TRADEMARK SECURITY AGREEMENT, dated as of August 10, 2012 (this “*Agreement*”) among the Grantors party hereto (each as “*Grantor*” and collectively, “*Grantors*”) and HSBC BANK USA, NATIONAL ASSOCIATION, as Administrative Agent (the “*Administrative Agent*”).

Reference is made to the Guarantee and Collateral Agreement dated as of August 10, 2012 (as amended, supplemented or otherwise modified from time to time, the “*Security Agreement*”), among Velti Inc., the other Borrowers from time to time party thereto, the Guarantor Loan Parties from time to time party thereto and the Administrative Agent. The Lenders have agreed to extend credit to the Borrowers subject to the terms and conditions set forth in the Credit Agreement dated as of August 10, 2012 (as amended, supplemented or otherwise modified from time to time, the “*Credit Agreement*”). The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Guarantor Loan Parties are affiliates of one or more Borrower, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Each Grantor party hereto is either a Borrower or a Guarantor Loan Party under the Security Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter adopted or acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “*Trademark Collateral*”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the “*Trademarks*”);

(b) all goodwill associated therewith or symbolized thereby; and

(c) all other assets, rights and interests that uniquely reflect or embody such goodwill and the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
