INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Agreement, dated as of July 16, 2012, is made by and among ALPHA MEDIA GROUP HOLDINGS, INC., a Delaware corporation ("Holdings"), ALPHA MEDIA GROUP, INC., a Delaware corporation ("AMG"), ALPHA MEDIA PUBLISHING, INC., a New York corporation ("AMP") and ALPHA MEDIA DIGITAL, INC., A New York company ("AMD"), each having a business location at the address set forth below under its signature (Holdings, AMG, AMP, and AMD are, where the context indicates referred to individually as a "Debtor" and collectively as the "Debtors"), and GIBRALTAR BUSINESS CAPITAL, LLC, a Delaware limited liability company, having a business location at the address set forth below under its signature (the "Secured Party").

RECITALS:

The Debtors and the Secured Party are parties to a Loan and Security Agreement of even date herewith (as the same may hereafter be amended, supplemented or restated from time to time, the "Loan Agreement") setting forth the terms on which the Secured Party may now or hereafter extend credit to or for the account of the Debtors.

As a condition to extending credit to or for the account of the Debtors, the Secured Party has required the execution and delivery of this Agreement by the Debtors.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Loan Agreement that are not otherwise defined herein shall have the meanings given to them therein. In addition, the following terms have the meanings set forth below:

"Copyrights: means the copyright registrations, applications and exclusive copyright licenses set forth in Exhibit C.

"Patents" means all of the Debtors' right, title and interest in and to patents or applications for patents, fees or royalties with respect to each, and including without limitation the right to sue for past infringement and damages therefor, and licenses thereunder, all as presently existing or hereafter arising or acquired, including without limitation the patents listed on Exhibit A.

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of the Debtors' right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, (iv) and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit B.

2. **Security Interest.** The Debtors hereby irrevocably pledge and assign to, and grant the Secured Party a security interest (the "**Security Interest**"), with power of sale to the extent permitted by law, in the Patents, Trademarks and Copyrights to secure payment of the Obligations. As set forth in the Loan Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of the Debtors.

3. **Representations, Warranties and Agreements.** Each Debtor represents, warrants and agrees as follows:

(a) **Authority.** This Agreement has been duly and validly authorized by all necessary action on the part of the Debtors.

(b) **Patents.** Exhibit A accurately lists all Patents owned or controlled by the Debtors as of the date hereof, or to which a Debtor has a right as of the date hereof to have it assigned to it, and accurately reflects the existence and status of applications and letters patent pertaining to the Patents as of the date hereof. If after the date hereof, a Debtor owns, controls or has a right to have assigned to it any Patents not listed on Exhibit A, or if Exhibit A ceases to accurately reflect the existence and status of applications and letters patent pertaining to the Patents, then the Debtor shall within thirty (30) days provide written notice to the Secured Party with a replacement Exhibit A, which upon acceptance by the Secured Party shall become part of this Agreement.

(c) **Trademarks.** Exhibit B accurately lists all material Trademarks owned or controlled by the Debtor as of the date hereof and accurately reflects in all material respects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof. If after the date hereof, the Debtor owns or controls any material Trademarks not listed on Exhibit B or if Exhibit B ceases to accurately reflect, in all material respects, the existence and status of applications and registrations pertaining to the Trademarks, then the Debtors shall promptly provide written notice to the Secured Party with a replacement Exhibit B, which upon acceptance by the Secured Party shall become part of this Agreement.

(d) **Copyrights.** Exhibit C accurately lists all registered Copyrights owned or controlled by the Debtor as of the date hereof and accurately reflects in all material respects the existence and status of Copyrights and all applications and registrations pertaining thereto as of the date hereof. If after the date hereof, the Debtor owns or controls any registered Copyrights not listed on Exhibit C or if Exhibit C ceases to accurately reflect, in all material respects, the existence and status of applications and registrations pertaining to the Copyrights, then the Debtors shall promptly provide written notice to the Secured Party with a replacement Exhibit C, which upon acceptance by the Secured Party shall become part of this Agreement.

(e) **Affiliates.** As of the date hereof, no Affiliate owns, controls, or has a right to have assigned to it any items that would, if such item were owned by the Debtor, constitute Patents, material Trademarks or Copyrights. If after the date hereof any Affiliate owns, controls, or has a right to have assigned to it any such items, then the Debtors shall promptly either: (i) cause such Affiliate to assign all of its rights in such item(s) to a Debtor; or (ii) notify the Secured Party of such item(s) and cause such Affiliate to execute and deliver to the Secured Party a patent and trademark security agreement substantially in the form of this Agreement.

(f) Title. Each Debtor, as applicable, has absolute title to each Patent, Trademark and Copyright listed on Exhibits A, B and C, free and clear of all liens except Permitted Liens. Each Debtor (i) will have, at the time such Debtor acquires any rights in Patents, Trademarks or Copyrights hereafter arising, absolute title to each such Patent, Trademark or Copyright free and clear of all liens except Permitted Liens, and (ii) will keep all Patents, Trademarks and Copyrights free and clear of all liens except Permitted Liens.

(g) No Sale. No Debtor will assign, transfer, encumber or otherwise dispose of the Patents, Trademarks or Copyrights, or any interest therein, without the Secured Party's prior written consent.

(h) Defense. Subject to the terms of Section 6.16 of the Loan Agreement, the Debtors will at their own expense and using commercially reasonable efforts, protect and defend the Patents, Trademarks and Copyrights against all claims or demands of all Persons other than those holding Permitted Liens.

(i) Maintenance. Subject to the terms of Section 6.16 of the Loan Agreement, each Debtor will at its own expense maintain the Patents, Trademarks and Copyrights to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters patent or trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to letters patent, trademark registrations and applications therefor. Subject to the terms of Section 6.16 of the Loan Agreement, each Debtor covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Patent, Trademark or Copyright, nor fail to file any required affidavit or renewal in support thereof, without first providing the Secured Party: (i) sufficient written notice, of at least thirty (30) days, to allow the Secured Party to timely pay any such maintenance fees or annuities which may become due on any Patents, Trademarks or Copyrights, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(j) Secured Party's Right to Take Action. If any Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after the Secured Party gives the Debtors written notice thereof (or, in the case of the agreements contained in subsection (h), immediately upon the occurrence of such failure, without notice or lapse of time), or, subject to the terms of Section 6.16 of the Loan Agreement, if any Debtor notifies the Secured Party that it intends to abandon a Patent, Trademark or Copyright, the Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of any Debtor (or, at the Secured Party's option, in the Secured Party's own name) and may (but need not) take any and all other actions which the Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(k) Costs and Expenses. The Debtors shall pay the Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by the Secured Party in connection with or as a result of the Secured Party's taking action under subsection (i) or exercising its rights under Section 6, together with

interest thereon from the date expended or incurred by the Secured Party at the default rate of interest set forth in the Loan Agreement.

(l) *Power of Attorney.* To facilitate the Secured Party's taking action under subsection (i) and exercising its rights under Section 6, the Debtors hereby irrevocably appoint (which appointment is coupled with an interest) the Secured Party, or its delegate, as the attorney-in-fact of the Debtors with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Debtors, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by the Debtors under this Section 3, or, necessary for the Secured Party, after an Event of Default, to enforce or use the Patents, Trademarks or Copyrights or to grant or issue any exclusive or non-exclusive license under the Patents, Trademarks or Copyrights to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Patents, Trademarks or Copyrights to any third party. The Debtors hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Loan Agreement as provided therein and the payment and performance of all Obligations.

4. Debtor's Use of the Patents, Trademarks and Copyrights. The Debtors shall be permitted to control and manage the Patents, Trademarks and Copyrights, including the right to exclude others from making, using or selling items covered by the Patents, Trademarks and Copyrights and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Loan Agreement, shall occur; or (b) the Debtors shall fail promptly to observe or perform any covenant or agreement herein binding on them; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. Upon the occurrence of an Event of Default and at any time thereafter, the Secured Party may, at its option, take any or all of the following actions:

(a) The Secured Party may exercise any or all remedies available under the Loan Agreement.

(b) The Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Patents, Trademarks and Copyrights.

(c) The Secured Party may enforce the Patents, Trademarks and Copyrights and any licenses thereunder, and if Secured Party shall commence any suit for such enforcement, the Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. This Agreement shall terminate upon termination of the Loan Agreement. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtors under this Agreement shall be given in the manner and with the effect provided in the Loan Agreement. The Secured Party shall not be obligated to preserve any rights the Debtors may have against prior parties, to realize on the Patents, Trademarks and Copyrights at all or in any particular manner or order, or to apply any cash proceeds of Patents, Trademarks and Copyrights in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Debtors and the Secured Party and their respective participants, successors and assigns and shall take effect when signed by the Debtors and delivered to the Secured Party, and the Debtors waive notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the Debtors shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of Illinois without regard to conflicts of law provisions, except that any exercise by Lender of its remedies under this Agreement pertaining to the Patents, Trademarks and Copyrights shall be conducted in accordance with the law of the applicable jurisdiction where Debtors' principal place of business is located. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED ON OR PERTAINING TO THIS AGREEMENT.
