ASSIGNMENT OF TRADEMARKS AND SERVICE MARKS

THIS ASSIGNMENT OF TRADEMARKS AND SERVICE MARKS (this "Assignment") is made and entered into effective as of April 1, 2011 (the "Effective Date") by and between Clarus Technologies, LLC, a Washington limited liability company ("Assignor"), and Clarus Fluid Intelligence, LLC, an Alaska limited liability company ("Assignee").

RECITALS

WHEREAS, Assignor is the owner of the trademarks, service marks and the service mark application listed in Schedule A (the "Marks"), attached hereto; and

WHEREAS, Assignee is desirous of acquiring from Assignor the entire right, title and interest in and to the Marks and has a *bona fide* intent to use the mark identified in the pending service mark application listed in Schedule A (the "Pending Mark").

ASSIGNMENT

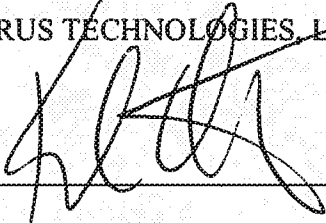

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks and the business and goodwill of the business associated therewith and which is symbolized thereby, including that portion of Assignor's business and goodwill in connection with which Assignor has or had a *bona fide* intent to use the Pending Mark, together with all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Trademarks and Service Marks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, the same to be held and enjoyed by the Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Assignor had this Assignment of Trademarks and Service Marks not been made.

Assignor will, at the reasonable request of Assignee and without demanding any further consideration therefor, do all things necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordation of specific assignments, oaths, declarations and other documents on a country-by-country basis, to assist Assignee in obtaining, perfecting, sustaining, and/or enforcing the Marks and the assignment contemplated hereby. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document it is entitled to under this Assignment of Trademarks and Service Marks, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as their agents and attorneys-in-fact with full power of substitution to act for and on their behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives. Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Trademarks and Service Marks shall be governed by and construed in accordance with the laws of the State of Alaska without giving effect to the principles of conflicts of laws thereof.

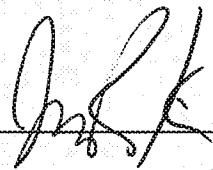

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed and delivered by their duly authorized officers as of the date first above written.
