NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO AGENT (AS DEFINED BELOW) PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY AGENT HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE TCO INTERCREDITOR AGREEMENT, DATED AS OF APRIL 27, 2012 (AS AMENDED, RESTATED, SUPPLEMENTED OR OTHERWISE MODIFIED FROM TIME TO TIME, THE "TCO INTERCREDITOR AGREEMENT"), AMONG TCO, GENERAL ELECTRIC CAPITAL CORPORATION, AS "FIRST LIEN ADMINISTRATIVE AGENT," AND AGENT, AS "SECOND LIEN AGENT," AND CERTAIN OTHER PERSONS PARTY OR THAT MAY BECOME PARTY THERETO FROM TIME TO TIME. IN THE EVENT OF ANY CONFLICT BETWEEN THE TERMS OF THE TCO INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE TERMS OF THE TCO INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

SECOND LIEN COLLATERAL ASSIGNMENT OF INTELLECTUAL PROPERTY SECURITY

This SECOND LIEN COLLATERAL ASSIGNMENT OF INTELLECTUAL PROPERTY SECURITY, dated as of April 27, 2012, (as amended, restated, supplemented or otherwise modified from time to time, this "Intellectual Property Collateral Assignment"), is made by **TCO FUNDING CORP.** ("TCO" or, the "Assignor") in favor of **AMERICAN CAPITAL, LTD.**, a Delaware corporation (successor by merger to American Capital Financial Services, Inc.), as agent (in such capacity and together with its successors, the "Agent" or, the "Assignee") for the banks and other financial institutions or entities (the "Purchasers") from time to time party to that certain Third Amended and Restated Note Purchase Agreement, dated as of the date hereof, (as amended, restated, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), among TCO, as borrower, the Purchasers party thereto, and Agent.

WHEREAS, it is a condition precedent to the obligation of the Purchasers to purchase the notes of TCO under the Note Purchase Agreement that TCO shall have granted a security interest in all of its assets to the Agent for the benefit of the Secured Parties and TCO has executed and delivered the Second Lien Collateral Agreement, dated as of October 31, 2005, in favor of the Agent (as amended, restated, supplemented, replaced or otherwise modified from time to time, the "Collateral Agreement");

WHEREAS, certain of the assets of TCO consist of (i) a security interest granted to TCO under the After-Acquired Intellectual Property Security Agreement (First Supplemental Filing), dated as January 7, 2008, by Geopier Foundation Company, Inc., as Grantor, in favor of TCO for the benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified from time to time, the "First After-Acquired Intellectual Property Security Agreement"), (ii) a security interest granted to TCO under the Second Lien After-Acquired Intellectual Property Security Agreement (Second Supplemental Filing), dated as December 29, 2010, by Tensar Corporation (f/k/a Tensar Holdings, Inc.) ("Tensar Holdings"), Tensar Holdings

Corporation (f/k/a The Tensar Corporation, and predecessor to Tensar Holdings, LLC) (“Holdings”), Tensar Corporation, LLC (f/k/a The Tensar Corporation, LLC) (“Tensar”), and the other signatories party thereto, as Grantors, in favor of TCO for the benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified from time to time, the “Second After-Acquired Intellectual Property Security Agreement”), (iii) a security interest granted to TCO under the Second Lien After-Acquired Intellectual Property Security Agreement (Third Supplemental Filing), dated as of the date hereof, by Tensar Holdings, Holdings, Tensar, and the other signatories party thereto, as Grantors, in favor of TCO for the benefit of the Secured Parties (as amended, restated, supplemented or otherwise modified from time to time, the “Third After-Acquired Intellectual Property Security Agreement”), and (iv) a security interest granted to TCO under any additional second lien “after-acquired” intellectual property security agreements executed in favor of TCO after the date hereof (such security agreements, as amended, restated, supplemented or otherwise modified from time to time, the “Additional After-Acquired Intellectual Property Security Agreements”) (the security interests granted in items (i), (ii), (iii), and (iv) collectively, the “Tensar Intellectual Property Security Interest”); and

WHEREAS, to evidence the collateral assignment of the Tensar Intellectual Property Security Interest to the Agent for the benefit of the Secured Parties. TCO has agreed to execute this Intellectual Property Collateral Assignment for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement, and, if not therein defined, in the Note Purchase Agreement.

SECTION 2. Grant of Security. TCO hereby collaterally assigns, grants and pledges to the Agent for the benefit of the Secured Parties a first priority (subject to Section 6 hereof) security interest in all of TCO’s right, title and interest in and to the Tensar Intellectual Property Security Interest as evidenced by the First After-Acquired Intellectual Property Security Agreement, the Second After-Acquired Intellectual Property Security Agreement, the Third After-Acquired Intellectual Property Security Agreement, and the Additional After-Acquired Intellectual Property Security Agreements, if any, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of TCO’s Obligations.

SECTION 3. Recordation. TCO authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Collateral Assignment.

SECTION 4. Execution in Counterparts. This Intellectual Property Collateral Assignment may be executed in any number of counterparts (including by fax or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Governing Law. This Intellectual Property Collateral Assignment shall be governed by, and construed and interpreted in accordance with, the law of the State of New York, except for its rules relating to the conflict of laws principles (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law).

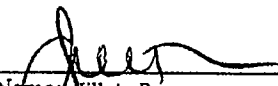

SECTION 6. Conflict Provision. This Intellectual Property Collateral Assignment has been entered into in conjunction with the provisions of the Collateral Agreement, the TCO Intercreditor Agreement and the Note Purchase Agreement. The rights and remedies of each party hereto with respect to the collateral assignment granted herein are without prejudice to, and are in addition to those set forth in the Collateral Agreement, the TCO Intercreditor Agreement and the Note Purchase Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Collateral Assignment are in conflict with the Collateral Agreement or the Note Purchase Agreement, the provisions of the TCO Intercreditor Agreement shall govern.

**AFTER-ACQUIRED
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

(FIRST SUPPLEMENTAL FILING)

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (FIRST SUPPLEMENTAL FILING), dated as of January 7, 2008, as amended, supplemented or otherwise modified from time to time, this "First Supplemental Intellectual Property Security Agreement", is made by Geopier Foundation Company, Inc. hereto (the "Grantor") in favor of TCO Funding Corp. ("TCO") for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below).

WHEREAS, Tensar, TCO, Arcapita Investment Funding Limited, as agent for TCO, and AIA Limited, as Agent for Tensar, have entered into a Murabaha Facility Agreement, dated as of October 31, 2005 (as amended, supplemented or otherwise modified from time to time, the "Commodities Purchase Agreement");

WHEREAS, in connection with the Commodities Purchase Agreement, Holdings and certain of its Subsidiaries have entered into the Second Lien Guarantee and Collateral Agreement, dated as of October 31, 2005 (as amended, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement") in favor of TCO for the ratable benefit of the Secured Parties;

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantor has granted a security interest in certain Collateral, including, without limitation, certain Intellectual Property, including but not limited to After-Acquired Intellectual Property of the Grantor to TCO for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this First Supplemental Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities;

WHEREAS, the Intellectual Property Security Agreement was recorded against certain United States Intellectual Property at Reel 016814/Frame 0482 with regard to patents, Reel 003193/Frame 0160 with regard to trademarks, and Volume 3533/Document 157 with regard to Copyrights;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to TCO for the ratable benefit of the Secured Parties a security interest in and to all of the Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification,

trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, including but not limited to copyrights in software and databases, all Mask Works (as defined in 17 U.S.C. 901 of the Copyright Act) and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, mask works registrations and mask works applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under-all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto ("Copyrights");

(d) (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or

future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the "Trade Secrets");

(e) (i) all licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by, a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, print, publish, copy, import, export, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto; and

(f) any and all proceeds of the foregoing.

SECTION 2. Recordation. The Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this First Supplemental Intellectual Property Security Agreement.

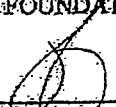

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This First Supplemental Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 5. Conflict Provision. This First Supplemental Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement and the other Commodities Purchase Facility Documents (as defined in the Guarantee and Collateral Agreement). The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Guarantee and Collateral Agreement and the other Commodities Purchase Facility Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Guarantee and Collateral Agreement or the other Commodities Purchase Facility Documents, the provisions of the Guarantee and Collateral Agreement or the other Commodities Purchase Facility Documents shall govern.

IN WITNESS WHEREOF, the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.

SECOND LIEN AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY AGREEMENT

(THIRD SUPPLEMENTAL FILING)

This SECOND LIEN AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY AGREEMENT (THIRD SUPPLEMENTAL FILING), dated as of April 27, 2012 (as amended, restated, supplemented or otherwise modified from time to time, this "Intellectual Property Security Agreement"), is made by each of the signatories hereto (collectively, the "Grantors") in favor of TCO Funding Corp. (together with its permitted assignees, "TCO"), for the benefit of the Secured Parties (used herein as defined in the Second Lien Guarantee and Collateral Agreement referred to below).

WHEREAS, Tensar Corporation, LLC (formerly known as The Tensar Corporation, LLC), a Georgia limited liability company ("Tensar"), Tensar Corporation, a Delaware corporation (formerly known as Tensar Holdings, Inc.) ("Tensar Holdings"), the other Tensar Parties named therein as parties thereto, TCO, Arcapita Investment Funding Limited, a Cayman Islands limited liability company, AIA Limited, a Cayman Islands limited liability company, and American Capital, Ltd., a Delaware corporation (successor by merger to American Capital Financial Services, Inc.), have entered into that certain Second Amended and Restated Murabaha Facility Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Second Lien Commodities Purchase Agreement"; unless otherwise indicated, all undefined capitalized terms used herein shall have the meaning given to such terms in the Second Lien Commodities Purchase Agreement);

WHEREAS, in connection with the Second Lien Commodities Purchase Agreement, Tensar Holdings, and certain of its Subsidiaries entered into that certain Second Lien Guarantee and Collateral Agreement, dated as of October 31, 2005 (as amended, restated, supplemented or

otherwise modified from time to time, the "Second Lien Guarantee and Collateral Agreement") in favor of TCO for the benefit of the Secured Parties; and

WHEREAS, the Grantors have acquired additional Intellectual Property (used herein as defined in the Second Lien Guarantee and Collateral Agreement) and desire to grant a security interest in such additional Intellectual Property under the Second Lien Guarantee and Collateral Agreement in favor of TCO for the benefit of the Secured Parties, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to TCO, for the benefit of the Secured Parties, a security interest in and to all of such Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringement, misappropriation, dilution, violation, or other impairment thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringement, misappropriation, dilution, violation, or other impairment thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringement, violation, or other impairment thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringement, violation, or other impairment thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon

and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, including, but not limited to copyrights in software and databases all Mask Works (as defined in 17 U.S.C. 901 of the Copyright Act) and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, mask works and mask work applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringement, misappropriation, violation, or other impairment thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringement, misappropriation, violation, or other impairment thereof), and (v) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Copyrights");

(d) (i) all trade secrets and all confidential and proprietary information, including know-how, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future misappropriation, violation, or other impairment thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future misappropriation, violation, or other impairment thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto (collectively, the "Trade Secrets");

(e) (i) all licenses or agreements, whether written or oral, providing for the grant by or to such Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or

future infringement, misappropriation, dilution, violation, or other impairment thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto; and

(f) any and all proceeds of the foregoing.

SECTION 2. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by facsimile or other electronic transmission), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York, except for its rules relating to the conflict of laws principles (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law).

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Second Lien Guarantee and Collateral Agreement and the other Second Lien Commodities Purchase Facility Documents (used herein as defined in the Second Lien Guarantee and Collateral Agreement). The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Second Lien Guarantee and Collateral Agreement and the other Second Lien Commodities Purchase Facility Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Second Lien Guarantee and Collateral Agreement or the other Second Lien Commodities Purchase Facility Documents, the provisions of the Second Lien Guarantee and Collateral Agreement or the other Second Lien Commodities Purchase Facility Documents shall govern, except as provided in Section 6 herein.

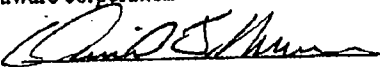

SECTION 6. Subordination. Notwithstanding anything herein to the contrary, the lien and security interest granted to TCO pursuant to this Intellectual Property Security Agreement and the exercise of any right or remedy by TCO hereunder are subject to the provisions of the Tensar Intercreditor Agreement (as defined in the Second Lien Guarantee and Collateral Agreement). In the event of any conflict between the terms of the Tensar Intercreditor Agreement and this Intellectual Property Security Agreement, the terms of the Tensar Intercreditor Agreement shall govern and control.

[Remainder of page intentionally blank; signature page follows]

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first written above.
