INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement ("IP Assignment"), dated as of January 1, 2011, is made by Evonik Degussa Corporation, an Alabama corporation ("EDC") in favor of Colortrend USA LLC, a Delaware limited liability company ("Colortrend").

WHEREAS, EDC and Colortrend are parties to that certain Contribution Agreement dated of even date herewith;

WHEREAS, pursuant to the Contribution Agreement, EDC will contribute, and Colortrend will accept and assume, all of EDC's right, title and interest in and to the assets, including but not limited to certain intellectual property of EDC, with respect to EDC's colorant products and business line (collectively, the "Assets") and any and all liabilities associated therewith; and

WHEREAS, EDC has agreed to execute and deliver this IP Assignment, for recording with national, federal and state government authorities including, but not limited to, with respect to individual patents, registered trademarks and copyrights, applications for the foregoing and exclusive copyright licenses, the US Patent and Trademark Office and the US Copyright Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, EDC agrees as follows:

1. Assignment. EDC hereby conveys, transfers and assigns to Colortrend all of EDC's right, title and interest in and to the following intellectual property assets (the "IP Assets"):

(a) the patents and patent applications set forth in Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, re-examinations and renewals thereof (the "Patents");

(b) the trademark registrations and applications set forth in Schedule 2 hereto, together with the goodwill symbolized thereby and all issuances, extensions and renewals thereof (the "Trademarks"); provided that, with respect to only United States intent-to-use trademark applications and solely to the extent and during the period that the assignment thereof would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications, the transfer of such applications hereunder shall not be effective until after such period has expired;

(c) the copyright registrations, applications for registration and exclusive copyright licenses set forth in Schedule 3 hereto and all issuances, extensions and renewals thereof (the "Copyrights");

(d) trade secrets and any other intellectual property rights related to the Assets;

(e) all rights of any kind whatsoever of EDC accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(f) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(g) any and all claims, with respect to any of the foregoing, for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. EDC authorizes the Commissioner for Patents, the Commissioner for Trademarks and the Register of Copyrights and any other national, federal and state government officials to record and register this IP Assignment upon request by Colortrend.

3. Terms of the Contribution Agreement. The terms of the Contribution Agreement, including, but not limited to, the representations, warranties, covenants and agreements relating to the Assets are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants and agreements contained in the Contribution Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Contribution Agreement and the terms hereof, the terms of the Contribution Agreement shall govern.

4. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

5. Governing Law. This IP Assignment shall be governed by the laws of the State of New Jersey.

IN WITNESS WHEREOF, EDC has duly executed and delivered this IP Assignment as of the date first above written.
