REVOLVING NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

THIS REVOLVING NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Agreement"), dated as of June 19, 2012, is made by Culligan International Company, a Delaware corporation (the "Borrower" or the "Grantor") in favor of CIT Finance LLC (the "Administrative Agent"), as administrative agent for the Lenders that are parties to the Credit Agreement, dated as of June 19, 2012 (as amended, amended and restated, waived, supplemented or otherwise modified from time to time, together with any agreement extending the maturity of, or restructuring, refunding, refinancing or increasing the Indebtedness under such agreement or successor agreements, the "Revolving Credit Agreement"), among the Grantor, Culligan Investments S.à.r.l., the Administrative Agent, the Lenders from time to time party thereto and CIT Finance LLC, as Documentation Agent.

WHEREAS, pursuant to the Revolving Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein;

WHEREAS, in connection with the Revolving Credit Agreement, Culligan Holding Company B.V., Culligan Holding Inc., the Grantor and certain other Subsidiaries of the Grantor executed and delivered a Guarantee and Collateral Agreement, dated as of June 19, 2012, in favor of the Administrative Agent (as the same may be amended, restated, supplemented, waived or otherwise modified from time to time, the "Revolving Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Revolving Guarantee and Collateral Agreement, the Grantor granted to the Administrative Agent a security interest in its Intellectual Property, including Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Borrower on the terms and subject to the conditions of the Revolving Credit Agreement, the Grantor agrees, for the benefit of the Administrative Agent, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Revolving Credit Agreement and the Revolving Guarantee and Collateral Agreement.

SECTION 2. Confirmation of Security Interest. The Grantor hereby confirms that pursuant to the Revolving Guarantee and Collateral Agreement, it granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Trademarks of the Grantor (including, without limitation, those items listed on Schedule A hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantor, except that no security interest is or will be granted pursuant thereto in any right, title or interest of the

Grantor under or in any Trademark Licenses with Persons other than Culligan Investments, a Restricted Subsidiary of Culligan Investments or an Affiliate thereof for so long as, and to the extent that, the granting of such a security interest pursuant thereto would result in a breach, default or termination of such Trademark Licenses (in each case, except to the extent that, pursuant to the Code or other applicable law, the granting of security interests therein can be made without resulting in a breach, default or termination of such Trademark Licenses or, pursuant to the Code or other applicable law, such breach, default or termination of such Trademark Licenses would be rendered ineffective).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest granted pursuant to the Revolving Guarantee and Collateral Agreement with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Revolving Guarantee and Collateral Agreement. The Revolving Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent and Lenders with respect to the security interest in the Trademarks are fully set forth in the Revolving Credit Agreement and the Revolving Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic transmission shall be effective as a delivery of a manually executed counterpart of this Agreement.
