This **TRADEMARK SECURITY AGREEMENT** (this "**Agreement**"), dated as of July 31, 2012, by THINK FINANCE, INC., a Delaware corporation (the "**Grantor**"), in favor of GPL Servicing Agent, LLC, as collateral agent (the "**Collateral Agent**") for the secured parties referred to below.

WHEREAS:

A. Reference is made to that certain Second Amended and Restated Pledge and Security Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"), entered into by and among the Grantor, the other "Guarantors" party thereto, Collateral Agent and the other parties party thereto which secures certain now existing and future arising obligations owing to the GPLS Secured Parties under the Transaction Documents as provided in the Security Agreement;

B. Pursuant to the Security Agreement, the Grantor is required to execute and deliver to the Collateral Agent this Agreement;

C. Pursuant to the terms of the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the GPLS Secured Parties (as defined in the Security Agreement), a security interest in substantially all the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of the Obligations (as defined in the Security Agreement).

NOW, THEREFORE, in consideration of the mutual agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby grants to the Collateral Agent, for the benefit of the GPLS Secured Parties, to secure the Obligations, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

1. each United States and foreign trademark and trademark application, including, without limitation, each United States federally registered trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;

2. each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith;

3. all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or other impairment of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under

any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the “**Trademark Collateral**”).

This security interest is granted in conjunction with the security interests granted to the Collateral Agent, for itself and on behalf of the other GPLS Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Security Agreement.
