THE ACT OF INCORPORATION

[Public-No. 358-75th Congress]

[Chapter 762-1st Session]

[H. R. 7709]

AN ACT

To incorporate the AMERICAN CHEMICAL SOCIETY.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the persons following: Robert T. Baldwin, Edward Bartow, Erle M. Billings, E. K. Bolton, Willard H. Dow, Gustavus J. Esselen, Arthur J. Hill, Townes R. Leigh, Thomas Midgely, Junior, Charles L. Parsons, R. E. Swain, E. R. Weidlein, Frank C. Whitmore, H. H. Willard, and R. E. Wilson, being persons who are now directors of the American Chemical Society, a corporation existing under the laws of the State of New York, their associates and successors duly chosen, and such other persons as now are or may hereafter be associated with them as officers or members of said AMERICAN CHEMICAL SOCIETY, are hereby incorporated and constituted and declared to be a body corporate by the name of AMERICAN CHEMICAL SOCIETY.

SEC. 2. That the objects of the incorporation shall be to encourage in the broadest and most liberal manner the advancement of chemistry in all its branches; the promotion of research in chemical science and industry; the improvement of the qualifications and usefulness of chemists through high standards of professional ethics, education, and attainments; the increase and diffusion of chemical knowledge; and by its meetings, professional contacts, reports, papers, discussions, and publications, to promote scientific interests and inquiry, thereby fostering public welfare and education, aiding the development of our country's industries, and adding to the material prosperity and happiness of our people.

SEC. 3. That the AMERICAN CHEMICAL SOCIETY shall have power to make its own organization, including its constitution, bylaws, rules, and regulations; to fill all vacancies created by death, resignation, or otherwise; to provide for the election of members, their division into classes, and all other matters needful and useful to promote the objects of the society. It shall hold an annual meeting at such place in the United States as may from time to time be designated.

SEC. 4. That the AMERICAN CHEMICAL SOCIETY shall, whenever called upon by the War or Navy Department, investigate, examine, experiment, and report upon any subject in pure or applied chemistry connected with the national defense, the actual expense of such investigations, examinations, experiments, and reports to be paid from appropriations which may have been made for that purpose by Congress, but the society shall receive no compensation whatever for any services to the Government of the United States: *Provided,* That the title to any and all inventions and discoveries made in the course of such investigations, examinations, and experiments that, in the opinion of the Secretary of the Navy or the Secretary of War, involve the national defense, shall vest in the Government of the United States, and the Government of the United States shall have unlimited license under all other inventions and discoveries.

SEC. 5. That the AMERICAN CHEMICAL SOCIETY be, and the same is hereby, authorized and empowered to receive, by devise, bequest, donation, or otherwise, either real or personal property and to hold the same absolutely or in trust, and to invest, reinvest, and manage the same and to apply said property and the income arising therefrom to the objects of its creation.

SEC. 6. That as soon as may be possible after the passage of this Act a meeting of the directors hereinbefore named shall be held at the city of Washington in the District of Columbia by notice served in person or by mail addressed to each director at his place of residence by the Secretary of the AMERICAN CHEMICAL SOCIETY, a New York corporation, and the said directors, or a majority thereof, being assembled, shall organize and proceed to adopt bylaws, to elect officers and appoint committees, and generally to organize the said corporation; and said directors herein named, on behalf of the corporation hereby incorporated, shall thereupon receive, take over, and enter into possession, custody, and management of all property, real or personal, of the corporation heretofore known as the AMERICAN CHEMICAL SOCIETY, incorporated as hereinbefore set out under the laws of the State of New York on November 9, 1877, and to all its rights, contracts, claims, and property of any kind or nature; and the several officers of such corporation, or any other person having charge of any of the securities, funds, real or personal, books or property thereof, shall, on demand, deliver the same to the said directors appointed by this Act or to the persons appointed by them to receive the same; and the directors of the existing corporation and the directors herein named shall and may take such other steps as shall be necessary to carry out the purposes of this Act.

SEC. 7. That the rights of the creditors of the said existing New York corporation known as the AMERICAN CHEMICAL SOCIETY shall not in any manner be impaired by the passage of this Act, or the transfer of the property hereinbefore mentioned, nor shall any liability or obligation for the payment of any sums due or to become due, or any claim or demand, in any manner or for any cause existing against the said New York corporation, be released or impaired; but such corporation hereby incorporated is declared to succeed to the obligations and liabilities and to be held liable to pay and discharge all of the debts, liabilities, and contracts of the said New York corporation so existing to the same effect as if such new corporation had itself incurred the obligation or liability to pay such debt or damages, and no such action or proceeding before any court or tribunal shall be deemed to have abated or been discontinued by reason of the passage of this Act.

SEC. 8. That the corporation shall, on or before the 1st day of December in each year, transmit to Congress a report of its proceedings and activities for the preceding calendar year, including the full and complete statement of its receipts and expenditures. Such reports shall not be printed as public documents.

SEC. 9. That the right to alter, amend, or repeal this Act is hereby expressly reserved.

SEC. 10. That this Act shall date from the 1st day of January 1938.

Speaker of the House of Representatives

President of the Senate

NATIONAL CHARTER
AMERICAN CHEMICAL SOCIETY

Title 36, Chapter 205, United States Code
as Amended by Congress
Effective August 12, 1998

§ 20501. Organization

American Chemical Society (in this chapter [36 USC §§ 20501 et seq.], the "corporation") is a federally chartered corporation.

§ 20502. Purposes

The purposes of the corporation are--

- (1) to encourage in the broadest and most liberal manner the advancement of chemistry in all its branches;
- (2) to promote research in chemical science and industry;
- (3) to improve the qualifications and usefulness of chemists through high standards of professional ethics, education, and attainments;
- (4) to increase and diffuse chemical knowledge; and
- (5) by its meetings, professional contacts, reports, papers, discussions, and publications, to promote scientific interests and inquiry to foster public welfare and education, aid the development of our country's industries, and add to the material prosperity and happiness of our people.

§ 20503. Powers

The corporation may--

- (1) adopt a constitution, bylaws, and regulations;
- (2) fill vacancies;
- (3) provide for the election of members and the division of those members into classes;
- (4) receive property, hold the property absolutely or in trust, invest and manage the property, and use the property and income arising from it to carry out the purposes of the corporation; and
- (5) do any other act necessary and proper to carry out the purposes of the corporation.

§ 20504. Cooperation with the military

- (a) Investigations, examinations, experiments, and reports. When requested by the Secretary of the Army, Air Force, or Navy, the corporation shall investigate, examine, experiment, and report on any subject in pure or applied chemistry connected with the national defense.
- (b) Payments. The actual expense of such investigations, examinations, experiments, and reports shall be paid from amounts appropriated for those purposes, but the corporation may not receive compensation for any services performed for the United States Government.
- (c) Title and license. Title to inventions and discoveries made in the course of those investigations, examinations, and experiments that the appropriate Secretary believes involve the national defense vest in the Government. The Government shall have unlimited license under other inventions and discoveries made in the course of those investigations, examinations, and experiments.

§ 20505. Annual meeting

The corporation shall hold an annual meeting at a place in the United States as may from time to time be designated.

§ 20506. Annual report

Not later than December 1 of each year, the corporation shall submit a report to Congress on the activities of the corporation during the prior calendar year, including a complete statement of its receipts and expenditures. The report may not be printed as a public document.
