## INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment") is effective on the 1 day of May, 2012 by and between TEGG Corporation, a Delaware corporation ("Assignor"), and Linc Network, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, pursuant to that certain Asset Purchase Agreement of even date herewith by and among Assignor, Assignee, CurrentSAFE Corporation, Specialty Equipment, LLC and Sargent Electric Company and HSB Investment, Corp. ("Purchase Agreement"), Assignee has agreed to purchase substantially all of the assets of Assignor;

WHEREAS, pursuant to the Purchase Agreement, Assignor agreed to irrevocably assign to Assignee Assignor's entire right, title and interest in and to the Copyrights (as defined below) and the Trademarks (as defined below) that are Intellectual Property (as defined in the Purchase Agreement);

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein and in the Purchase Agreement and intending to be legally bound hereby, the parties hereto agree as follows:

All undefined, capitalized terms used herein shall have the meaning given to them in the Purchase Agreement. Additionally, the following definitions shall apply to this Assignment:

"Copyrights" means all United States and foreign registered copyrights, copyright applications, unregistered copyrights, copyrightable works, computer software (including, without limitation, data, source codes, object codes, specifications and related documentation) and mask works owned by Assignor, including, without limitation, the registrations and applications set forth on Exhibit A.

"Trademarks" means all United States and foreign registered trademarks and service marks and all trademark and service mark applications, unregistered trademarks and service marks, trade dress, logos, trade names, fictitious names, brand names, brand marks, and corporate names owned by Assignor, together with all translations, adaptations, derivations and combinations thereof, including, without limitation, the trademarks and service marks set forth on Exhibit B.

### COPYRIGHTS

1. Assignment. Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Copyrights, including but not limited to renewal rights therein, the right to obtain registrations of the Copyrights in the United States and throughout the world, moral rights therein, and the right to sue and recover any and all damages and profits which Assignor now has or hereafter may have for infringement or interference with any of the rights granted to Assignee in and to the Copyrights, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee's sole name.

2. Cooperation. Assignor shall cooperate with Assignee in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Copyrights with, for example, the U.S. Copyright Office or equivalent foreign offices.

## TRADEMARKS

3. Assignment. Assignor hereby expressly sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of the business(es) that is/are symbolized by the Trademarks, including but not limited to all common law rights related thereto, and all other rights pertaining to ownership of said Trademarks, including the renewal rights therein, the right to obtain registrations of the Trademarks in the United States and throughout the world, and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee's sole name.

4. Cooperation. Assignor shall cooperate with Assignee in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to consolidate, confirm, vest and/or record Assignee's full and complete ownership of the Trademarks with, for example, the U.S. Patent and Trademark Office or equivalent foreign offices, or with domain name registrars.

5. Representations and Warranties. Assignor represents and warrants to Assignee that (a) Assignor has not sold or transferred the Trademarks to any third party; (b) Assignor has the right, power and authority to enter into this Assignment (c) Assignor has no knowledge of any actions, suits or proceedings involving the Trademarks currently pending or threatened by or against Assignor; and (d) after the date of this Assignment, Assignor will not challenge Assignee's use of the Trademarks. Assignor makes no other representations or warranties, expressed or implied.

## GENERAL

6. Entire Agreement. This Assignment and the Purchase Agreement contain the entire agreement of the parties with respect to the subject matter of this Assignment. No prior agreement or understanding pertaining to any such matter shall be effective. This Assignment may only be modified in a written instrument executed by the parties.

7. Binding Assignment. This Assignment shall be binding upon and inure to the benefit of each of the parties hereto, their successors and permitted assigns.

8. Governing Law. This Assignment shall be governed by and construed under the laws of the State of Delaware, excluding any conflicts of laws rule or principle that might refer the governance or construction of this Assignment to the law of another jurisdiction.

9. Severability. If any provision of this Assignment shall be deemed invalid or unenforceable by any court of competent jurisdiction, then such portion shall be deemed severed, and the remainder thereof shall be enforceable in accordance with its terms.

10. Notices. All notices that are required or may be given pursuant to the terms of this Assignment shall be in writing and shall be sent by registered or certified mail, postage prepaid or sent by overnight courier addressed to the party to be notified at the respective addresses set forth below, or to such other address as may be furnished in writing to the notifying party:
