Section 5. Continued Use of Patents and Trademarks, Etc. (a) During the term of this Assignment the Obligors shall (i) employ consistent standards of quality in their manufacture of products and delivery of services sold or provided under the Trademarks (and shall do any and all acts reasonably required by the Agent to ensure the Obligors' compliance with such standards), (ii) employ the appropriate notice of such Trademarks in connection with its use of such Trademarks, (iii) use each Trademark in such a manner as to maintain such Trademark in full force free from any claim or abandonment for non-use and (iv) not adopt or

Any damages recovered from the infringing party shall be deemed to be part of the Collateral.

Section 6. No Assignments, Etc. The Obligors shall not, except as otherwise permitted by the Credit Agreement, grant, create or permit to exist any Encumbrance upon the Collateral in favor of any other Person, or assign this Assignment or any rights in the Collateral or the material protected thereby without, in either case, the prior written approval of the Agent and such attempted Encumbrance or assignment shall be void ab initio.

Section 7. Continuing Liability. The Obligors hereby expressly agree that, anything herein to the contrary notwithstanding, they shall remain liable under each license, interest and obligation collaterally assigned to the Agent hereunder to observe and perform all the conditions and obligations to be observed and performed by the Obligors thereunder, all in accordance with and pursuant to the terms and provisions thereof. The Agent shall not have any obligation or liability under any such license, interest or obligation by reason of or arising out of this Assignment or the collateral assignment thereof to the Agent or the receipt by the Agent of any payment relating to any such license, interest or obligation pursuant hereto, nor shall the Agent be required or obligated in any manner to perform or fulfill any of the obligations of the Obligors

thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such license, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Section 8. New Patents and Trademarks. If, before the Obligations shall have been satisfied in full and the Commitments of all of the Lenders terminated, the Obligors, become entitled to the benefit of (i) any Patent application or Patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent listed on Schedule I or any improvement on any such Patent, or (ii) any new Trademark registration or application therefor, the Obligors shall give to the Agent prompt notice thereof in writing, but no later than the next date that is an anniversary of the date of this Agreement, and, to the extent any of the foregoing is not Excluded Property, shall on such anniversary execute and deliver, and file with the Patent and Trademark Office, a modification of this Assignment amending Schedule I hereto to include such new Patent or Trademark registration or application thereon. Notwithstanding the foregoing, the Obligors hereby irrevocably appoint the Agent their true and lawful attorney (such appointment coupled with an interest), with full power of substitution, to execute an amendment of this Assignment on behalf of the Obligors amending Schedule I hereto to include such new Patent or Trademark registration or application, to the extent any of the foregoing is not Excluded Property.

Section 9. Retention of Rights. Unless and until an Event of Default shall have occurred and be continuing, but subject to the terms and conditions of this Assignment, the Obligors shall retain the legal and equitable title to the Collateral and shall have the right to use the Collateral in the ordinary course of their business and all goodwill associated with the Trademarks shall accrue to the Obligors as if they had not made the collateral assignment hereunder.

Section 10. Remedies. (a) If an Event of Default under the Credit Agreement has occurred and is continuing the Agent may exercise, in addition to all rights and remedies granted to it in this Assignment and the other Loan Documents, all rights and remedies of a secured party under the Uniform Commercial Code and other applicable law, provided that the Agent shall give the Obligors not less than ten (10) Business Days' prior written notice of the time and place of any public sale or of the time after which any private sale or other intended disposition is to be made of any of the Collateral. The Obligors agrees that such notice constitutes "reasonable notification" within the meaning of Section 9-504(3) of the Uniform Commercial Code.

(b) Without limiting the generality of the foregoing, if any Event of Default has occurred and is continuing,

(i) the Agent may license, or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Patents or Trademarks included in the Collateral throughout the world for such term or terms, on such conditions and in such manner as the Agent shall in its sole discretion determine, the proceeds of such license or sublicense to be applied to the payment of the Obligations;

(ii) the Agent may (without assuming any obligations or liability thereunder), at any time and from time to time, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of the Obligors in, to and under any Patent Licenses or Trademark Licenses and take or refrain from taking any action under any thereof, and the Obligors hereby release the Agent from, and agree to hold the Agent free and harmless from and against, any claims arising out of any lawful action so taken or omitted to be taken with respect thereto other than any claims arising by reason of its own gross negligence or willful misconduct; and

(iii) upon request by the Agent, the Obligors will execute and deliver to the Agent a power of attorney, in addition to and supplemental to that set forth in Sections 12 and 8 hereof, in form and substance reasonably satisfactory to the Agent, for the implementation of any lease, assignment, license, sublicense, a grant of option, sale or other disposition of a Patent or a Trademark, provided, however, that in the event of any disposition pursuant to this Section 10, the Obligors shall supply its know how and expertise relating to the manufacture and sale of the products bearing, or services sold utilizing, Trademarks, and its customer lists and other records relating to such Trademarks and to the distribution of said products and sale of such services, to the Agent.

Section 11. Grant of License to Use Intangibles. For the purpose of enabling the Agent to exercise rights and remedies under Section 10 hereof at such time as the Agent shall be lawfully entitled to exercise such rights and remedies and for no other purpose, the Obligors hereby grant to the Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Obligors) to use, assign, license or sublicense any of the Collateral, whether now owned or hereafter acquired by the Obligors, and wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof. The Agent shall have no duty as to the protection of Collateral or any income thereon, nor as to the preservation or rights against prior parties, nor as to the preservation of any rights pertaining thereto. The Agent may exercise its rights with respect to any portion of the Collateral without resorting or regard to other Collateral or sources of reimbursement for liability. Notwithstanding anything contained herein to the contrary, so long as no Event of Default shall have occurred and be continuing, the Obligors shall be permitted to exploit, use, enjoy, protect, license, sublicense, assign, sell, dispose of or take other actions with respect to the Collateral in the ordinary course of business of the Obligors. In furtherance of the foregoing, unless an Event of Default shall have occurred and be continuing, the Agent shall from time to time, upon the request of the respective Obligor, execute and deliver any instruments, certificates or other documents, in the form so requested, that such Obligor shall have certified are appropriate (in its judgment) to allow it to take any action permitted above (including relinquishment of the license provided pursuant to the first sentence of this Section as to any specific item of Collateral). Further, upon payment in full of all of the Obligations and cancellation or termination of the Commitments or earlier expiration of this Assignment or release of the Collateral, the Agent shall grant back to the Borrowers the license granted pursuant to the first sentence of this Section.

Section 12. Power of Attorney. The Obligors hereby irrevocably appoint the Agent their true and lawful attorney (such appointment coupled with an interest), with full power of substitution, in the name of the Obligors, the Agent, or otherwise, for the sole use and benefit of the Agent, but at the Obligors' expense, to exercise (to the extent permitted by law), at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral:

(a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due thereon or by virtue thereof;

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if the Agent were the absolute owner thereof;

(d) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto;

provided, however, that the Agent shall have no duty as to the protection of the Collateral or any income thereon, nor as to the preservation or rights against prior parties, nor as to the preservation of any rights pertaining thereto.

Section 13. Further Assurances. The Obligors will, from time to time, at its expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement, notice or other paper and take any other action that the Agent may from time to time reasonably determine to be necessary or desirable in order to create, preserve, upgrade in rank (to the extent required hereby), perfect, confirm or validate the Collateral or to enable the Agent to obtain the full benefits of this Assignment, or to enable the Agent to exercise and enforce any of its rights, powers and remedies hereunder with respect to any of the Collateral. At the reasonable request of the Agent, the Obligors will use reasonable efforts to obtain the consent of any Person that is necessary or desirable to effect the pledge hereunder of any right, title, claims and benefits now owned or hereafter acquired by any Obligors in and to any Collateral. To the extent permitted by law, the Obligors hereby authorize the Agent to execute, file and record notices, financing statements or continuation statements without the Obligors' signature appearing thereon. The Obligors agree that a carbon, photographic or other reproduction of this Assignment or of a financing statement is sufficient as a notice or financing statement. The Obligors shall pay the costs of, or incidental to, any recording or filing of any notice or financing or continuation statements concerning the Collateral.

Section 14. Notices. All notices under this Assignment shall be in writing, and shall be given and shall be effective in accordance with the Credit Agreement.

Section 15. Severability. Any provision of this Assignment which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 16. No Waiver; Cumulative Remedies. The Agent shall not, by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder, and no waiver shall be valid unless in writing, signed by the Agent, and then only to the extent therein set forth. A waiver by the Agent of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Agent would otherwise have had on any other occasion. No failure to exercise nor any delay in exercising on the part of the Agent any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

Section 17. Waivers; Amendments. None of the terms and provisions of this Assignment may be waived, altered, modified or amended except by an instrument in writing executed by the parties hereto.

Section 18. Limitation by Law. All rights, remedies and powers provided herein may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions hereof are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Assignment invalid, unenforceable in whole or in part or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 19. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the Obligors, their respective successors and assigns, and shall be binding upon and inure to the benefit of and be enforceable by the Agent, the Lenders and their respective successors and assigns; provided that the Obligors may not assign or transfer its rights or obligations hereunder.

Section 20. Termination. Upon the payment in full of all Obligations and termination of the Commitments of all of the Lenders, the collateral assignment made hereunder shall terminate and all rights to the Collateral shall revert to the Obligors and the Agent will execute, and hereby authorizes any Obligor to execute and deliver, record or file, all such documents as may be reasonably requested by the Obligors to release such security interests and to terminate such collateral assignment and to reassign the Patents and Trademarks to the Obligors (without representation or warranty). If, after the collateral assignment made hereunder is terminated, payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Agent upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Obligors or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Obligors or any substantial part of their property, or otherwise, the collateral assignment made hereunder and all rights of the Agent to the Collateral shall be reinstated, all as though such payments had not been made.

Section 21. Governing Law. THIS ASSIGNMENT IS A CONTRACT UNDER THE LAWS OF THE STATE OF NEW YORK AND SHALL FOR ALL PURPOSES BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF SAID STATE (EXCLUDING THE LAWS APPLICABLE TO CONFLICTS OR CHOICE OF LAW).

THE OBLIGORS HEREBY CONSENT TO THE NON-EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF IN CONNECTION WITH ANY ACTION TO ENFORCE THE RIGHTS OF THE AGENT UNDER THIS ASSIGNMENT. TO THE EXTENT PERMITTED BY LAW, THE OBLIGORS IRREVOCABLY WAIVE ANY OBJECTION WHICH THEY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH ACTION BROUGHT IN THE COURTS REFERRED TO IN THE PRECEDING SENTENCE AND HEREBY IRREVOCABLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH ACTION THAT SUCH ACTION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

Section 22. Waiver of Jury Trial. EACH OF THE OBLIGORS AND THE AGENT HEREBY WAIVE ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS ASSIGNMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF SUCH RIGHTS AND OBLIGATIONS. EXCEPT AS PROHIBITED BY LAW, EACH OF THE OBLIGORS AND THE AGENT HEREBY WAIVE ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY LITIGATION REFERRED TO IN THE PRECEDING SENTENCE ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES. THE OBLIGORS (a) CERTIFY THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE AGENT HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE AGENT WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS AND (b) ACKNOWLEDGE THAT THE AGENT HAS BEEN INDUCED TO ENTER INTO THIS ASSIGNMENT BECAUSE OF, AMONG OTHER THINGS, THE OBLIGORS' WAIVERS AND CERTIFICATIONS CONTAINED HEREIN.

Section 23. COUNTERPARTS. This Assignment may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Assignment by signing any such counterpart.
