EXECUTION VERSION

RELEASE

This Release (this "Release") is being executed and delivered this ^{17th} day of November, 2010, by Constellation Software Inc., an Ontario, Canada corporation ("Constellation"), in favor of VCG, LLC, a Delaware limited liability company (the "Company").

This Release is being executed by Constellation in accordance with Section 6.1(c) of that certain Note Purchase Agreement dated October 20, 2010 (the "Note Purchase Agreement"), by and among the Company, Bond International Software Plc, a public limited company organized under the laws of England ("Bond"), Constellation and certain other parties thereto, which contemplates the acquisition by Bond of certain Company Notes held by Constellation and certain other parties to the Note Purchase Agreement (the "Transaction"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Note Purchase Agreement.

Constellation acknowledges that execution and delivery of this Release is a condition to Bond's obligation to consummate the Transaction pursuant to the Note Purchase Agreement and the other transactions contemplated by the Merger Agreement and that Bond is relying on this Release in consummating the Transaction and such other transactions. This Release shall be effective only upon the Closing and, further, if the Closing shall not occur or the Note Purchase Agreement is terminated, this Release shall be null and void *ab initio* and of no force or effect.

Constellation, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, in order to induce Bond to consummate the Transaction and the other transactions contemplated by the Merger Agreement, hereby fully releases, remises, acquits and forever discharges the Company and, except as otherwise expressly provided in the last sentence of this paragraph, its Affiliates, employees, officers, directors, successors and assigns (collectively, the "Released Parties") from any and all claims, demands, proceedings, causes of action, obligations, contracts, agreements, debts or liabilities whatsoever, direct or indirect, whether at law or in equity, which Constellation now has, has ever had or may hereafter have against any or all of the Released Parties and that are on account of or arise out of any matter, cause or event occurring prior to the Closing (collectively, "Released Claims"), and hereby covenants not to sue any of the Released Parties in respect of any such Released Claims; provided, however, that nothing contained herein shall operate to release any of the Released Parties from (a) any representation, warranty, covenant or obligation arising under the Note Purchase Agreement, the Merger Agreement or any other Transaction Document (as defined in the Merger Agreement), (b) any right or remedy available to Constellation relating to the breach or inaccuracy of, or noncompliance with, any such representation, warranty, covenant or obligation or (c) any claims, demands, proceedings, causes of action, obligations, contracts, agreements, debts or liabilities whatsoever, direct or indirect, whether at law or in equity, that are on account of or arise out of Constellation's ownership of shares of capital stock of Bond. Notwithstanding anything to the contrary set forth herein, with respect to the release granted herein for the benefit of any Released Party that is an Affiliate, employee, officer and director of the Company, the Released Claims shall not include claims which arise from or relate to matters unrelated to the Company or such Released Party's status as an Affiliate, employee, officer or director of the Company.

If any provision of this Release is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Release will remain in full force and effect. Any provision of this Release held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

This Release may not be changed except in a writing signed by the party against whose interest such change shall operate. This Release shall be governed by and construed under the laws of the State of

Georgia, regardless of the laws that might otherwise govern under applicable principles of conflict of laws thereof. This Release will be binding upon Constellation and its successors and assigns. This Release supersedes all prior agreements among the parties with respect to the subject matter hereof and constitutes a complete and exclusive statement of the terms of the agreement among the parties with respect to the subject matter hereof.
