TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of August 16, 2012, is between **TECOMET INC.**, a Massachusetts corporation (the "Grantor"), and **GCI CAPITAL MARKETS LLC**, a Delaware limited liability company, as administrative agent (in such capacity, the "Grantee"), for the benefit of itself and the other Secured Parties (as defined in the Credit Agreement (as hereinafter defined)). Capitalized terms used but not otherwise defined in this Trademark Security Agreement shall have the meanings assigned to such terms in the Credit Agreement (as hereinafter defined).

RECITALS

WHEREAS, Grantor owns the Trademarks, Trademark registrations and Trademark applications listed on **Schedule 1** annexed hereto, and is a party to the Trademark licenses listed on Schedule 2 annexed hereto; and

WHEREAS, Grantor has entered into that certain Credit Agreement dated as of December 16, 2010 (as the same has been and may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with Grantee, the other Loan Parties signatory thereto and the Lenders party thereto, providing for extensions of credit and other financial accommodations to be made to Grantor by Lenders; and

WHEREAS, pursuant to the terms of a Security Agreement dated as of December 16, 2010 (as the same has been and may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among Grantor, Grantee, and the other Persons party thereto as "Grantors" thereunder, Grantor has granted to Grantee, for the benefit of itself and the other Secured Parties, a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks, Trademark registrations, Trademark applications and Trademark licenses, and all proceeds thereof, to secure the payment of the Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee, to secure payment of the Obligations, a continuing security interest in all of Grantor's right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application owned by Grantor, including, without limitation, the Trademarks, Trademark registrations and Trademark applications referred to in **Schedule 1** annexed hereto;
- (2) each Trademark license referred to in **Schedule 2** annexed hereto;

(3) all goodwill of the business associated with the use of, and symbolized by, each such Trademark; and

(4) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement, misappropriation, dilution, violation or impairment of any Trademark or Trademark registration owned by Grantor including, without limitation, the Trademarks and Trademark registrations referred to in **Schedule 1** annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred to in **Schedule 1** annexed hereto and the Trademarks licensed under any Trademark license referred to in **Schedule 2** annexed hereto.

Notwithstanding anything to the contrary set forth in this Trademark Security Agreement, no security interest, lien or mortgage in and to, or right of setoff against and collateral assignment of, is granted in any "intent to use" Trademark applications for which a statement of use or an amendment to allege use has not been accepted (but only until such statement is accepted).

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement for the purpose of registering the security interest of Grantee in the Trademark Collateral with the United States Patent and Trademark Office and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between any provision of this Trademark Security Agreement and any provision of the Security Agreement, the Security Agreement will control.

This Trademark Security Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

[Remainder of page intentionally left blank; signature page follows.]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer as of the date first written above.
