WHEREAS, this Agreement is being executed in connection with and in addition to the Security Agreement under which Debtor has granted to the Agent for the ratable benefit of the Lenders, the Swing Line Lender and the L/C Issuer a lien on and security interest in, among other things, all accounts, inventory, general intangibles, machinery, equipment, books, records, goodwill, patents and trademarks now owned or hereafter acquired by Debtor and all proceeds thereof;

(b) any and all trademarks, service marks, trademark or service mark registrations, trade names, trade styles, trademark or service mark applications, brand names, and domain names, including, without limitation, common law rights and each mark and application listed on Schedules C and D, respectively, attached hereto and incorporated herein by reference; and (i) renewals or extensions thereof, (ii) all income, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof and (iv) all rights corresponding thereto throughout the world (all of the foregoing trademarks, trade names, service marks and applications and registrations thereof together with the items described in clauses (i) through (iv) of this subsection (b) are hereinafter collectively referred to herein as the "Trademarks");

to secure the payment of any and all of the present and future Borrowers' Obligations (herein referred to "Secured Obligations").

Notwithstanding the foregoing, this Agreement shall not constitute a grant of a security interest in any property to the extent that and for as long as such grant of security interest (i) constitutes a breach or default under or results in the termination of, or requires any consent not obtained under, any license of intellectual property, except to the extent that such requirement of law or provisions of any such license is ineffective under applicable law or would be ineffective under Sections 9-406, 9-407, 9-408 or 9-409 of the New York Uniform Commercial Code to prevent the attachment of the security interest granted hereunder, (ii) is in any federal trademark applications filed on the basis of a Debtor's intent-to-use such mark, in each case, unless and until evidence of the use of such trademark in interstate commerce is

submitted to the U.S. Patent and Trademark Office (the "PTO"), but only if and to the extent that the granting of a security interest in such application would result in the invalidation of such application, provided, that to the extent such application is excluded hereunder, upon the submission of evidence of use of such trademark to the PTO, such trademark application shall automatically be included in the Collateral, without further action on any party's part, or (iii) is in proceeds and products of any and all of the assets described in clauses (i) and (ii) above only to the extent that such proceeds and products would constitute property or assets of the type described in clauses (i) and (ii) above (all of the foregoing property described in clauses (i), (ii) and (iii) hereinafter referred to as the "Excluded IP").

2. Representations, Warranties and Covenants of Debtor. Debtor hereby represents and warrants to the Agent, each of the Lenders, the Swing Line Lender and the L/C Issuer, and covenants and agrees with the Agent, each of the Lenders, the Swing Line Lender and the L/C Issuer, that:
