TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*"), dated June 6, 2012, is entered into by Altitude Capital Management, LLC, a Delaware limited liability company ("*Assignor*"), for the benefit of RPX Corporation, a Delaware corporation ("*Assignee*").

WITNESSETH:

*WHEREAS*, Assignor desires to assign to Assignee all of Assignor's right, title and interest in and to all of the trademarks, service marks, and trade names, together with the goodwill associated with and symbolized by them, listed in Attachment 1 hereto (all such trademarks, service marks, and trade names referred to collectively as the "*Assigned Trademarks*").

*NOW, THEREFORE*, in consideration of entering into the Agreement and other good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers and conveys to Assignee all right, title and interest worldwide in and to the Assigned Trademarks, including without limitation all registrations that have been or may be granted for any of the Assigned Trademarks, any application to register the same, common law rights in the Assigned Trademarks, including those for which no applications or registrations exist, together with the goodwill symbolized thereby and the goodwill of the business in connection with which the Assigned Trademarks are used or proposed to be used, and further including all claims for damages by reason of past infringement of the Assigned Trademarks, with the right to sue for, and collect, the same for Assignee's own use and benefit. With respect to all of the Assigned Trademarks in pending, intent-to-use applications, the parties hereto acknowledge that the portion of the business, which is ongoing and existing, to which the Assigned Trademarks pertain is also being transferred to Assignee pursuant to the Agreement.

The Assignor agrees to execute and deliver such other lawful documents and to take all such other actions which the Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment, and to execute and deliver any and all affidavits, testimonies, declarations, rightful oaths, samples, exhibits, specimens and other lawful documentation as may be reasonably required to effect the terms of this Assignment and its recordation in relevant state and national trademark offices, all at Assignee's sole cost and expense.

This Assignment shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto.

Assignor and Assignee certify to the other that it has the authority to execute this Assignment and to bind said party.

This Assignment may be executed in counterparts, each of which will be deemed an original and all of which, taken together, shall constitute one instrument.

IN WITNESS WHEREOF, Assignor has caused this Trademark Assignment to be duly executed by its authorized representative on and as of the day and year first above written.
