## **RELEASE OF INTELLECTUAL PROPERTY SECURITY INTERESTS**

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of February 7, 2007, and that certain Amended and Restated Intellectual Property Security Agreement dated as of March 31, 2010 (collectively, the "Security Agreements"), CSP INFORMATION GROUP, INC. (hereinafter "CSP") granted to U.S. BANK NATIONAL ASSOCIATION under the Loan Agreement referred to in the Security Agreements (hereinafter "U.S. BANK"), a security interest in and to CSP's entire right, title, and interest in, to and under the following property rights (collectively, the "Collateral"):

(a) Any and all tangible and/or copyrightable works of authorship and copyrights therein, whether statutory or common law, registered or unregistered, now or hereafter existing or in force throughout the world including, without limitation, all of Grantor's right, title and interest in, to and under all works of authorship, unregistered copyrights and all registered copyrights in the United States and throughout the world including, but not limited to, all treaty and convention rights, all applications, registrations, supplementary registrations, extensions and renewals of any thereof, licenses, together with the right to sue for past, present and future infringements of any thereof, and all past, present and future proceeds of the foregoing, including, without limitation, licenses, royalties, income, payment, claims, damages and proceeds of suit (collectively, the "Copyrights"); and

(b) Any and all types of exclusionary or protective rights granted (or applications therefor) for designs and inventions in any country of the world including, but not limited to, all treaty and convention rights (including, without limitation, all utility patents, design patents, utility models, inventor's certificates, and the like), and any and all patents, reissues, reexaminations, extensions, and supplementary protections certificates thereof, and all patent applications (including, without limitation, all provisional, divisional, continuation, continuing, reissue, continuation in part, patent cooperation treaty, and foreign counterpart applications), licenses, together with the right to sue for past, present and future infringements of any thereof, and all past, present and future proceeds of the foregoing, including, without limitation, licenses, royalties, income, payment, claims, damages and proceeds of suit; and

(c) Any and all: (i) trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, logos, designs, symbols, marks, and/or other sources of business identifiers used in any country in the world including, but not limited to, all treaty, convention, and common law rights, whether registered or unregistered, and any and all goodwill associated therewith, now existing or hereafter acquired; (ii) all applications, registrations, recordings and renewals thereof or therefor, in or with any national, state or local governmental authority of any country, or community or collective authority or agency (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, unless and until an Amendment to Allege Use or a Statement of use under Section 1(c) and 1(d) of said Act has been filed); and (iii) all licenses therefor; together with the right to sue for past, present and future

infringements of any thereof, and all past, present and future proceeds of the foregoing, including, without limitation, licenses, royalties, income, payment, claims, damages and proceeds of suit, including, without limitation, any thereof which are registered and are referred to on Schedule A hereto (collectively, the "Trademarks"); and

(d) Any and all claims and causes of action for past, present or future infringement of any of the Collateral, with the right, but not the obligation, to sue for and collect damages for infringement of the Collateral; and

(e) Any and all licenses or rights granted under any of the Collateral, and all license fees, royalties and other income arising from such licenses or rights, to the extent permitted by such licenses or rights; and

(f) Any and all amendments, renewals, extensions, reissuances and replacements of any of the Collateral; and

(g) Any and all products and proceeds of any of the foregoing.

WHEREAS, U.S. BANK acknowledges and agrees that all of CSP's obligations with respect to the Security Agreements have now been fully and completely satisfied and that the security interest has been and hereby is re-assigned, released, disclaimed, relinquished, discharged, and terminated in full, so that it is as if the security interest had never been granted, and U.S. BANK further agrees to perform, at CSP's request, all additional acts reasonably necessary (including executing additional documents) to confirm that U.S. BANK has no interests of any type in, to, or under the Collateral and any other intellectual property of CSP;

WHEREAS, U.S. BANK desires to fully, completely and formally release the security interest in the Collateral and any other intellectual property of CSP, and to record such release with the United States Patent and Trademark Office; and

WHEREAS, CSP has requested and U.S. BANK has agreed to provide a document suitable for same.

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, U.S. BANK does hereby fully, completely and formally re-assign, release, disclaim, relinquish, discharge, and terminate the security interest in the Collateral and any other intellectual property of CSP, effective as of June \_\_\_\_, 2012 (the "Effective Date").
