Ms. Copeland,

It was a pleasure and most helpful to speak with you on Friday 8/10/2012 about the Office Actions we received (Nos. 74211244 and 74211315). I need to clear up some of the confusion over the Assignments of the SILHOUETTE mark (Reg. No. 1702802) and the SECRET mark (Reg. No. 1702804).

The marks were originally registered and owned by Leach & Dillon Co., Inc., of Massachusetts) who gave financial security assignments to Fleet Precious Metals. Toward the end of 1995 and in 1996, the financial security arrangements were satisfied and the marks were released by Fleet to Leach & Dillon Co. Inc.

In 1998, Dillon Co. Inc., of Rhode Island, which was a division of Leach & Dillon Co., Inc., acquired all of the assets and goodwill of Leach & Dillon Co., Inc., which was eventually dissolved and ceased to exist.

The manufacturing division of Leach & Dillon Co.Inc., known as Leach & Dillon Products, was acquired by American Dental Supply, Inc. of Allentown, Pennsylvania, shortly thereafter. As part of the agreement, Dillon Co., Inc., who now owned the marks, assigned them entirely to American Dental Supply, Inc.

As you explained to me, I will file the supporting documents I have, and this statement with you using the response link on the Office Action letter and Response Form 11 (hope that's correct).

I have included, FYI, the FDA Device listings of the powdered porcelains trade named SILHOUETTE and SECRET, also showing the other company business names that were used.

I am very grateful for your knowledge and expertise and the time you spent on the phone with me on Friday. This is my first step. I will shortly, officially file the new assignments statements with the required fees.

Sincerely,
Les Hochhauser

RE: Operator ID#1222087

Dear Sir/Madam,

Dillon Co., Inc., located at 161 Comstock Parkway, Cranston, RI, recently completed the acquisition of all the assets of the Leach & Dillon Co., Inc., located at 87 John L. Dietsch Sq., N. Attleboro, MA, for the sale and distribution of all assets and products including the ceramic powders that are listed with the FDA. After discussing with Mr. James H. Tanner, CQA, he suggested that Leach & Dillon's registration number (1222087) be assigned to Dillon Co., Inc. since the Leach & Dillon Co., Inc no longer is in business.

I have submitted the initial registration of device establishment form (2891) and have listed Leach & Dillon Co., Inc registration number. I have also updated our Device Listing for 1998. You will also notice that the Dillon Co., Inc is not a manufacturer. The manufacturing arm of the Leach & Dillon Co., Inc was sold to another company.

In closing, if I can be of any further assistance, please feel free to give me a call at (800) 535-2633.

Sincerely,

Kevin M. Dillon
President
