DECLARATION OF LAURISA CURRAN

1. I am Senior Counsel of American Cancer Society, Inc. ("ACS") and am authorized to execute this declaration on behalf of that company.

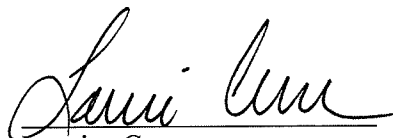

2. The ACS was incorporated in New York on May 15, 1922 as The American Society for the Control of Cancer, Incorporated, a not for profit corporation. The characterization of ACS as a New York corporation on the record is a clerical error. The company is and always has been a not for profit corporation.

3. On July 12, 1944, ACS changed its name to American Cancer Society, Inc. (Certificate of Change of Name attached). The word "The" has never been part of the official company name and should be deleted from the Registrant's name.

4. The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that any such willful or false statements may jeopardize the validity of the referenced registration, declares that the facts in this Declaration are all true; all statements made of her own knowledge are true; and all statements made on information and belief are believed to be true.
