If the Company does not have an organizational identification number and later obtains one, the Company shall forthwith notify the Secured Parties of such organizational identification number.

(c) Without providing at least thirty (30) days prior written notice to the Secured Parties, the Company shall not (i) change its place of business or (if it has more than one place of business) its chief executive office or its mailing address; or (ii) remove the Collateral from the locations listed on the Perfection Certificate to be delivered by the Company.

(d) The Company will, from time to time, at its expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement or other paper and take any other action (including any filings of financing or continuation statements under the UCC) that from time to time may be necessary or desirable, or that the Purchasers may reasonably request, in order to create, preserve, upgrade in rank (to the extent required hereby), perfect, confirm or validate the Security Interests or to enable the Purchasers to obtain the full benefits of

this Agreement, or to enable the Purchasers to exercise and enforce any of its rights, powers and remedies hereunder with respect to any of the Collateral. To the extent permitted by law, the Company hereby authorizes the Purchasers to file financing statements or continuation statements without the Company's signature appearing thereon. The Company shall pay the reasonable costs of, or out-of-pocket costs incidental to, any recording or filing of any financing or continuation statements concerning the Collateral.

(e) If any Collateral is at any time located on property leased by the Company or in the possession or control of any warehouseman, bailee or any of the Company's purchasers or processors, the Company shall, upon the request of the Purchasers, (i) notify such landlord, warehouseman, bailee, purchasers or processor of the Security Interests created hereby and use commercially reasonable efforts to obtain lien waivers from the landlord of any such leased property and any such warehouseman or bailee; (ii) instruct any such warehouseman, bailee, purchasers or processor to hold all such Collateral for the Purchasers' account subject to the Purchasers' instructions; and (iii) obtain such warehouseman's or bailee's acknowledgement of the Security Interests and that it is holding such Collateral for the benefit of the Purchasers.

(f) The Company shall keep full and accurate books and records relating to the Collateral, and stamp or otherwise mark such books and records in such reasonable manner as the Purchasers may request in order to reflect the Security Interests.

(g) The Company will promptly, but in any event no later than ten (10) days following receipt thereof, deliver and pledge to the Purchasers each Instrument evidencing any Collateral, appropriately endorsed to the Purchasers, *provided* that so long as no Event of Default shall have occurred and be continuing, the Company may retain for collection in the ordinary course any Instruments received by it in the ordinary course of business and the Purchasers shall, promptly upon request of the Company, make appropriate arrangements for making any such other Instrument pledged by the Company available to it for purposes of presentation, collection or renewal (any such arrangement to be effected, to the extent deemed appropriate to the Purchasers, against a trust receipt or other like document).

(h) After the occurrence and during the continuation of an Event of Default, for each deposit account that the Company at any time opens or maintains, the Company shall, at the Secured Parties' request and option, and within thirty (30) days of such request, either (i) cause the depository bank to enter into a written agreement or other authenticated record with the Secured Parties, in form and substance reasonably satisfactory to the Secured Parties, pursuant to which such depository bank shall agree, among other things, to comply at any time with instructions from the Secured Parties to such depository bank directing the disposition of funds from time to time credited to such deposit account, without further consent of the Company, or (ii) arrange for the Secured Parties to become the customer of the depository bank with respect to the deposit account, with the Company being permitted, only with the consent of the Secured Parties in each instance, to exercise rights to withdraw funds from such deposit account. The Secured Parties agree with the Company that the Secured Parties shall not give any such instructions or withhold any withdrawal rights from the Company, unless an Event of Default has occurred and is continuing, or, after giving effect to any withdrawal not otherwise permitted

by the Financing Documents, would occur. The foregoing provisions of this Section 5 shall not apply to deposit accounts specially and exclusively used for payroll, payroll taxes and other employee wage and benefit payments to or for the benefit of the Company's salaried employees.

(i) If the Company at any time holds or acquires an interest in any electronic chattel paper or any "transferable record," as that term is defined in Section 201 of the federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Company shall promptly notify the Secured Parties thereof and, at the request of the Secured Parties, shall take such action as the Secured Parties may reasonably request to vest in the Secured Parties control, under Section 9-105 of the UCC, of such electronic chattel paper or control under Section 201 of the federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Secured Parties agree with the Company that the Secured Parties shall arrange, pursuant to procedures satisfactory to the Secured Parties and so long as such procedures will not result in the Secured Parties' loss of control, for the Company to make alterations to the electronic chattel paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by the Company with respect to such electronic chattel paper or transferable record.

(j) The Company shall use its commercially reasonable efforts to cause to be collected from the obligors on the Receivables, as and when due, any and all amounts owing under or on account of the Receivables (including Receivables which are delinquent, such Receivables to be collected in accordance with lawful collection procedures) and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Receivables, except that, unless an Event of Default has occurred and is continuing and the Purchasers are exercising their rights hereunder to collect Receivables, the Company may allow in the ordinary course of business as adjustments to amounts owing under its Receivables (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which the Company finds appropriate in accordance with sound business judgment, (ii) a refund or credit due as a result of returned or damaged or defective merchandise, and (iii) warranty credits covering services, labor and materials with respect to merchandise, all in accordance with the Company's ordinary course of business consistent with its historical collection practices. The reasonable costs and expenses (including reasonable attorney's fees) of collection, whether incurred by the Company or the Purchasers, shall be borne by the Company.

(k) Upon the occurrence and during the continuance of any Event of Default, the Purchasers may enforce the Company's rights against the account debtors on the Collateral and, upon the request of the Purchasers, the Company will promptly notify (and the Company hereby authorizes the Purchasers so to notify) each account debtor or other obligor on each Receivable that such Collateral has been assigned to the Purchasers hereunder, and that any payments due or to become due in respect of such Collateral are to be made directly to the Purchasers or their designee. The Purchasers have no duty to collect any income accruing on the Collateral.

(l) Without the prior written consent of a majority in interest of the Purchasers, the Company will not (i) sell, lease, exchange, assign or otherwise dispose of, or grant any option with respect to, any Collateral, except in the ordinary course of business, and in the case of any such sale, lease or exchange, assignment, disposition or grant, the Security Interests created hereby in such item (but not in any Proceeds arising from such sale or exchange) shall cease immediately without any further action on the part of the Purchasers; or (ii) create, incur or suffer to exist any lien, security interest or other encumbrance with respect to any Collateral, except for the Permitted Collateral Liens; provided, however, that the Company may sell any Collateral or subject it to Liens other than Permitted Collateral Liens with the written consent of Purchasers (subject to the terms and conditions of any such consent).

(m) If the Company is at any time a beneficiary under a letter of credit now or hereafter issued in favor of the Company, the Company shall promptly notify the Secured Parties thereof and, at the request and option of the Secured Parties, the Company shall either (i) arrange, for the issuer and any nominated person with respect to such letter of credit to consent, pursuant to an agreement or other authenticated record with and in form and substance satisfactory to the Secured Parties, to an assignment to the Secured Parties of the proceeds of any drawing under the letter of credit or (ii) arrange for the Secured Parties to become the transferee beneficiary of the letter of credit, with the Secured Parties agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in the Financing Documents.

(n) If the Company shall at any time hold or acquire a commercial tort claim, the Company shall promptly notify the Secured Parties in a writing signed by the Company of the details thereof and grant to the Secured Parties in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Security Agreement, with such writing to be in form and substance reasonably satisfactory to the Secured Parties.

(o) The Company shall notify the Secured Parties promptly if it knows or has reason to know that any application or registration relating to any Material Patent or Trademark (now or hereafter existing) may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the PTO or any court) regarding the Company's ownership of any Material Patent or Trademark, its right to register the same, or to keep and maintain the same. In no event shall the Company, either itself or through any agent, employee, licensee or designee, file an application for the registration of any Patent, Trademark, or Copyright with the PTO, the Copyright Office or any similar office or agency of any jurisdiction without giving the Secured Parties prior written notice thereof. The Company shall take all actions necessary or requested by the Secured Parties to maintain the registration of each registered Material Patent or Trademark (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of non-contestability and opposition and interference and cancellation proceedings. "Material Patent or Trademark" means patents or trademarks which are from time to time (i) required to be used for the purpose of its business and operations; and (ii) reasonably determined by the Company to be material in the context of the business. In the event that any of the Collateral consisting of Patents, Trademarks or Copyrights is infringed upon, or misappropriated or diluted by a third party, the Company shall notify the Secured Parties promptly after the Company learns thereof; the Company shall, unless reasonably determines

that such Patent, Trademark or Copyright is not material to the conduct of its business or operations, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as the Secured Parties shall reasonably request to protect such Patent or Trademark. With respect to any Intellectual Property constituting Collateral that the Company has reasonably determined continues to be material to the conduct of its business, the Company will not take or omit to take any action whereby such Intellectual Property could reasonably be expected to become abandoned, dedicated or invalidated or whereby the remedies in respect of such Intellectual Property with respect to potential infringers could reasonably be expected to become weakened. The Company assumes all responsibility and liability arising from the use of the Intellectual Property and hereby indemnify and hold the Secured Parties harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted or sold by the Company (or any affiliate thereof) in connection with such Intellectual Property or out of the manufacture, promotion, labeling, sale or advertisement of any such product by the Company (or any affiliate thereof). The Company will do all things that are necessary and proper within the Company's power and control to keep each material license of or constituting Intellectual Property held by it as licensee or licensor in full force and effect except to the extent that (i) the Company has reasonably determined that the failure to keep any such license in full force and effect could not be reasonably expected to have a Material Adverse Effect (as defined in the Purchase Agreement) or (ii) any such license would expire by its terms (as in effect on the date hereof) or is terminable at will by a Person other than the Company. Except for licenses in the ordinary course of the Company's business, the Company shall not hereafter create any nonexclusive license in any Trademark, Copyright, Patent or other Intellectual Property or general intangible, in each case owned by or licensed to the Company unless such license is in writing and by its terms is expressly subject and subordinate to the security interest created hereby.

(p) The Company shall keep the Collateral in good order and repair (reasonable wear and tear accepted) and shall not use the same in violation of law or any policy of insurance thereon and the Company shall operate its business in compliance with all applicable provisions of the federal Fair Labor Standards Act, as amended, and with all applicable provisions of federal, state and local statutes and ordinances dealing with the control, shipment, storage or disposal of hazardous materials or substances.

(q) The Company will maintain insurance on the Collateral in accordance with customary practices for persons engaged in the same business.

(r) The Company will, promptly upon request, provide to the Purchasers all information and evidence it may reasonably request concerning the Collateral, and in particular the Receivables, to enable the Purchasers to enforce the provisions of this Agreement.

SECTION 6. Events of Default; Remedies upon Events of Default.

6.01. Events of Default, Etc.

(a) If any Event of Default has occurred and is continuing, and is not otherwise being cured according to the terms herein, then the Purchasers may exercise all rights

and remedies under the UCC (to the extent permitted by law, whether or not in effect in the jurisdiction where such rights and remedies are asserted) and, in addition, the Purchasers may, without being required to give any notice, except: (i) as herein provided, (ii) as required under the Purchase Agreement, (iii) as may be required by mandatory provisions of law, or (iv) as required under the Intercreditor Letter, (x) notify all obligors under the Related Contracts or under the Receivables to make all payments to the Purchasers and apply such monies, and other cash, if any, then held by it as Collateral as specified in Section 3, (y) if there shall be no such monies, or cash or if such monies or cash shall be insufficient to pay all the Secured Liabilities in full, sell the Collateral or any part thereof at public or private sale, for cash, upon credit or for future delivery, and at such price or prices as the Purchasers may deem satisfactory to the extent allowed by law, and (z) to the extent permitted by law, retain the Collateral in full or partial satisfaction of the Secured Liabilities. The Purchasers may be the purchasers of any or all of the Collateral so sold at any public sale (or, if the Collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale) and thereafter hold the same, absolutely, free from any right or claim of whatsoever kind, to the extent permitted by law. The Company will execute and deliver such documents and take such other action as the Purchasers deem reasonably necessary or advisable in order that any such sale may be made in compliance with law. Upon any such sale, the Purchasers shall have the right to deliver, assign and transfer to the Purchasers thereof the Collateral so sold. Each Purchaser at any such sale shall hold the Collateral so sold to it absolutely free from any claim or right of whatsoever kind, including any equity or right of redemption of the Company, to the extent permitted by law, hereby specifically waive all rights of redemption, stay or appraisal which they have or may have under any law now existing or hereafter adopted. The notice (if any) of such sale required by this Section 6 shall (A) in case of a public sale, state the time and place fixed for such sale, and (B) in the case of a private sale, state the day after which such sale may be consummated. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Purchasers may fix in the notice of such sale, *provided* that the Purchasers shall give the Company (and each other person entitled to receive such notice) not less than ten (10) days' prior written notice of the time and place of any such public sale or other intended disposition of any of the Collateral, except any Collateral which is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market. The Purchasers may sell the Collateral without giving any warranties as to the Collateral, and may specifically disclaim any warranties of title or the like. This procedure will not be considered to affect adversely the commercial reasonableness of any sale of Collateral. At any such sale the Collateral may be sold in one lot as an entirety or in separate parcels, as the Purchasers may determine. The Purchasers shall not be obligated to make any such sale pursuant to any such notice. The Purchasers may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. In case of any sale of all or any part of the Collateral on credit or for future delivery, the Collateral so sold may be retained by the Purchasers until the selling price is paid by the Purchasers thereof, but the Purchasers shall not incur any liability in case of the failure of such Purchasers to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may again be sold upon like notice. The Purchasers may comply with any applicable state or federal law requirements in connection with a sale or other disposition of Collateral and such compliance will not be considered adversely to

affect the commercial reasonableness of any sale of Collateral. Any of the Purchasers, instead of exercising the power of sale herein conferred upon it, may proceed by a suit or suits at law or in equity to foreclose the Security Interests and sell the Collateral, or any portion thereof, under a judgment or decree of a court or courts of competent jurisdiction.

(b) For the purpose of enforcing any and all rights and remedies under this Agreement the Purchasers may (i) require the Company to, and it agrees that it will, at its expense, forthwith assemble all or any part of the Collateral as directed upon notice by the Purchasers and make it available at a place designated by the Purchasers which is, in their opinion, reasonably convenient to the Purchasers, whether at the premises of the Company or otherwise, (ii) to the extent permitted by applicable law, enter, with or without process of law and without breach of the peace, any premises where any of the Collateral is or may be located, and without charge or liability to it seize and remove such Collateral from such premises, (iii) have access to and use the books and records of the Company relating to the Collateral, and (iv) prior to the disposition of the Collateral, store or transfer it without charge in or by means of any storage or transportation facility owned or leased by the Company, process, repair or recondition it or otherwise prepare it for disposition in any manner and to the extent the Purchasers deems appropriate and, in connection with such preparation and disposition, use, without charge, any Trademark, trade name, Copyright, Patent or technical process used by the Company.

6.02. **Grant of License to Use Intellectual Property.** For the purpose of enabling the Secured Parties to exercise rights and remedies under this Section 6 if and for so long as the Secured Parties shall be lawfully entitled to exercise such rights and remedies, the Company hereby grants to the Secured Parties an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Company) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by the Company, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Secured Parties may be exercised only upon the occurrence of an Event of Default which is continuing and is otherwise not being cured; provided that any license, sub-license or other transaction entered into by the Secured Parties in accordance herewith shall be binding upon the Company notwithstanding any subsequent cure or waiver attributable to the Event of Default.

6.03. **Deficiency.** Without limiting the obligations of the Company to pay the Secured Liabilities, if the Proceeds of sale, collection or other realization of or upon the Collateral pursuant to Section 6.01 hereof are insufficient to cover the reasonable costs and expenses of such realization and the payment in full of the Secured Liabilities, the Company shall, to the extent permitted by law, remain liable for any deficiency.

6.04. **Application of Proceeds.** Except as otherwise herein expressly provided or as otherwise required by law, the Proceeds of any collection, sale or other realization of all or any part of the Collateral pursuant hereto, and any other cash at the time held by the Purchasers under this Section 6, shall be applied by the Purchasers, in accordance with the terms of the Intercreditor Letter, in the following order of priorities:

First, to the payment of the reasonable expenses of such sale or other realization, including reasonable compensation to counsel for the Purchasers, and all expenses, liabilities and advances incurred or made by the Purchasers in connection therewith, and any other unreimbursed fees and expenses for which the Purchasers are to be reimbursed pursuant to Section 6.06 hereof;

Second, to the ratable payment (based on the principal amount of the Secured Liabilities outstanding at the time of distribution) of accrued but unpaid interest on the Secured Liabilities;

Third, to the ratable payment (based on the principal amount of the Secured Liabilities outstanding at the time of distribution) of unpaid principal of the Secured Liabilities;

Fourth, to the ratable payment (based on the principal amount of the Secured Liabilities outstanding at the time of distribution) of all other Secured Liabilities, until all Secured Liabilities shall have been paid in full; and

Finally, to payment to the Company of its successors or assigns, or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds.

6.05. **Related Contracts.** The Company hereby irrevocably authorizes and empowers the Purchasers, in the Purchasers' sole discretion, if an Event of Default has occurred and is continuing, to assert, either directly or on behalf of the Company, any claims the Company may have, from time to time, against any other party to the Related Contracts or to otherwise exercise any right or remedy of the Company under the Related Contracts (including the right to enforce directly against any party to a Related Contract all of the Company rights thereunder, to make all demands and give all notices and make all requests required or permitted to be made by the Company under the Related Contracts) as the Purchasers may deem proper.

6.06. **Costs and Expenses.** In the event that the Company fails to comply with the provisions of the Purchase Agreement, this Agreement or any other Financing Document to which the Company is a party, such that the value of any Collateral or the validity, perfection, rank or value of any Security Interest is thereby diminished or potentially diminished or put at risk, the Purchasers may, but shall not be required to, effect such compliance on behalf of the Company, and the Company shall reimburse the Purchasers for the reasonable costs thereof within ten (10) days of demand therefor. All insurance expenses and all expenses of protecting, storing, warehousing, appraising, insuring, handling, maintaining, and shipping the Collateral, any and all excise, property, sales, and use taxes imposed by any state, federal, or local authority on any of the Collateral, or in respect of periodic appraisals and inspections of the Collateral to the extent the same may be reasonably requested by the Purchasers from time to time, or in respect of the sale or other disposition thereof, shall be borne and paid by the Company; and if the Company fails to promptly pay any portion thereof when due, the Purchasers may, at their option, but shall not be required to, pay the same and charge the Company's account therefor, and the Company, agrees to reimburse the Purchasers within ten (10) days of demand therefor. All unreimbursed sums so paid or incurred by the Purchasers for any of the foregoing and any and all other unpaid sums for which the Company may become liable hereunder and all unpaid

costs and expenses (including attorneys' fees, legal expenses and court costs) reasonably incurred by the Purchasers in enforcing or protecting the Security Interests or any of their rights or remedies under this Agreement, shall be additional Secured Liabilities hereunder and shall bear interest at the rate set forth in the Senior Secured Notes.

6.07. **Attorney-in-Fact.** The Company hereby irrevocably appoints each of the Purchasers its true and lawful attorney, with full power of substitution, in the name of the Company, and authorizes the Purchasers, at the expense of the Company, to the extent permitted by law, to exercise, at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral:

(a) to demand, sue for, collect, receive and give acquaintance for any and all monies due or to become due thereon or by virtue thereof, including to assert and collect all claims and assert all rights of the Company with respect to all Receivables and under the Related Contracts;

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if the Purchasers were the absolute owner thereof; and

(d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto.

The powers conferred on the Secured Parties, and their directors, officers and agents pursuant to this Section 6 are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any of them to exercise any such powers. The Secured Parties shall be accountable only for the amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to the Company for any act or failure to act, except for the Secured Parties' own willful misconduct.

SECTION 7. **Collateral Protection Expenses; Preservation of Collateral.**

7.01. **Expenses Incurred by Secured Parties.** In their discretion, the Secured Parties may discharge taxes and other encumbrances at any time levied or placed on any of the Collateral, make repairs thereto and pay any necessary filing fees or, if the debtor fails to do so, insurance premiums. The Company agrees to reimburse the Secured Parties for any and all expenditures so made within ten (10) days of demand therefor, and all sums disbursed by the Secured Parties in connection with this Section 7.01, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, within ten (10) days of demand therefor, by the Company to the Secured Parties and if unreimbursed shall constitute additional Secured Liabilities. The Secured Parties shall have no obligation to the Company to make any such expenditures, nor shall the making thereof relieve the Company of any default.

7.02. **Secured Parties' Obligations and Duties.** Anything herein to the contrary notwithstanding, the Company shall remain liable under each contract or agreement comprised in the Collateral to be observed or performed by the Company thereunder. The Secured Parties shall not have any obligation or liability under any such contract or agreement by reason of or arising out of this Security Agreement or the receipt by the Secured Parties of any payment relating to any of the Collateral, nor shall the Secured Parties be obligated in any manner to perform any of the obligations of the Company under or pursuant to any such contract or agreement, to make inquiry as to the nature or sufficiency of any payment received by the Secured Parties in respect of the Collateral or as to the sufficiency of any performance by any party under any such contract or agreement, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to the Secured Parties or to which the Secured Parties may be entitled at any time or times. The Secured Parties' sole duty with respect to the custody, safe keeping and physical preservation of the Collateral in its possession, under Section 9-207 of the NYUCC or otherwise, shall be to deal with such Collateral in the same manner as the Secured Parties deals with similar property for its own account.

SECTION 8. **Miscellaneous.**

8.01. **No Waiver.** No failure on the Purchasers to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Purchasers or any Purchaser of any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Purchasers of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law.

8.02. **Notices.** All notices, requests, consents and demands hereunder shall be in writing and telecopied or delivered to the intended recipient at its address and in the manner set forth in the Purchase Agreement and shall be deemed to have been given at the times specified therein. Each such notice, request, consent and demand shall be addressed: if to the Company or any Purchaser, to its address set forth in the Purchase Agreement.

8.03. **Expenses.** Without duplication of the obligations of the Company set forth in the Purchase Agreement, the Company agrees to reimburse the Purchasers for all reasonable costs and expenses of the Purchasers, (including the reasonable fees and expenses of legal counsel) in connection with (a) any Event of Default and any enforcement or collection proceeding resulting therefrom, including all manner of participation in or other involvement with (i) performance by the Purchasers of any obligations of the Company in respect of the Collateral that the Company has failed or refused to perform, (ii) bankruptcy, insolvency, receivership, foreclosure, winding up or liquidation proceedings, or any actual or attempted sale, or any exchange, enforcement, collection, compromise or settlement in respect of any of the Collateral, and for the care of the Collateral and defending or asserting rights and claims of the Purchasers in respect thereof, by litigation or otherwise, (iii) judicial or regulatory proceedings and (iv) workout, restructuring or other negotiations or proceedings (whether or not the workout, restructuring or transaction contemplated thereby is consummated) and (b) the enforcement of

this Section 8.03, and all such costs and expenses shall be Secured Liabilities entitled to the benefits of the collateral security provided pursuant to Section 3 hereof.

8.04. **Amendments, Etc.** The terms of this Agreement may be waived, altered or amended only by an instrument in writing duly executed by the Company and each Purchaser.

8.05. **Certain Documents.** If any agreement, certificate or other writing, or any action taken or to be taken, is by the terms of this Agreement required to be satisfactory to the Purchasers, the determination of such satisfaction shall be made by the Purchasers in its sole and exclusive judgment.

8.06. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the Company, the Purchasers and each holder of any of the Secured Liabilities (*provided, however*, that the Company may not assign or transfer their rights hereunder without the prior written consent of the Purchasers holding not less than a majority of the outstanding principal amounts under the Senior Secured Notes. In the event of an assignment of all or any of the Secured Liabilities, the rights hereunder, to the extent applicable to the indebtedness so assigned, may be transferred with such indebtedness.

8.07. **Marshaling of Assets.** All rights to marshaling of assets of the Company, including any such right with respect to the Collateral, are hereby waived by the Company.

8.08. **Termination.** When all Secured Liabilities shall have been indefeasibly paid in full or the Senior Secured Notes have been converted in full, this Agreement shall terminate, and the Purchasers shall forthwith cause to be assigned, transferred and delivered, against receipt but without any recourse, warranty or representation whatsoever, any remaining Collateral and money received in respect thereof, to or upon the order of the Company. Additionally, the Purchasers will execute termination statements when all Secured Liabilities are indefeasibly paid in full.

8.09. **Severability.** If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Purchasers in order to carry out the intentions of the parties hereto as nearly as may be possible and (b) the invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

8.10. **Waivers.** The Company hereby expressly waive, to the extent permitted by applicable law (a) notice of the acceptance by any Secured Parties of this Agreement, (b) notice of the existence or creation or non-payment of all or any of the Secured Liabilities, (c) presentment, demand, notice of dishonor, protest, intent to accelerate, acceleration and all other notices whatsoever, and (d) all diligence in collection or protection of or realization upon the Secured Liabilities or any thereof, any obligation hereunder, or any security for or guaranty of any of the foregoing.

8.11. **Rescission.** The Company agrees that, if at any time all or any part of any payment theretofore applied by any Secured Parties to any of the Secured Liabilities is or must be rescinded or returned by such Secured Parties for any reason whatsoever (including the

insolvency, Bankruptcy or reorganization of the Company or any of its affiliates), such Secured Liabilities shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Purchasers, and the security interest granted hereunder shall continue to be effective or be reinstated, as the case may be, as to such Secured Liabilities, all as though such application by such Secured Parties had not been made.

8.12. **[Reserved]**

8.13. **Survival of Representations and Warranties.** All representations and warranties contained in this Agreement or made in writing by or on behalf of the Company in connection herewith shall survive the execution and delivery of this Agreement and repayment of the Secured Liabilities. Any investigation by the Purchasers shall not diminish in any respect whatsoever their rights to rely on such representations and warranties.

8.14. **Security Interest Absolute.** All rights of the Secured Parties and Security Interests hereunder, and all obligations of the Company hereunder, shall be absolute and unconditional irrespective of:

(a) any lack of validity or enforceability of the Purchase Agreement, the other Financing Documents or any other agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Liabilities, or any other amendment or waiver of or any consent to any departure from the Purchase Agreement, or the other Financing Documents;

(c) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Liabilities; or

(d) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Company or any guarantor or other person.

8.15. **Limitation by Law.** All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law which may be controlling and which may not be effectively waived by the Company and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

8.16. **Counterparts.** This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and either of the parties hereto may execute this Agreement by signing any such counterpart.

8.17. **Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO

THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

8.18. **Submission to Jurisdiction.** (a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT AND THE OTHER FINANCING DOCUMENTS EXECUTED BY THE COMPANY MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK, NEW YORK COUNTY, OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE COMPANY HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, UNCONDITIONALLY, THE NON-EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS WITH RESPECT TO ANY SUCH ACTION OR PROCEEDING. EACH OF THE COMPANY AND THE SECURED PARTIES FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT ITS ADDRESS SET FORTH IN THE PURCHASE AGREEMENT, SUCH SERVICE TO BECOME EFFECTIVE THIRTY DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY SECURED PARTIES TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE COMPANY IN ANY OTHER JURISDICTION.

(b) THE COMPANY HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES, TO THE MAXIMUM EXTENT PERMITTED BY LAW, NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN ANY INCONVENIENT FORUM.

8.19. **Waiver of Jury Trial.** THE COMPANY, AND BY ITS ACCEPTANCE HEREOF, EACH PURCHASER, HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR ARISING FROM OR RELATING TO ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

8.20. **Final Agreement.** THIS AGREEMENT AND THE OTHER FINANCING DOCUMENTS (INCLUDING ALL EXHIBITS AND SCHEDULES HERETO

OR THERETO) CONSTITUTES THE ENTIRE AGREEMENT OF THE PARTIES WITH RESPECT TO THE SUBJECT MATTER HEREOF AND THEREOF.
