a written direction, in the form attached as an exhibit to the Inventory Escrow Agreement, directing the Title Company to disburse the Sellers' Deposits and the Buyer's Deposits (which term does not include the Inventory Purchase Price Deposit) relating to the Transferred Sites in accordance with the terms and conditions of the Inventory Escrow Agreement;.

8.7 Final Closing Adjustments. Within five (5) Business Days after the last day of the Closing Period, the Sellers and the Buyer shall determine (i) the Inventory Purchase Price for the Transferred Sites consistent with the Inventory Count and the Inventory Instructions, (ii) the credit to the Buyer against such Inventory Purchase Price in the amount of one-half (1/2) for the Closing Costs, (iii) the credit to the Buyer against such Inventory Purchase Price in the amount of the Use and Occupancy License Credit, and (iv) the credit to the Buyer against such Inventory Purchase Price in the amount of any delinquent utility charges paid by the Buyer on the Sellers' behalf. The Sellers and the Buyer shall then execute a closing statement (the "Inventory Closing Statement") reflecting the Inventory Purchase Price for the Transferred Sites, as adjusted (the "Adjusted Inventory Purchase Price") and determine the amount, if any, by which the Inventory Purchase Price Deposit is less than or greater than the Adjusted Inventory Purchase Price. If the Adjusted Inventory Purchase Price exceeds the Inventory Purchase Price Deposit, the Buyer shall promptly pay the Sellers, in immediately available funds, the amount by which the Adjusted Inventory Purchase Price exceeds the Inventory Purchase Price Deposit. If the Adjusted Inventory Purchase Price is less than the Inventory Purchase Price Deposit, the Buyer and the Sellers shall promptly jointly instruct the Title Company to disburse to the Buyer the amount by which the Inventory Purchase Price Deposit exceeds the Adjusted Inventory Purchase Price. Additionally, the Sellers and the Buyer shall jointly execute and deliver to the Title Company a written direction, in the form attached as an exhibit to the Inventory Escrow Agreement, directing the Title Company to pay one-half (1/2) of the interest accrued on the Inventory Purchase Price Deposit to the Buyer and one-half (1/2) to the Sellers.

8.8 Use and Occupancy License. Effective as of the Real Estate Closing Date, the Buyer grants to the Sellers an irrevocable use and occupancy license (the "Use and Occupancy License") covering the Transferred Sites (and related Property) whereby the Sellers shall occupy and operate each such Transferred Site on and after the first day of the Closing Period through the Inventory Closing Date with respect to each such Transferred Site. The Use and Occupancy License shall automatically terminate with respect to a given Transferred Site upon the Inventory Closing Date for such Transferred Site. During the period from the Real Estate Closing Date through the Inventory Closing Date for each Transferred Site, the Sellers shall be responsible for the operation of such Transferred Sites consistent with its ordinary course of business for each of the Transferred Sites (other than continuing to purchase new inventory for such Transferred Site), shall not commit or suffer any waste in connection with any Transferred Site (and related Property), and shall be entitled to retain all revenues from the operation of the Transferred Sites during such period. The Buyer shall receive a credit against the Inventory Purchase Price in an amount equal to \$800.00 per day of use and occupancy pursuant to the Use and Occupancy License for each Store to be transferred (the "Use and Occupancy License Credit"), such credit representing the amount of rent, common area maintenance expenses, insurance, taxes and utilities incurred by the Buyer in connection with the Transferred Sites during the term of the Use and Occupancy License. If the Buyer discovers before or during the term of the Use and Occupancy License that the Sellers are in arrears in their payment of utility charges, then the Buyer may pay such charges on the Sellers' behalf and receive a credit for the same against the Inventory Purchase Price.

ARTICLE 9  
INDEMNIFICATION

9.1 Sellers' Indemnification. Each Seller shall indemnify, defend and hold the Buyer harmless from and against any and all claims, demands, expenses (including reasonable attorneys' fees), actions, causes of action and liability, civil or criminal (collectively, the "Losses"), which arise out of or result from:

(A) Any misrepresentation or breach of any warranty, representation or covenant contained in this Agreement; or

(B) Any Excluded Obligation.

9.2 Indemnification Provisions for the Benefit of the Buyer. In the event that any of the Sellers breaches any of their representations, covenants and warranties and, provided that the Buyer makes a written claim for indemnification against the Sellers within the Survival Period, then each of the Sellers agrees to indemnify the Buyer and its Designated Subsidiaries from and against their Losses through and after the date of the claim for indemnification caused primarily by the breach; provided, however (A) the Sellers shall have no payment obligation under this Section 9.2 until the Buyer and its Designated Subsidiaries have suffered aggregate Losses by reason of all such breaches in excess of \$250,000.00 (after which point the Sellers will be obligated only to indemnify the Buyer and its Designated Subsidiaries from and against further such Losses) and (B) to the extent the Losses the Buyer and its Designated Subsidiaries have suffered by reason of all such breaches exceeds the Purchase Price, the Sellers will have no obligation to indemnify the Buyer and its Designated Subsidiaries from and against further such Losses.

9.3 Buyer's Indemnification. The Buyer shall indemnify, defend and hold the Sellers harmless from and against any and all Losses which arise out of or result from:

(A) Any and all misrepresentations or breaches of any warranty or the terms of any agreement made or contained in this Agreement, in any of the closing documents referred to in Section 8.3 or in any document delivered in connection with this Agreement by the Buyer;

(B) The operation by the Buyer or its transferees of its or their business in the Stores subsequent to the Closing, including, without limitation, any loss, cost, damage or expense arising from any breach or alleged breach of any obligation of the Buyer subsequent to the Closing;

(C) All Assumed Obligations; and

(D) The use by the Buyer of any software or intellectual property of the Sellers.

9.4 Exclusive Remedy. Each Party understands and agrees that its right to indemnification under this Article 9 for Losses with respect to the transactions contemplated by

this Agreement shall be the exclusive remedy available to such Party with respect to any other Party for such Losses.

9.5 Exclusive Remedy for Environmental Matters. The Buyer understands and agrees that its right to indemnification under Section 9.1 for Losses associated with any environmental matters, and its rights under Section 6.3, shall constitute its sole recourse against the Sellers with respect to environmental matters (including without limitation all matters arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (“CERCLA”) or any other Environmental Laws) (collectively, “Environmental Matters”) and that it shall have no other right of indemnification or any other right or remedy against the Sellers with respect to any Environmental Matters arising from or related to this Agreement or the Stores or the Gas Stations, and, except for the indemnification rights and other rights set forth above, the Buyer hereby waives and releases the Sellers from any and all claims, demands, causes of action, liabilities, costs or expenses with respect to Environmental Matters.

9.6 Matters Involving Third Parties.

(A) If any third party shall notify any Party (the “Indemnified Party”) with respect to any matter (a “Third Party Claim”) which may give rise to a claim for indemnification against any other Party (the “Indemnifying Party”) under this Article 9, then the Indemnified Party shall promptly notify each Indemnifying Party thereof in writing.

(B) Any Indemnifying Party will have the right at any time to assume and thereafter conduct the defense of the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party; provided, however, that the Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld unreasonably) unless the judgment or proposed settlement involves only the payment of money damages and does not impose an injunction or other equitable relief upon the Indemnified Party.

(C) Unless and until an Indemnifying Party assumes the defense of the Third Party Claim as provided in Section 9.6(B) above, however, the Indemnified Party may defend against the Third Party Claim in any manner it reasonably may deem appropriate.

ARTICLE 10  
TERMINATION

10.1 Termination of Agreement. This Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing:

(A) By mutual written consent of the Buyer and the Sellers;

(B) By either the Buyer or the Sellers, if the First Closing shall not have occurred on or before March 1, 2001; provided, however, that if the First Closing shall not have occurred on or before such date due to a breach of this Agreement by the Buyer (or any of the Designated Subsidiaries) or any of the Sellers (without taking into account the right of the non-

breaching party to waive the failure of any conditions related to such breach), the breaching Party may not terminate this Agreement pursuant to this Section 10.1(B);

(C) By either the Buyer or the Sellers, if there shall be any law or regulation that makes the consummation of the transactions contemplated hereby illegal or if consummation of the transactions contemplated hereby would violate any order, decree or judgment of any court or governmental body having competent jurisdiction; or by the Buyer, if the FTC or the DOJ files suit for the entry of an order prohibiting the Closing of the transactions contemplated hereunder; or

(D) By either the Buyer or the Sellers, if the other Party breaches any of its material obligations under this Agreement that are not qualified as to materiality or Material Adverse Effect or any of its obligations under this Agreement that are qualified as to materiality or Material Adverse Effect, unless such breach shall be cured within fifteen (15) days after such other Party shall have received written notice of such breach in accordance with the terms hereof.

10.2 Consequences of Termination of Agreement. In the event of any termination of this Agreement pursuant to Section 10.1(B), (C) or (D) or Section 10.3 of this Agreement, written notice thereof shall forthwith be given by the terminating Party to the other Party specifying the provision hereof pursuant to which such termination is made, this Agreement shall forthwith become wholly void and of no further force and effect, and there shall be no liability on the part of the Buyer or the Sellers except that (i) if this Agreement shall be terminated pursuant to Section 10.1(D), the breaching Party shall be obligated to reimburse (as an administrative expense if necessary) the non-breaching Party for damages and expenses (including Closing Costs) from all Losses resulting from its breach; and (ii) if this Agreement is terminated pursuant to Section 10.1(A), (B), (C) or (D) or Section 10.3 of this Agreement, the Sellers shall reimburse (as an administrative expense if necessary) the Buyer for one-half (1/2) of the Closing Costs that the Buyer has paid or is obligated to pay and which were incurred prior to the termination; provided, however, that in either case the Sellers' obligation to reimburse the Buyer shall only be to the extent allowed by the Bankruptcy Court, which approval the Sellers shall not oppose.

10.3 Termination of Agreement for Aggregated Exclusion. If the aggregate number of Designated Subject Sites reduces the number of Stores to be transferred to the Buyer below the Minimum Store Number, either the Buyer or the Sellers may terminate this Agreement within five (5) Business Days of the final determination of the Designated Subject Site(s) by delivering written notice of the same to the other Party, in which case this Agreement shall have been deemed terminated in its entirety and the Parties shall have no further obligations hereunder.

11.2 Further Assurances. Each Party agrees to execute and deliver and provide access to any and all further agreements, documents and instruments reasonably necessary to effectuate this Agreement or the transactions referred to herein or which may reasonably be requested by the other Party to perfect or evidence its or their rights hereunder. All Parties will use their commercially reasonable efforts to effect an orderly transfer in control of the Property to the Buyer and to complete the transactions contemplated by this Agreement as promptly as practical. Each Party will promptly notify the other Party of any material information delivered to or obtained by such Party which would prevent the consummation of the transactions contemplated by this Agreement, or would indicate a breach of the representations and warranties or covenants of any of the Parties to this Agreement.

11.3 Post-Closing Assistance. Following the Closing, each Party shall provide reasonable assistance to and cooperation with the other Party (including making personnel and records of, or related to, the Stores available to the other Party) to the extent reasonably requested by the other Party (i) to facilitate the preparation by the other Party of required tax returns or in connection with any audit, claim or refund or proceeding relating thereto, (ii) the investigation, litigation or final disposition of any claim that may be made against the other Party on account of the operation of the Stores and the Gas Stations, (iii) the preparation by the other Party of materials necessary for any audit or examination, or (iv) the transfer of the Property, or (v) any similar business purpose. The Party requesting such assistance and cooperation shall reimburse the other Party for all out-of-pocket expenses incurred in providing such assistance and cooperation but shall not be required to pay any salaries or fees of the other Party's personnel providing such cooperation.

11.4 Expenses. Except as otherwise provided in this Agreement, each of the Parties will bear its respective expenses incurred in connection with this Agreement and the transactions contemplated hereby, including, without limitation, attorney's and accountant's fees.

11.5 Counterparts. This Agreement may be executed in separate counterparts. It shall be fully executed when each Party whose signature is required has signed at least one counterpart even though no one counterpart contains the signatures of all the Parties.

11.6 Brokers. Other than the Sellers' engagement of Merrill Lynch, whose payment is solely the Sellers' responsibility, the Sellers and the Buyer each to the other warrants and represents that it has not incurred and will not incur any liability for brokerage fees or agent's commissions in connection with this transaction, and agrees that it will hold harmless and indemnify the other Party against and in respect of any claim of brokerage or other commissions relative to this Agreement and to the transactions contemplated hereby based on any Agreement or commitment made or alleged to have been made by or on behalf of the indemnifying Party.

11.7 Publicity. The Sellers and the Buyer shall not make, without first providing the other with a copy of and an opportunity to discuss, any public announcement (including, but not limited to, press releases and advertising) of the transactions contemplated by this Agreement.

11.8 Successors and Assigns. No Party shall assign or transfer any rights or liabilities hereunder, except that the Buyer may assign any of its rights hereunder to one or more of its Designated Subsidiaries.

11.9 Entire Agreement; Governing Law and Jurisdiction. This Agreement sets forth the entire agreement of the Sellers and the Buyer, supercedes any and all prior understandings and agreements between the Parties with respect to the subject matter hereof, shall not be changed or terminated orally; shall be binding on or inure to the benefit of the successors or assigns of the Sellers and the Buyer; and shall be governed by the laws of the State of Mississippi. All disputes relating to this Agreement shall be brought before the Bankruptcy Court.

11.10 Waiver of Jury Trial. THE BUYER AND THE SELLERS EACH AGREE THAT THE NATURE OF THIS AGREEMENT MAKES A JURY DETERMINATION OF ANY DISPUTE ARISING OUT OF THIS AGREEMENT OR THE PROPERTY UNDESIRABLE. ACCORDINGLY, THE BUYER AND THE SELLERS EACH SPECIFICALLY WAIVE ANY RIGHT TO A TRIAL BY JURY THAT ANY OF THEM MAY HAVE IN ANY COURT WITH RESPECT TO ANY ACTION RELATING TO THIS AGREEMENT OR THE PROPERTY. THE FOREGOING WAIVER IS MADE KNOWINGLY, VOLUNTARILY AND INTENTIONALLY BY THE BUYER AND THE SELLERS.

11.11 Disclosure. Any information set forth in any Schedule attached to this Agreement or incorporated in any Section of this Agreement shall be considered to have been set forth in each other Schedule to this Agreement. The information contained in the Schedules hereto is disclosed solely for the purposes of this Agreement, and no information contained therein shall be deemed to be an admission by any Party hereto to any third party of any matter whatsoever, including of any violation of law or breach of any agreement.

11.12 Disclosure Required for Florida Property. The Buyer acknowledges the following Radon Gas disclosures required by Florida Statute 404.056, Subsection 8: RADON GAS:

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

IN WITNESS WHEREOF, each Seller and the Buyer have executed this Agreement as of the day and year first above written.

**Schedule 3.2**  
**Environmental Matters**

1. Federal Alcohol Tax permit fees for Pump and Save Stores #20002 (702) (Ellis Avenue, Jackson, Mississippi) and #20035 (735) (Bay St. Louis, Mississippi) have not been paid for the years 1998 and 1999. The permit fees for these locations were paid for 2000, but year 2000 Federal Alcohol Tax permits have not yet been received by these locations.
2. Groundwater remediation has been required at Pump and Save Store #20024 (724) (Pearl, Mississippi). The groundwater recovery equipment has been removed from this location. The Mississippi Department of Environmental Quality ("MDEQ") has scheduled a groundwater sampling event at a date to be determined. The results of this future MDEQ groundwater sampling event will determine whether additional groundwater remediation is required for this location.
3. Groundwater and soil remediation has been required at Pump and Save Store #20038 (738) (I-55 North, Jackson, Mississippi). MDEQ is preparing a scope of work to close all recovery wells and issue a "no further action" letter with respect to contamination at this location. All remediation equipment has been removed from this location.
4. The Stores and Gas Stations contain floor tile and floor tile adhesive that is required to be treated as "asbestos-containing material" ("ACM") or "presumed asbestos-containing material" ("PACM") under the OSHA asbestos standard at 29 C.F.R. § 1910.1001.

**Schedule 3.6**  
**Court Orders; Litigation**

1. Jitney has received a notice of infringement of five patents owned by the Lemelson Medical Education and Research Foundation, L.P., which relate to automatic identification technology. These patents allegedly cover bar-code based methods and systems used in inventory, warehousing, distribution and point of sale transactions.
2. A Department of Labor required self audit of all stores in the company related to associates under the age of 18 using hazardous equipment, certain scheduling violations involving 14 and 15 year old associates and the classification of certain managers as exempt employees. Back wages were assessed and an agreement was reached with the DOL requiring the effected managers to be made non-exempt employees in all stores. The self audit is complete and the back wage payments and proof of payment are due before the Closing Date.
3. The owner of property adjacent to Store #17 contacted Sellers at some time in the past regarding what she considered an unacceptable level of noise coming from the roof of Store #17. Sellers later received a letter from her attorney, Holmes & Holmes of Yazoo City, MS, requesting Sellers take action to remedy the situation. Sellers built a sound barrier on the roof of the building. At a later meeting, the property owner requested further action though some improvement was noticed. Sellers increased the length of the wall and added additional insulation to the wall. The owner acknowledged further improvement yet asked for additional work to be done. The owner was informed that the store was on the first priority list for remodel when Sellers emerge from bankruptcy and the problem could possibly be addressed at that time. Sellers received another letter from her attorney, dated August 2, 2000, requesting further action to eliminate the problem or face further legal action. The letter also stated that we had provided no improvement with our previous actions.
4. Sellers currently have three open complaints from the Mississippi Department of Agriculture and Commerce related to certain repeat violations of the U.S. Food Code at Stores no. 41, 67 and 75. These violations include failure to comply with certain food storage, system maintenance and pest control regulations. The Company has responded in writing to two of the complaints and intends to submit its response on the third shortly. The basis of each response is, or will be, that the Company has commenced to cure or has cured each of the listed violations. Generally, upon the Department's determination that such violations have been corrected the complaint is closed.

RE: Store # \_\_\_\_\_, \_\_\_\_\_

Ladies and Gentlemen:

**The undersigned Landlord has been asked to execute this Landlord's Estoppel & Consent Certificate as an inducement for the addressees above to enter into an Assignment and Assumption of Lease regarding the Store number referenced above (the "Assignment Agreement"). This is to confirm that Landlord hereby acknowledges that \_\_\_\_\_ ("Assignor") shall assign or may assign its interests under the Lease to Winn-Dixie Stores, Inc. or its designated subsidiary ("Assignee"). The undersigned acknowledges that Assignee's willingness to enter into the Assignment Agreement is based, in part, on the reliance by Assignee on the truth and accuracy of the statements made herein and Landlord understands and agrees that Assignor and Assignee will and shall be entitled to rely upon this Landlord's Estoppel & Consent Certificate. Landlord hereby represents, warrants and certifies to Assignor and Assignee as follows:**

(EA) **Lease and Tenant:** The present tenant under the lease, a true, correct and complete copy of which is attached hereto as Exhibit "A", (the "Lease") is the above-named Assignor. The Lease is in full force and effect and has not, except as specifically stated in Exhibit "A", been modified, amended or changed in any manner whatsoever. The Lease constitutes the entire agreement between the parties with respect to the Premises. There are no disputes, oral agreements or forbearance agreements in effect as to the Lease.

(EB) **Capitalized Terms:** Any capitalized terms which are not otherwise defined herein shall have the meaning set forth in the Lease.

- (EC) Term: Termination date of the Lease is \_\_\_\_\_, and there are \_\_\_\_\_ options, each for \_\_\_\_\_ years, to extend the term of the Lease.
- (ED) Rent: The current monthly base rent under the Lease is \$\_\_\_\_\_, the current monthly common area maintenance fees are \$\_\_\_\_\_, the current monthly insurance premium is \$\_\_\_\_\_, the current monthly sales tax is \$\_\_\_\_\_. Monthly rent and all other payments owed by Assignor to Landlord under the Lease are paid through \_\_\_\_\_.
- (EE) Default by Assignor: Other than Assignor's filing of a voluntary petition for relief under Chapter 11 of the Bankruptcy Code, Landlord has no actual knowledge of: (a) any default by Assignor under any of the terms, covenants or conditions of the Lease on the part of Assignor to be observed or performed, (b) any event which has occurred and which with the passage of time or the giving of notice, or both, would constitute a default by Assignor under the Lease or would permit termination, modification or acceleration under the Lease, and (c) any construction related obligation under the Lease which required either the performance or payment of money which Assignor failed to fulfill.
- (EF) Default by Landlord. Landlord has: (a) committed no default, which remains uncured under any of the terms, covenants or conditions of the Lease on the part of Landlord to be observed or performed, and (b) no knowledge of any event which has occurred and which with the passage of time or the giving of notice, or both, would constitute a default by Landlord under the Lease.
- (EG) No Action: Landlord has not commenced, and has no actual knowledge that Assignor has commenced, any action or has given or received any notice for the purpose of terminating the Lease.
- (EH) Consent: Landlord hereby consents to the assignment of Assignor's interest in the Lease by Assignor to Assignee, and agrees that the execution of the Assignment Agreement by Assignor and Assignee will not constitute a default under the Lease.
- (EI) This Landlord's Estoppel and Consent shall be binding upon Landlord and inure to the benefit of the Assignor and Assignee hereto and their respective heirs, representatives, successors, and assigns.
- (EJ) This Landlord's Estoppel and Consent is made and entered into under, and shall be construed according to the laws of the State in which the leased premises is located.

**SUBORDINATION, NONDISTURBANCE,  
AND ATTORNMENT AGREEMENT**

**THIS SUBORDINATION, NONDISTURBANCE, AND ATTORNMENT AGREEMENT** (this "Agreement"), is made this \_\_\_\_\_, 200\_\_ between \_\_\_\_\_, a \_\_\_\_\_, whose address is \_\_\_\_\_ (together with its successors, assigns, "Lender") and \_\_\_\_\_, a \_\_\_\_\_, whose address is \_\_\_\_\_ (together with its successors and assigns, "Tenant");

**RECITALS:**

A. Lender has made a loan to \_\_\_\_\_, a \_\_\_\_\_ ("Landlord"), secured by a mortgage, deed of trust, security deed, or other financing instrument recorded in Book \_\_\_\_\_, Page \_\_\_\_\_ of the public records of \_\_\_\_\_ County, \_\_\_\_\_ (together with any modifications, consolidations, extensions, replacements, or renewals thereof, the "Mortgage"), encumbering the real estate known as \_\_\_\_\_ shopping center at the intersection of \_\_\_\_\_ and \_\_\_\_\_, in the City of \_\_\_\_\_, County of \_\_\_\_\_, State of \_\_\_\_\_, and more particularly described in the Mortgage and on Exhibit "A" attached hereto and incorporated herein (the "Shopping Center"); and

B. By Lease dated \_\_\_\_\_, 19\_\_\_\_ (as amended by \_\_\_\_\_ and as otherwise to be amended from time to time, the "Lease"), a memorandum of which is recorded in Book \_\_\_\_\_, Page \_\_\_\_\_ of the public records of \_\_\_\_\_ County, \_\_\_\_\_, Landlord did lease unto Tenant those certain premises which constitute a portion of the Shopping Center and are more particularly described in the Lease (the "Premises"); and

C. Tenant has agreed to assign all of its right, title and interest in and to the Lease to Winn-Dixie Stores, Inc. or its designated subsidiary ("Winn-Dixie"); and

D. Lender, Tenant and Winn-Dixie desire that the Lease shall not terminate but rather shall remain in full force and effect in accordance with its terms if the Mortgage is foreclosed or any transfer of the Premises is made in lieu thereof.

**NOW THEREFORE**, for valuable consideration the receipt and sufficiency of which are hereby acknowledged, Lender and Tenant agree as follows:

1. The Recitals set forth above are true and correct and incorporated herein by reference.

2. Provided Tenant is not in material default under the terms of the Lease, then in the course of or following any exercise of any remedy under the Mortgage, any foreclosure sale of the Shopping Center or the Premises, or any transfer of the Shopping Center or the Premises thereafter or in lieu of foreclosure (together with any similar events, a "Foreclosure Event"):

(a) The right of possession of Tenant to the Premises and Tenant's rights arising out of the Lease shall not be affected or disturbed by Lender.

(b) Tenant shall not be named as a party defendant unless required by law.

(c) The Lease shall not be terminated or affected by any Foreclosure Event.

3. Following a Foreclosure Event, Tenant shall attorn to Lender as its new landlord and the Lease shall continue in full force and effect as a direct lease between Tenant and Lender. Notwithstanding the foregoing, Lender shall not be:

(a) liable for any act or omission of any prior landlord (including Landlord), unless such action was taken at the direction of or with the approval of Lender; or

(b) subject to any offsets or defenses which Tenant might have against any prior landlord (including Landlord) except those which arose out of such landlord's default under the Lease and accrued after Tenant has notified Lender and given Lender an opportunity to cure as provided in the Lease; or

(c) bound by any rent Tenant paid for more than the then current month to any prior landlord (including Landlord); or

(d) bound by any modification of the Lease made after the date hereof without

Lender's consent if such modification reduces rent, accelerates rent payment, shortens the original term, or changes any renewal option of the Lease.

4. Following a Foreclosure Event, Lender promptly shall give notice thereof to Tenant, stating its current address and providing evidence of Lender's title to the Premises.

5. The Lease is subject and subordinate to the lien of the Mortgage and to all advances made or to be made thereunder. Notwithstanding the foregoing, subordination of the Lease to the Mortgage should not be construed to constitute Tenant's consent or agreement to any term, condition, or provision of the Mortgage or any related loan document which is inconsistent with or purports to modify, alter, or amend the Lease.

6. The foregoing provisions shall be self-operative and effective without the execution of any further instrument on the part of either party hereto. However, Tenant agrees to execute and deliver to Lender such other instrument as Lender shall reasonably request to evidence such provisions.

7. Tenant agrees it will not, without the prior written consent of Lender (i) modify the Lease or any extensions or renewals thereof in such a way as to reduce rent, accelerate rent payment, shorten the original term, or change any renewal option; (ii) terminate the Lease, except as provided by its terms; (iii) tender or accept a surrender of the Lease or make a prepayment in excess of one (1) month of any rent thereunder; or (iv) subordinate or knowingly permit subordination of the Lease to any lien subordinate to the Mortgage, except for those liens that are superior to the Mortgage by law, if any. Any such purported action without such consent shall be void as against Lender.

8. Tenant agrees to give Lender a copy of any notice of default under the Lease served by Tenant upon Landlord. Lender shall be entitled to the same cure periods as Landlord under the Lease.

9. If Lender, or its assignee, obtains Landlord's interest in the Shopping Center, Lender agrees to promptly provide or cause to be provided to Tenant (a) a copy of a current marked title commitment or title policy showing any new landlord as the owner thereof, (b) a W-9 form or its equivalent setting forth the name and tax identification number of the party collecting rent, signed by an authorized person, (c) a letter of instruction on the letterhead of Landlord (or new landlord in the case of a sale or other transfer) stating (i) the name, address, phone number, and contact person of the entity collecting rent under the Lease, and (ii) the names, addresses, and telecopy numbers of all persons to be provided notices from Tenant under the Lease, (collectively, the "Transfer Requirements") and/or (d) such other information as Tenant may reasonably require. Following receipt of the foregoing, as of the date of any such transfer, the transferring landlord shall be released from any obligations accruing after the date of the transfer except as otherwise expressly provided in the Lease. The Transfer Requirements must be met to ensure that Tenant is paying rent to the proper, entitled party and Tenant shall have the right to temporarily withhold rent in trust pending receipt of Transfer Requirements.

10. If Lender enforces any right under the Mortgage to collect rent under the Lease without obtaining title to the Shopping Center or the Premises, then Lender shall provide to

Tenant a W-9 form or its equivalent setting forth its proper name and tax identification number, signed by an authorized person, and/or such other information as Tenant may reasonably require (collectively, the "Tax Data"). The Tax Data must be obtained by Tenant to ensure that Tenant is paying rent to the proper, entitled party and Tenant shall have the right to temporarily withhold rent in trust pending receipt of the Tax Data.

11. This Agreement shall be for the benefit of Lender, Tenant and Winn-Dixie and their respective successors and assigns.

**IN WITNESS WHEREOF**, Lender and Tenant have executed this Agreement the day and year first above written.

In the event the Real Estate Closing occurs, the Seller and the Buyer shall deliver to the Escrow Agent a joint written direction, in the form of Exhibit B attached hereto, and the Escrow Agent shall: (i) distribute the Seller's Deposits and the Buyer's Deposits pursuant to such joint written direction; (ii) promptly record the memoranda of the Assignments and Assumptions of Lease and Special Warranty Deeds in the appropriate public records; and (iii) promptly issue and deliver to the Buyer and/or its Designated Subsidiaries a Leasehold (or Owner's, as applicable) Title Insurance Policy insuring the Buyer's and/or its Designated Subsidiaries' leasehold interests (or fee simple interests, as applicable) based upon the pro-forma title insurance policies set forth as Exhibit C attached hereto (collectively, the "Pro Forma Policy") (said policies to have effective dates on the date of recording of the memoranda of Assignments and Assumptions of Lease and the Special Warranty Deeds).

B. In the event the Real Estate Closing does not occur on or before \_\_\_\_\_, 2001, and the Escrow Agent has not theretofore received a joint written direction from the Seller and the Buyer, the Escrow Agent will return the Seller's Deposits to the Seller and the Buyer's Deposits to the Buyer.

3. Conditions to Escrow. The Escrow Agent agrees to hold the Escrowed Documents and to perform in accordance with the terms and provisions of this Agreement. The Seller and the Buyer agree that the Escrow Agent does not assume any responsibility for the failure of the Seller or the Buyer to perform in accordance with this Agreement. The acceptance by the Escrow Agent of its responsibilities hereunder is subject to the following terms and conditions which the parties hereto agree shall govern and control with respect to the Escrow Agent's rights, duties, liabilities and immunities:

A. The Escrow Agent shall be protected in acting upon any written notice, request, waiver, consent, receipt or other paper or document furnished to it, not only as to its due execution and validity and effectiveness of its provisions but also as to the truth and accuracy of any information therein contained, which the Escrow Agent reasonably and in good faith believes to be genuine and what it purports to be.

B. The Escrow Agent shall not be liable for any error of judgment or for any act done or step taken or omitted by it in good faith, or for any mistake of fact or law, or for anything which it may do or refrain from doing in connection herewith, except for its own negligence, recklessness or willful misconduct.

C. The Escrow Agent may consult with, and obtain advice from, legal counsel in the event of any question as to any of the provisions hereof or the duties hereunder, and it shall incur no liability and shall be fully protected in acting in good faith in accordance with the opinion and instructions of such counsel. The reasonable

costs of such counsel's services shall be paid to the Escrow Agent in accordance with Section 7 hereof.

- D. The Escrow Agent shall have no duties except those which are expressly set forth herein and it shall not be bound by the Purchase Agreement or any agreement of the parties hereto (whether or not it has any knowledge thereof) or by any notice of a claim, or demand with respect thereto, or any waiver, modification, amendment, termination or rescission of this Agreement until received by the Escrow Agent.
- E. The Escrow Agent reserves the right to resign at any time by giving written notice of resignation, specifying the effective date thereof, which date shall not be less than thirty (30) days following such notice, and remitting any unearned portion of any fee received by Escrow Agent under Section 7 hereof. Within twenty (20) days after receiving the aforesaid notice, the parties to this Agreement agree to appoint a mutually acceptable successor Escrow Agent to which the Escrow Agent may distribute the property then held hereunder, less the Escrow Agent's reasonable fees, costs and expenses. The Escrow Agent shall continue to serve until its successor accepts the escrow. The parties may agree at any time to substitute a new escrow agent by giving notice thereof to the Escrow Agent then acting. If a successor Escrow Agent has not been appointed and has not accepted such appointment by the end of the twenty (20) day period, the Escrow Agent may apply to the Court for the appointment of a successor Escrow Agent, and the reasonable costs, expenses and reasonable attorneys' fees which are incurred in connection with such a proceeding shall be paid in the same manner as fees, costs and expenses under Section 7 hereof.
- F. Upon disbursement of all of the Escrowed Documents pursuant to the terms of Section 2 hereof or to a successor escrow agent, the Escrow Agent shall thereafter be discharged from any further obligations hereunder. The Escrow Agent is hereby authorized, in any and all events, to comply with and obey any and all final orders of any court of competent jurisdiction which may be issued and, if it shall so comply or obey, it shall not be liable to any other person by reason of such compliance or obedience.
- G. In case the Escrow Agent becomes involved in litigation on account of the Escrowed Documents or of this Agreement, it shall have the right to retain counsel, and the parties hereto agree to pay to the Escrow Agent on demand (in the same manner as fees, costs and expenses under Section 7 hereof), its reasonable charges, counsel and attorneys' fees, disbursements, and expenses in connection with such litigation.
- H. In the event that the Escrow Agent should at any time be confronted with inconsistent claims or demands by either Party hereto, the Escrow Agent shall have the right, upon written notice to the parties, to interplead the parties in any court of competent jurisdiction and request that such court determine such respective rights of the parties with respect to this Agreement and, upon doing so

and depositing the Escrowed Documents with the court, the Escrow Agent automatically shall be released from any obligations or liability as a consequence of any such claims or demands.

- I. In the event that the Escrow Agent should at any time be confronted with an order pursuant to 11 U.S.C. Section 101 et seq. (the "Bankruptcy Code"), or any other similar federal or state statute of any court of competent jurisdiction, it may comply with said order and shall not incur any obligations or liabilities to the parties hereto as a consequence.
4. Indemnification. The Seller and the Buyer agree to indemnify the Escrow Agent and hold it harmless against any and all liabilities incurred by it hereunder except for liabilities incurred by the Escrow Agent resulting from its own willful misconduct or negligence.
5. Settlement of Disputes. Any dispute which may arise under this Agreement with respect to (i) the delivery, ownership and/or right of possession of the Escrowed Documents or any portion thereof, and (ii) any other questions arising under this Agreement, shall be settled either by mutual agreement of the parties (evidenced by appropriate instructions in writing to the Escrow Agent signed by the Seller, the Buyer and the Escrow Agent) or by a final order of the Court. The Escrow Agent shall be under no duty to institute or defend any such proceedings and none of the costs and expenses of any such proceedings shall be borne by the Escrow Agent.
6. Banking Days. If any date on which the Escrow Agent is required to make an investment or a delivery pursuant to the provisions hereof is not a banking day, then the Escrow Agent shall make such investment or delivery on the next succeeding banking day.
7. Escrow Costs. For its services required hereunder, the Escrow Agent shall be paid a fee in the amount of \$1,500.00 at the first Real Estate Closing representing the total fee due to the Escrow Agent for all of the Real Estate Closings contemplated under the Purchase Agreement. In addition, the Escrow Agent shall be entitled to be reimbursed for its reasonable costs and expenses hereunder, which fees, costs and expenses shall be borne equally by the Seller and the Buyer.
8. Notices. All notices, and other communications to be given or delivered under or by reasons of the provisions of this Agreement will be in writing and will be deemed to have been given when personally delivered or received by certified mail, return receipt requested, or guaranteed overnight courier service, or telecopied (with confirmation of receipt and hard copy to follow by the means previously set forth in this sentence) to the recipient at the address or telecopy number, as below indicated:

- A. The Escrow Agent shall be protected in acting upon any written notice, request, waiver, consent, receipt or other paper or document furnished to it, not only as to its due execution and validity and effectiveness of its provisions but also as to the truth and accuracy of any information therein contained, which the Escrow Agent reasonably and in good faith believes to be genuine and what it purports to be.
- B. WHEREAS, pursuant to that certain Agreement for the Purchase and Sale of Retail Grocery Stores dated as of \_\_\_\_\_, 2000 by and between Licensor on the one hand and Interstate Jitney Jungle Stores, Inc., Pump and Save, Inc., P&S Operations, Inc., Supermarket Cigarette Sales, Inc., Jitney-Jungle Stores of America, Inc., Delchamps, Inc. and Southern Jitney Jungle Company, Inc. on the other hand (collectively "Sellers") (the "Purchase Agreement"), Sellers have agreed to sell to Licensor the Property as defined and specified in the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, Licensor has received from Licensee its entire right, title and interest in and to the Trademarks (as defined below);

WHEREAS, Licensee desires to use the Trademarks in connection with the Business (as defined below) for a limited period of time in order to effectuate an orderly transition of the Business; and

WHEREAS, in connection with the consummation of the transactions contemplated by the Purchase Agreement, Licensee desires to acquire from Licensor and Licensor desires to grant to the Licensee, a one-year, non-exclusive license to use the Trademarks in connection with the Business (as defined below) as the Trademarks were used on the Closing Date (as defined in the Purchase Agreement) pursuant to the terms and conditions provided herein.

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

**ARTICLE 1 -- DEFINITIONS**

1.1 Capitalized terms used herein and not otherwise defined herein shall have the same meaning ascribed to them in the Purchase Agreement.

1.2 "Business" is defined in section 2.1.

1.3 "Indemnified Parties" is defined in Section 5.2.

1.4 "Term" shall mean the term provided for in Section 4.1.

1.5 "Territory" shall mean the United States or the particular State in which an applicable trademark is registered as specified in Schedule A attached hereto.

1.6 "Trademarks" shall mean the trademark registrations set forth on Schedule A attached hereto, and any other applications or registrations exclusively related to the trademarks with respect to which the Licensor has acquired any rights throughout the Territory.

## ARTICLE 2 -- LICENSE GRANT

2.1 Grant. Subject to the terms and conditions of this Agreement, Licensor hereby grants to Licensee, to the extent of Licensor's rights therein, a one year non-exclusive, royalty-free license to use the Trademarks exclusively in connection with the operation of **[INSERT DESCRIPTION OF BUSINESS OF PARTICULAR LICENSEE - JITNEY, PUMP AND SAVE OR DELCHAMPS]**, at **[ADDRESSES]** as the Trademarks were used immediately prior to the Closing Date (the "Business").

### 2.2 Limitation of Rights.

(a) Licensee shall have no right to authorize others to use, and Licensee agrees not to authorize others to so use, any trademark or service mark that is the same or confusingly similar to the Trademarks anywhere in the Territory.

(b) Licensee shall not sublicense this Agreement or any of the rights granted under this Agreement to any other Person, except to an Affiliate. Any attempt to effect a sublicense to any other Person except to an Affiliate is and shall be null and void. Licensee further acknowledges and agrees that such sublicense, transfer or assignment would cause irreparable harm and injury to Licensee, the remedy for which would include injunctive relief.

(c) Licensee shall utilize the Trademarks only in the manner in which they appear as set forth on Schedule A hereto.

(d) Licensee shall not utilize the trademarks in a manner that harms the good reputation enjoyed by Licensor or any of its affiliates. Without limiting the generality of the foregoing, Licensee shall utilize the Trademarks, and shall operate the Business, and shall market and sell the products utilizing the Trademarks, at all times in compliance in all material respects with all applicable laws, rules and regulations.

(e) When one of the Trademarks is used by Licensee as a Trademark, it shall be accompanied by an ® or ™, as appropriate, on the right hand corner of the Trademark when reasonably practicable to include such symbol (but at least once per document where the Trademark is first conspicuously and prominently used).

2.3 Reservation of Rights. This Agreement contains no grants of rights in or to any other trademark of Licensor. The use of the Trademarks by Licensee and the goodwill associated therewith shall enure solely to the benefit of the Licensor.

## ARTICLE 3 -- QUALITY CONTROL AND USE

3.1 Quality Standards. Licensee shall maintain quality standards for all permitted uses of the Trademarks, which shall be equivalent to or stricter than those standards

used or adopted by Licensee in its operation of the business in connection with the Trademarks prior to its assignment of the Trademarks to Licensor pursuant to the Purchase Agreement. Licensee agrees to furnish to Licensor, upon Licensor's reasonable request and at Licensor's expense, representative samples of any tangible materials that actually bear the Trademarks and are publicly used by, or on behalf of, the Licensee in connection with its operation of the Business, so as to enable Licensor to confirm Licensee's compliance with the terms of this Agreement. It is understood and agreed that nothing contained in this Agreement shall limit Licensee's ability to curtail or discontinue the design, manufacture, packaging, advertising, promotion, shipment, use, distribution, offering for sale, sale, and any other provision to others in the Territory by or on behalf of Licensee of any product or of any other goods and services.

3.2 Use of Trademarks by Licensee. All written materials that actually bear the Trademarks and are publicly used by, or on behalf of, the Licensee in connection with its operation of the Business shall indicate that goods and services that use any of the Trademarks are designed, manufactured, packaged, advertised, promoted, shipped, used, distributed, offered for sale, sold, or otherwise provided, as the case may be, by or on behalf of Licensee.

#### ARTICLE 4 -- TERM AND TERMINATION

4.1 Term. This Agreement shall have a term of ninety (90) days commencing on the Effective Date.

4.2 Termination. Licensor shall have the right to terminate this Agreement immediately if (i) Licensee breaches any material term or condition of this Agreement and fails to remedy such breach within thirty (30) days after receipt from Licensor of notice of such breach, or (ii) Licensee or any of its directors or officers has engaged in fraudulent or criminal conduct in connection with the operation of the Business or use of the Trademarks.

4.3 Effect of Termination. Upon expiration or earlier termination of this Agreement for any reason, (i) Licensee shall immediately discontinue all use of the Trademarks and shall not adopt as its trademark any mark confusingly similar to any of the Trademarks, and (ii) no party hereto shall be relieved of any liability for any breach of any provision of this Agreement. The provisions of Section 5.2 shall survive any such termination.

4.4 Maintenance and Protection of the Trademarks.

(a) Licensor, at its own expense, shall have the right but not the obligation to maintain its registrations of the Trademarks and may apply for additional registrations of, or in connection with each of the Trademarks. As between Licensor and Licensee, Licensor shall be the owner of each such application and of any resultant registration, which resultant registration shall be included within the scope of the definition of "Trademarks."

(b) Licensee agrees to give Licensor written notice of any actual or threatened infringement of any of the Trademarks by a third party in the Territory, promptly after information with respect to such infringement or threatened infringement comes to its attention. Licensor shall have the right, but not the obligation, to bring suit or take other action to eliminate such infringement or threatened infringement at its own expense in the name of itself, of Licensee, or of both itself and Licensee. Any damages recovered in any such suit or action shall be solely for the account of Licensor.

## ARTICLE 5 -- MISCELLANEOUS

5.1 DISCLAIMERS; EXCLUSIONS. LICENSEE EXPRESSLY ACKNOWLEDGES THAT THE TRADEMARKS ARE PROVIDED "AS IS" AND WITHOUT ANY WARRANTY WHATSOEVER, INCLUDING, WITHOUT LIMITATION, WARRANTY OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, ALL SUCH WARRANTIES BEING HEREBY EXPRESSLY DISCLAIMED. NEITHER PARTY WILL BE LIABLE FOR ANY SPECIAL, INDIRECT CONSEQUENTIAL, EXEMPLARY OR INCIDENTAL DAMAGES (INCLUDING LOST PROFITS) ARISING FROM ANY CLAIM RELATING TO THIS TRADEMARK LICENSE AGREEMENT OR RESULTING FROM THE USE OF THE TRADEMARKS, WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES.

5.2 Indemnification by Licensee. (a) Licensee agrees to indemnify and hold harmless Licensor and each of its directors, officers, employees, agents, representatives and affiliates (and the directors, officers, employees, agents and representatives of such affiliates) (the "Indemnified Parties") from any and all losses, liabilities, costs, claims, demands, fines, penalties and expenses (including reasonable attorneys' fees and expenses) arising from third party claims against any of the Indemnified Parties based upon: (i) any use of the Trademarks by Licensee (or any permitted assignee); (ii) any claim that the use of the Trademarks by Licensee (or any permitted assignee) infringes a third party's rights; (iii) any breach of this Agreement by Licensee or any permitted assignee; or (iv) any failure of Licensee (or any permitted assignee) to comply with all applicable laws, rules and regulations in connection with its use of the Trademarks or operation of the Business during the term of this Agreement. In the event of a claim that is subject to indemnification under this subparagraph 5.2, Licensor shall notify Licensee of any such claim and Licensee shall defend such claim with counsel selected by Licensee and approved by those of the Indemnified Parties that are the subject of the claim, such approval not to be unreasonably withheld or delayed. The Indemnified Parties that are the subject of the claim shall cooperate and provide all reasonable assistance in connection with the defense thereof, at Licensee's expense. In the event that Licensee does not defend such claim, Licensor shall be entitled to defend and settle such claim at Licensee's cost.

5.3 Notices. Any notice, request, instruction or other document to be given hereunder by any party to the other parties shall be in writing, in English, and delivered, as closely as possible, in accordance with the applicable provisions of the Purchase Agreement.

5.4 Governing Law. This Agreement shall be construed and interpreted, and the rights of the parties determined in accordance with the domestic laws of the State of Mississippi.

5.5 Counterparts. This Agreement may be executed in one or more counterparts and by facsimile transmitted signature, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties hereto.

5.6 Assignment. The Licensor may assign its rights and obligations under this Agreement with advance written notice to Licensee. The Licensee may only assign its rights under this Agreement to an Affiliate, provided that Licensee provided prior written notice of such assignment to Licensor and agrees to remain primarily liable hereunder. Any assignment in violation of this Section shall be null and void.

5.7 Severability. If any one or more provision or part of a provision, covenant or condition contained in this Agreement should be, for any reason, declared, found, judged or held void, invalid, illegal, unenforceable, inapplicable or against public policy in any respect by any court of competent jurisdiction or any other entity competent to determine the validity of such provision, then such provision (i) shall be of no force or effect while such invalidity, illegality, unenforceability or inapplicability shall continue, (ii) such invalidity, illegality or unenforceability shall not affect any other provision or part of a provision of this Agreement or any other agreement between the parties, (iii) this Agreement, as well as all other agreements between the parties, shall remain in full force and effect as if the Agreement had not contained such provision, and (iv) the parties hereby declare that they would have nevertheless entered into a contract containing all the otherwise valid and enforceable provisions.

5.8 No Third Party Beneficiaries. Nothing in this Agreement is intended or shall be construed to give any person, other than the parties hereto, their successors and permitted assigns, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein.

5.9 Relationship of the Parties. This Agreement is not intended to create a relationship of partnership, franchise, joint venture, agency or employment between the parties. Neither party may bind the other party.

5.10 Entire Agreement. This Agreement, together with the Purchase Agreement, represents the entire Agreement between the parties hereto, and supersedes all prior agreements and understandings, whether oral or written, with respect to the subject matter hereof.
