TRADEMARK SECURITY AGREEMENT  
(SHORT-FORM)

TRADEMARK SECURITY AGREEMENT, dated as of May 18, 2012, among WP PRISM INC. (“**Holdings**”), BAUSCH & LOMB INCORPORATED (the “**Parent Borrower**”), certain Subsidiaries of the Parent Borrower from time to time party hereto and CITIBANK, N.A., as Administrative Agent for the Secured Parties (as defined below).

Reference is made to the U.S. Security Agreement dated as of May 18, 2012 (as amended, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among Holdings, the Parent Borrower, certain Subsidiaries of the Parent Borrower from time to time party thereto and the Administrative Agent. The Secured Parties’ agreements in respect of extensions of credit to the Parent Borrower are set forth in the Credit Agreement dated as of May 18, 2012 (as amended, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among the Parent Borrower, Bausch & Lomb B.V., as Dutch Subsidiary Borrower, Holdings, Citibank, N.A., as Administrative Agent, Swing Line Lender and an L/C Issuer, JPMorgan Chase Bank, N.A., as an L/C Issuer, and each lender from time to time party thereto (collectively, the “**Lenders**” and individually, a “**Lender**”). Each of Holdings and the Subsidiaries party hereto is an affiliate of the Parent Borrower and the Dutch Subsidiary Borrower and will derive substantial benefits from the extension of credit to the Parent Borrower and the Dutch Subsidiary Borrower pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Credit Agreement also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment in full of the Obligations, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest, except for any Excluded Assets (collectively, the “**Trademark Collateral**”):

(a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof, including those listed on Schedule I, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, (b) all goodwill connected with the use of and symbolized thereby and (c) all assets, rights and interests that uniquely reflect or embody the Trademarks.

Section 3. Termination. This Agreement is made to secure the satisfactory payment of the Obligations. This Trademark Security Agreement and the security interest granted hereby shall

terminate with respect to all of a Grantor's Obligations and any Liens arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Administrative Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to any Grantor, at such Grantor's expense, as such Grantor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory payment, the Administrative Agent shall reasonably cooperate with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
