## TRADEMARK ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, WATTEREDGE, INC., an Ohio corporation, JOSEPH P. LANGHENRY and EDWIN LANGHENRY, JR., (jointly and severally, "Assignors" and each an "Assignor"), hereby sell, transfer, assign, and convey to WATTEREDGE, LLC, a Delaware limited liability company ("Assignee"), all of Assignors' right, title and interest in and to the trademark registrations, service mark registrations, trade names, trademarks, service marks, service mark applications and/or trademark applications respectively listed on Schedule A attached hereto and made a part hereof, as well as the goodwill associated with the business symbolized by the trade names, trademarks and/or service marks, and any and all state trademark registrations and common law trademark rights associated therewith; and any renewals thereof; all income, royalties, damages, license fees, licenses and payments now and hereafter due and/or payable with respect thereto; and any and all United States and/or foreign trademark (or service mark) registrations which may issue on the same in the future (collectively, the "Trademarks"), the same to be held and enjoyed by Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, or legal representatives, to the end of the term or terms for which such Trademarks may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignors if this sale and assignment had not been made. Assignors also assign unto Assignee all claims for damages by reason of infringement prior to the date hereof of the Trademarks throughout the world, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

Assignors hereby covenant and warrant that they are transferring any rights they have with respect to the above-described worldwide right, title and interest by this instrument, free of any encumbrances, and that no other agreement has been or will be executed in conflict herewith.

Assignors agree without charge to Assignee but at Assignee's expense to execute and deliver to Assignee such instruments necessary or desirable to perfect the above-described transfer of, or to procure, the Trademarks or to maintain the Trademarks before both the United States Patent and Trademark Office and the Trademark Offices of any and all foreign countries, and to cooperate reasonably with Assignee in obtaining and/or providing information that is required in any proceedings relating to the Trademarks.

Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and the appropriate official in any other country, to issue any and all additional trademark and service mark registrations or amended registrations that have been or may be granted upon any application or petition for same for the Trademarks or any additional, continuing or divisional applications thereof to, to Assignee, its successors and/or assigns.
