THE OBLIGATIONS EVIDENCED BY THIS AGREEMENT ARE SUBORDINATED TO THE PRIOR PAYMENT IN FULL OF THE SENIOR OBLIGATIONS (AS DEFINED IN THE SUBORDINATION AGREEMENT HEREINAFTER REFERRED TO) PURSUANT TO, AND TO THE EXTENT PROVIDED IN, THE SUBORDINATION AGREEMENT DATED MAY 30, 2012, MADE BY AND BETWEEN MANCHESTER SECURITIES CORP., MANCHESTER LIBRARY COMPANY LLC, THE OBLIGORS REFERRED TO THEREIN, CORTLAND CAPITAL MARKET SERVICES LLC, AS AGENT AND CB AGENCY SERVICES, LLC, AS P&A AGENT, ALL AS REFERRED TO IN SUCH SUBORDINATION AGREEMENT.

### TRADEMARK SECURITY AGREEMENT

Dated as of May 30, 2012

WHEREAS, the Grantors (as defined below) party hereto from time to time now own or hold or may hereafter acquire or hold certain Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications filed in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, or any state thereof, and all reissues, extensions or renewals thereof), including, without limitation, the Trademarks listed on Schedule I annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks hereafter adopted, acquired or held by any of the Grantors.

WHEREAS, Relativity Media, LLC, a California limited liability company ("RML"), the subsidiaries of RML party thereto (collectively, the "Borrower") and each Guarantor party thereto (the Borrower together with each Guarantor party thereto from time to time, referred to herein, collectively, as the "Grantors" and each, a "Grantor") have entered into the Amended and Restated Pledge and Security Agreement, dated as of May 30, 2012 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"), in favor of Manchester Securities Corp. (in such capacity, together with its successors and assigns, the "Secured Party");

WHEREAS, pursuant to the terms of the Security Agreement, each Grantor has granted to the Secured Party a security interest in all right, title and interest of such Grantor in, to and under all of such Grantor's Trademarks and Trademark Licenses, whether now owned, currently existing or hereafter arising, adopted or acquired and whether or not in possession of such Grantor, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement); and

WHEREAS, all capitalized terms used in this Trademark Security Agreement, which are defined in the Security Agreement or in Article 8 or 9 of the Uniform Commercial Code as in effect from time to time in the State of New York (the "Code") and which are not otherwise defined herein shall have the same meanings herein as set forth therein; provided that terms used herein which are defined in the Code as in effect in the State of New York on the date hereof shall continue to have the same meaning notwithstanding any replacement or amendment of such statute except as the Secured Party may otherwise determine.

NOW THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby grants to the Secured Party, as security for the Secured Obligations, a security interest in and to all of such Grantor's right, title and interest in, to and under the following, whether now or hereafter owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of any of the Grantors (collectively, the "Trademark Collateral"):

- (i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule 1 annexed hereto;
- (ii) each Trademark license, in which any of the Grantors is a licensee, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and
- (iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by any of the Grantors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Notwithstanding anything herein to the contrary, the term "Trademark Collateral" shall not include any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively or, if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided, that, upon such filing and acceptance, such intent-to-use applications shall be included in the definition of Trademark Collateral.

Each Grantor agrees that (i) if any Person shall do or perform any act which the Secured Party reasonably believes constitutes an infringement of any Trademark, or violates or infringes any right therein of any of the Grantors or the Secured Party, or (ii) if any Person shall do or perform any act which the Secured Party reasonably believes constitutes an unauthorized or unlawful use thereof, and in each instance, such act would be material and adverse to any of the Grantors, then the Secured Party may exercise the rights and remedies permitted under (and pursuant to the terms of) the Credit Agreement, the Security Agreement and the other Loan Documents in respect of such act, violation or infringement. The Secured Party shall give any such Grantor prompt written notice of any steps taken or any suits or proceedings instituted by the Secured Party pursuant to this paragraph.

Subject to the terms of the Credit Agreement and the Security Agreement, the Secured Party shall not transfer the Collateral to any other party unless and until an Event of Default shall have occurred and be continuing under the Credit Agreement. The Secured Party shall provide the notice(s) required by the Credit Agreement and/or the Security Agreement in connection with any enforcement of its rights against any of the Collateral.

So long as no Event of Default shall have occurred and be continuing, under the terms of the Credit Agreement and the other Loan Documents executed by each Grantor, each Grantor may use, license and exploit the Collateral in any lawful manner permitted hereunder, under the Credit Agreement and the other Loan Documents.

The security interest created under this Trademark Security Agreement, is granted in conjunction with the security interests granted to the Secured Party pursuant to the Security Agreement. Each of the Grantors and the Secured Party hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest made and granted hereby are subject to the limitations (including certain rights of quiet enjoyment in favor of licensees) set forth in the Credit Agreement, the Security Agreement and the other Loan Documents, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

**THIS TRADEMARK SECURITY AGREEMENT SHALL IN ALL RESPECTS BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK WHICH ARE APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN SUCH STATE AND, IN THE CASE OF PROVISIONS RELATING TO INTEREST RATES, ANY APPLICABLE LAW OF THE UNITED STATES OF AMERICA.**

This Trademark Security Agreement, and any modifications or amendments hereto may be executed in any number of counterparts, each of which when so executed and delivered shall constitute an original for all purposes, but all such counterparts taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by facsimile or transmitted electronically in a Tagged Image Format File ("TIFF"), Portable Document Format ("PDF") or other electronic format sent by electronic mail shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective when it shall have been executed by each party hereto. Any party delivering an executed counterpart of this Trademark Security Agreement by facsimile or by email shall also deliver a manually executed counterpart of this Trademark Security Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Trademark Security Agreement, and the parties hereby waive any right they may have to object to said treatment.

Any provision of this Trademark Security Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof, and any such invalidity, illegality or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

No amendment, modification, rescission, waiver or release of any provision of this Trademark Security Agreement, and no consent to any departure therefrom, shall in any event be effective unless signed by the Secured Party and each of the Grantors; provided, that, Trademark Security Agreement Supplements which supplement this Trademark Security Agreement may be signed only by the additional Grantors. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

This Trademark Security Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns (as determined pursuant to the Credit Agreement), but neither this Trademark Security Agreement nor any of the rights or interests hereunder shall be assigned by any of the Grantors (including any of their respective successors and permitted assigns) without the prior written consent of the Secured Party (which shall be provided only in accordance with the applicable provisions of the Credit Agreement), and any attempted assignment without such consent shall be null and void.

If any conflict or inconsistency exists between this Trademark Security Agreement and the Credit Agreement or the Security Agreement, the Credit Agreement and the Security Agreement shall govern.
