TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is made effective as of the 5th day of July, 2012 by and between Phorus, LLC, a Delaware limited liability company ("Assignor"), and Wildcat Acquisition Corp., a Delaware corporation ("Assignee").

WHEREAS, pursuant to the Asset Purchase Agreement entered into by and among Assignor, Assignee and Phorus, Inc., a Delaware corporation, of even date herewith (the "Asset Purchase Agreement"), Assignor desires to assign to Assignee, by recordable instrument, all of its right, title and interest in and to the trademarks and/or service marks and/or applications therefor owned by Assignor relating to the Business, including without limitation the marks identified in Exhibit A hereto and in the foreign trademarks and/or service marks identified in Exhibit B hereto (collectively, the "Marks"), together with the goodwill of the business pertaining thereto.

NOW THEREFORE, in consideration for entering into the Asset Purchase Agreement and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns, quitclaims, transfers and conveys to the Assignee all of its right, title and interest in and to the Marks, including without limitation any and all registrations, applications, and/or common law rights for the Marks throughout the world, together with all of the goodwill of Assignor's business symbolized by or associated with the Marks, and any and all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present or future infringements. Assignor hereby authorizes and requests the U.S. Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks and to issue all corresponding registrations to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment. Assignor and its successors and assigns shall execute and deliver to Assignee any necessary further documents or instruments and shall take any actions which may be necessary to effect the foregoing assignment or the recordation or perfection thereof.
