TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 3rd day of August, 2012, by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and SUNTRUST BANK, a bank organized under the laws of the state of Georgia (the "Secured Party").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement dated as of August 3, 2012 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement") by and among SQWINCHER HOLDINGS, LLC, a Delaware limited liability company ("Parent"), THE SQWINCHER CORPORATION, a Mississippi corporation ("Borrower") and the Secured Party, the Secured Party has agreed to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Secured Party is willing to make the financial accommodations to Borrower as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors (as defined in the Pledge and Security Agreement) shall have executed and delivered to Secured Party that certain Pledge and Security Agreement, dated as of August 3, 2012 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Pledge and Security Agreement"); and

WHEREAS, pursuant to the Pledge and Security Agreement, Grantors are required to execute and deliver to Secured Party this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Pledge and Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Subject to the terms of the Intercreditor Agreement, each Grantor hereby unconditionally grants, assigns, and pledges to the Secured Party to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral"):

(a) all of its trademarks, service marks, brand names, certification marks, collective marks, d/b/a's, domain names, logos, symbols, trade dress, assumed names, fictitious names, trade names, and other indicia of origin, all applications and registrations for the foregoing, and all goodwill associated therewith and symbolized thereby, including all renewals of same (collectively, "Trademarks") and Trademark intellectual property licenses to which it is a party including those Trademarks referred to on Schedule I;

(b) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark intellectual property license; and

(c) all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any intellectual property license, including right to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark intellectual property license.

3. **SECURITY FOR SECURED OBLIGATIONS.** This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to the Secured Party whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. **SECURITY AGREEMENT.** The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to the Secured Party pursuant to the Pledge and Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Secured Party with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Pledge and Security Agreement, the Pledge and Security Agreement shall control.

5. **AUTHORIZATION TO SUPPLEMENT.** Grantors hereby authorize the Secured Party unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Secured Party's continuing security interest in all Collateral, whether or not listed on Schedule I.
