Upon Assignee's request, Assignor will promptly take such actions (including, without limitation, the prompt execution and delivery of documents in recordable form or testifying as to any material fact or thing) as may be necessary to vest in and secure unto Assignee the full right, title and interest in and to the Trademarks and to protect and enforce the Trademarks.

Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States, and any official of any other country empowered to issue trademarks, to record this Assignment, and to issue or transfer all said trademark registrations to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

Assignor represents and warrants that Assignor has the full right to convey the entire right, title and interest herein assigned, that there are no rights, title or interests outstanding inconsistent with the rights, title and interests assigned herein, and the Assignor will not execute any instrument or grant or transfer any rights, title or interests inconsistent with the rights, title and interests assigned herein.
