TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (hereinafter referred to as "Assignment") is entered into as of May 15, 2012, by and between Clear Lam Packaging, Inc., an Illinois corporation ("Assignor"), and D&W Fine Pack Acquisition (II) LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to a certain Purchase and Sale Agreement, of even date herewith (the "Purchase and Sale Agreement"), by and between Assignor and Assignee;

WHEREAS, Assignor has adopted and used in commerce, and is, to the best of its knowledge and belief, the owner of the trademarks and trademark applications identified in Schedule A, attached hereto and incorporated herein by this reference (collectively referred to herein as the "Trademarks");

WHEREAS, Assignor has acquired goodwill in the portion of the business associated with and symbolized by the Trademarks and has not abandoned the same;

WHEREAS, Assignee is desirous of acquiring all right, title, and interest of Assignor in and to the Trademarks; and

WHEREAS, Assignor is willing to assign to Assignee all right, title, and interest as Assignor may possess in and to the Trademarks;

NOW, THEREFORE, for good and adequate consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, intending to be legally bound, agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee all right, title, and interest as Assignor may possess in and to the Trademarks, including, but not limited to, all benefits, privileges, causes of action and remedies relating to such Trademarks, together with the goodwill symbolized by said Trademarks free and clear of all Encumbrances, other than Permitted Encumbrances.

2. Together with Assignor's worldwide right, title and interest in and to each of the Trademarks, as well as the goodwill of the business associated with said Trademarks being assigned to Assignee, are the rights to police, monitor and enforce said Trademarks against any and all past infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this present Assignment, together with any and all further privileges in the United States and throughout the world to establish use, ownership, and/or registration of the Trademarks.

3. Assignor and Assignee hereby grant to the designated attorneys of Assignee and their foreign agents, the authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of recordation of the Trademarks in the Patent, Trademark and/or Copyright Offices of any country in the world.

4. Assignor further authorizes the Commissioner of Patents and Trademarks of the United States and the appropriate official in any other country, to issue any and all trademark registrations, amended registrations and/or renewals with respect to the Trademarks that may be granted upon any application or petition for the same, to Assignee, and/or Assignee's successors and/or assigns.

5. Notwithstanding any other provision of this Assignment to the contrary, nothing contained in this Assignment shall in any way supersede, merge with, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the representations and warranties and other provisions set forth in the Purchase and Sale Agreement or reduce, expand or enlarge any remedies under the Purchase and Sale Agreement. This Assignment is intended only to evidence the sale, conveyance, transfer, assignment and delivery of certain right, title and interest as described herein pursuant to the Purchase and Sale Agreement and shall be governed entirely in accordance with the terms and conditions of the Purchase and Sale Agreement. In the event of a conflict or an inconsistency between this Assignment and the Purchase and Sale Agreement, the terms of the Purchase and Sale Agreement shall prevail.

6. Article 12, except for Sections 12.3, 12.6, 12.9, 12.10 and 12.11 thereof, of the Purchase and Sale Agreement is hereby incorporated herein by reference, *mutatis mutandis*, as if a part hereof.
