BILL OF SALE AND ASSIGNMENT AGREEMENT

THIS BILL OF SALE and ASSIGNMENT AGREEMENT (this "Bill of Sale and Assignment Agreement") is made as of the 22nd day of August, 2012, by and between Gamajet Cleaning Systems, Inc., a Pennsylvania corporation ("Assignor") and Alfa Laval Tank Equipment Inc., a Delaware corporation ("Assignee").

A. Assignor, Assignee and Robert E. Delaney are parties to that certain Asset Purchase Agreement dated as of even date herewith (the "Purchase Agreement") pursuant to which Assignee is purchasing from Assignor all of Assignor's rights, title and interests in and to the Assets.

B. Assignor agrees to transfer to Assignee, and Assignee agrees to accept from Assignor the Assets, and Assignee agrees to assume the Assumed Liabilities.

C. Pursuant to Sections 10.2(b) and 10.3(b) of the Purchase Agreement, the execution and delivery of this Bill of Sale and Assignment Agreement by Assignor and Assignee is required by the Purchase Agreement.

D. All capitalized terms used, but not otherwise defined, herein have the meanings given to such terms in the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises, the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which the parties hereby acknowledge, the parties hereby take the following actions:

1. Transfer and Conveyance. Assignor hereby sells, assigns, transfers, delivers and conveys to Assignee all of the rights, title and interests of Assignor and its Affiliates in and to all of the Assets that are tangible personal property, as well as all of the Assets that are intangible personal property, including but not limited to (i) the patent applications and issued patents set forth on Exhibit A, (ii) the trademark set forth on Exhibit B, (iii) the copyright registration applications set forth on Exhibit C, and (iv) the domain name registrations set forth on Exhibit D, and all goodwill related to any of the foregoing, and all properties and rights owned, used or useable by Assignor or its Affiliates, in the operation of the Business, wherever located, free and clear of any Lien. Delivery of this Bill of Sale and Assignment Agreement constitutes receipt by Assignee of such Assets, to have and to hold all such Assets for Assignee and its successors and assigns for their own use and behalf forever. Notwithstanding anything herein to the contrary, the parties hereto expressly acknowledge and agree that Assignor shall retain the Excluded Assets and nothing contained in this Bill of Sale and Assignment Agreement is intended to, or shall be construed, to result in the sale, conveyance, transfer, assignment or delivery of any Excluded Assets.

2. Assumption of Liabilities. Assignor hereby sells, assigns, transfers, delivers and conveys to Assignee in and to the Assumed Liabilities. Assignee hereby assumes and agrees to pay and discharge when due the Assumed Liabilities, but in each case only to the extent provided

in the Purchase Agreement. Notwithstanding anything herein to the contrary, the parties hereto expressly acknowledge and agree that Assignor shall retain the Excluded Liabilities and nothing contained in this Bill of Sale and Assignment Agreement is intended to, or shall be construed, to result in the sale, conveyance, transfer, assignment or delivery of any Excluded Liabilities.

3. This Bill of Sale and Assignment Agreement is executed and delivered pursuant to Sections 10.2(b) and 10.3(b) of the Purchase Agreement and is subject to the terms of the Purchase Agreement, and nothing contained herein shall, or shall be deemed to, defeat, limit, alter, modify, diminish or impair, enhance, expand, or enlarge any right, obligation, claim or remedy created by the Purchase Agreement. The terms of the Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities relating to the Assets are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. If there is any conflict between the terms of this Bill of Sale and Assignment Agreement and the terms of the Purchase Agreement, the terms of the Purchase Agreement shall control.

4. Headings. The headings used in this Bill of Sale and Assignment Agreement are for purposes of convenience only and shall not be used in construing the provisions hereof.

5. Covenant of Further Assurances. The parties agree to execute such other documents and perform such other acts as may be necessary or such other reasonable acts as may be desirable to carry out the purposes of this Bill of Sale and Assignment Agreement.

6. Power of Attorney. Assignor hereby constitutes and appoints Assignee and its successors and assigns as its true and lawful attorneys in fact in connection with the transactions contemplated by this instrument, with full power of substitution, in the name and stead of Assignor but on behalf of and for the benefit of Assignee and its successors and assigns, to demand and receive any and all of the Assets hereby conveyed, assigned, and transferred or intended so to be, and to give receipt and releases for and in respect of the same and any part thereof, and from time to time to institute and prosecute, in the name of Assignor or otherwise, for the benefit of Assignee or its successors and assigns, proceedings at law, in equity, or otherwise, which Assignee or its successors or assigns reasonably deem proper in order to collect or reduce to possession or endorse any of the Assets and to do all acts and things in relation to the Assets which Assignee or its successors or assigns reasonably deem desirable.

7. Successors and Assigns. This Bill of Sale and Assignment Agreement shall bind and benefit the respective successors and assigns of Assignor and Assignee.

8. No Third Party Beneficiaries. Nothing in this Bill of Sale and Assignment Agreement, express or implied, is intended or shall be construed to confer upon, or give to, any person, other than the parties hereto and their successors and assigns, any remedy or claim under or by reason of this instrument or any agreements, terms, covenants or conditions hereof.

9. Governing Law. This Bill of Sale and Assignment Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to the conflict of laws principles thereof.

10. Modification. This Bill of Sale and Assignment Agreement may not be modified or amended except by the written agreement of Assignor and Assignee.

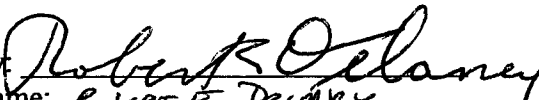

11. Counterparts and Facsimiles. This Bill of Sale and Assignment Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile transmission of any signed original document and/or retransmission of any signed facsimile transmission shall be deemed the same as delivery of an original.
