TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of July 31, 2012 (this "Agreement"), among GlobalLogic Inc., a Delaware corporation (the "Borrower"), the Subsidiaries of the Borrower identified on the signature pages hereto (together with the Borrower, the "Grantors") and JPMorgan Chase Bank, N.A., as Administrative Agent (the "Administrative Agent").

Reference is made to (a) the Pledge and Security Agreement dated as of July 31, 2012 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among the Borrower, the Subsidiaries of the Borrower identified on the signature pages thereto, and the Administrative Agent and (b) the Credit Agreement dated as of July 31, 2012 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the Loan Parties (as defined in the Credit Agreement) party thereto, the Lenders (as defined in the Credit Agreement) party thereto and the Administrative Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit is conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors will derive substantial benefits from the extension of credit pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and assigns, for the ratable benefit of the Lenders, a security interest in and lien on, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature now existing or hereafter adopted or acquired, and all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any other country or any political subdivision thereof, and all extensions and renewals thereof, including those listed on Schedule I hereto (the "Trademarks");

(b) all goodwill associated with or symbolized by the Trademarks; and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing;

(c) all licenses of the Trademarks, whether as licensee or licensor;

(d) all income, royalties, damages, and payments now or hereafter due or payable with respect to the Trademarks, including, without limitation, damages, claims, and payments for past and future infringements thereof;

(e) all rights to sue for past, present, and future infringements of the Trademarks, including the right to settle suits involving claims and demands for royalties owing;

(f) all assets, rights, and interests that uniquely reflect or embody the Trademarks anywhere in the world; and

(g) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing, all accessions to, substitutions for and replacements of all of the foregoing, and all collateral security and guarantees given by any person with respect to any of the foregoing.

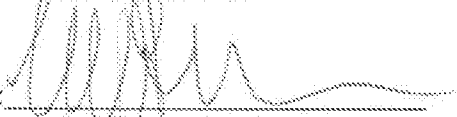

SECTION 3. Security Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Choice of Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
