TRADEMARK

REEL: 004819 FRAME: 0489

THIS AGREEMENT is made

JULY 9TH

2010

BETWEEN:

- (1) PPM TECHNOLOGIES INC a company incorporated in the State of Illinois, United States of America and whose principal place of business is at 500 E. Illinois Street, Newberg, OR 97132, USA ("**Assignor**"); and
- (3) PPM ACQUISITION, LLC, a limited liability company incorporated in the State of Oregon, United States of America and whose principal place of business is at 500 E. Illinois Street, Newberg, OR 97132, USA ("**Assignee**").

RECITALS:

- (A) The Assignor is the owner of certain Intellectual Property Rights.
- (B) Pursuant to an Asset Purchase Agreement, dated as of May 28, 2010, as amended by Amendment No. 1, dated as of June 15, 2010 and by Amendment No. 2, date as of July 6, 2010 the Assignor has agreed to sell and transfer its Intellectual Property Rights to the Assignee (the "**Agreement**").

IT IS AGREED as follows:

1. DEFINITIONS

1.1. Definitions

In this Deed of Assignment the following words and expressions have the following meaning:

"Intellectual Property Rights" Means all patents, rights in inventions, rights in designs, trade marks, trade and business names and all associated goodwill, rights to sue for passing off or for unfair competition, copyright, moral rights and related rights, domain names, database rights, rights in information (including know how and trade secrets), database rights and all other similar or equivalent, in each case whether registered or unregistered and including all applications for, and renewals or extensions of, such rights for their full term;

"Patents" means the patents set out in Schedule 1, including but not limited to, patent applications, or divisions, divisionals, continuations, or renewals thereof or letters patent which may be granted there from and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for letters patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all letters patent of foreign countries which may be granted.

"Trade Marks" means the trade marks set out in Schedule 2

1.2. Interpretation

In this Deed of Assignment (except where the context otherwise requires):

- 1.2.1. Words denoting the singular number only shall include the plural and vice versa.
- 1.2.2. clause headings are inserted for ease of reference only and shall not affect construction;
- 1.2.3. any reference to a recital, clause or schedule is to the relevant recital, clause or schedule to this Deed of Assignment and any reference to a paragraph is to the relevant paragraph in which it appears; and
- 1.2.4. any reference to "include" or "including" (or any similar term) is not to be construed as implying any limitation and general words introduced by the word "other" (or any similar term) shall not be given a restrictive meaning by reason of the fact that they are preceded by words indicating a particular class of acts, matters or things.

2. ASSIGNMENT

In consideration of the sum of \$1.00 paid by the Assignee to the Assignor (as well as other good and valuable consideration as set forth in the Agreement, the receipt and sufficiency of which is hereby acknowledged by the Assignor) the Assignor hereby assigns to the Assignee with full title guarantee, all of its right, title and interest in and to the Intellectual Property Rights, together with the right to police, monitor and enforce said Intellectual Property Rights and to sue in respect of every act of the infringement of the Intellectual Property Rights occurring prior to the date of the Agreement, together with any and all privileges throughout the world to establish use, ownership, registration and/or renewal of the Intellectual Property Rights.

3. FURTHER ASSURANCE

The Assignor agrees that at the request and cost of the Assignee they will at all times after the date of this Deed do all acts and execute all documents as may reasonably be necessary or desirable to secure the vesting in the Assignee of all rights assigned to the Assignee by this Deed and to assist in the resolution of any queries from the Assignee concerning the Intellectual Property Rights.

4. GOVERNING LAW AND JURISDICTION

- 4.1. This Deed shall be construed, performed and enforced in accordance with, and governed by, the Laws of the State of New York in accordance with the laws applicable to contracts executed in such state (without giving effect to the principles of conflicts of laws thereof).
- 4.2. Each of the Assignor and the Assignee agree that the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division has sole and exclusive jurisdiction over any legal action or proceeding with respect to this Deed. Each of the Assignor and Assignee irrevocably waives any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or

proceeding in such jurisdiction in respect to this Deed or the transactions contemplated thereby.
