THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT, dated as of June 27, 2012, is made by Henry Company LLC, a California limited liability company with principal offices at 909 N. Sepulveda Blvd., Suite 650 El Segundo, CA 90245 (the “Grantor”), in favor of Guggenheim Corporate Funding, LLC (“Guggenheim”), as administrative agent (in such capacity, together with its successors and permitted assigns, the “Agent”) for the Lenders (as defined in the Second Lien Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Second Lien Credit Agreement, dated as of June 27, 2012 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Second Lien Credit Agreement”), among the Initial Borrower (as defined therein), Grantor, as “Borrower”, Holdings, the other Credit Parties, the Lenders from time to time party thereto and Guggenheim, as Agent for the Lenders, the Lenders have severally agreed to make extensions of credit to Grantor upon the terms and subject to the conditions set forth therein;

WHEREAS, Grantor is party to a Second Lien Guaranty and Security Agreement of even date herewith in favor of the Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Second Lien Guaranty and Security Agreement”) pursuant to which Grantor is required to execute and deliver this Second Lien Trademark Security Agreement; and

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Agent to enter into the Second Lien Credit Agreement and to induce the Lenders to make their respective extensions of credit to Grantor thereunder, Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Second Lien Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Second Lien Trademark Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of Grantor, hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Secured Parties, and grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks, including, without limitation, those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not include any Excluded Property (as defined in the Second Lien Guaranty and Security Agreement).

Section 3. Second Lien Guaranty and Security Agreement. The security interest granted pursuant to this Second Lien Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Second Lien Guaranty and Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Second Lien Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any actions that Grantor, in its reasonable business judgment, determines to be necessary in connection with its Trademarks that are subject to a security interest hereunder.

Section 5. Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Second Lien Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

Section 7. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Agent pursuant to this Second Lien Trademark Security Agreement and the exercise of any right or remedy by the Agent thereunder are subject to the provisions of the Intercreditor Agreement, dated as of June 27, 2012 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among General Electric Capital Corporation as First Lien Collateral Agent, Guggenheim Corporate Funding, LLC as Second Lien Collateral Agent and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of the Second Lien Trademark Security Agreement, the terms of the Intercreditor Agreement shall govern and control.
