Trademark Security Agreement, dated as of May 10, 2012, by CAROLINA REGIONAL CANCER CENTER, LLC (f/k/a Carolina Regional Cancer Center, P.A.) (the "Grantor"), in favor of WILMINGTON TRUST, NATIONAL ASSOCIATION, in its capacity as collateral agent pursuant to the Indenture (in such capacity, the "Collateral Agent").

WITNESSETH:

WHEREAS, the Grantor is party to a Second Lien Security Agreement dated as of May 10, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of its right, title and interest in or to any and all of the following Pledged Collateral of such Grantor (in each case, other than Excluded Property):

- (a) Trademarks of the Grantor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than any United States intent-to-use trademark application to the extent and for so long as creation by a Grantor of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application).

Notwithstanding the foregoing, no Security Interest or pledge shall be deemed granted in, or with respect to, any United States intent-to-use trademark application to the extent and for so long as creation by a Grantor of a Security Interest therein would impair the validity or enforceability of such intent-to-use trademark application.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Secured Obligations and termination of the Security Agreement or pursuant to any other termination or release as set forth under Section 7.13 of the Security Agreement, as applicable, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing all or part, as the case

maybe, of the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

CAROLINA REGIONAL CANCER CENTER,  
LLC (f/k/a Carolina Regional Cancer Center,  
P.A.)
