7. Patents, Licenses, Trademarks and Copyrights. Each Grantor represents and warrants that the Patents, Licenses, Trademarks and Copyrights of such Grantor listed on Schedules A, B, C and D respectively, constitute all of the Patents, Licenses, Trademarks and Copyrights now owned by such Grantor. Such Grantor hereby authorizes the Patent and Trademark Office and the Copyright Office to issue any and all Patents on said inventions and any and all certificates of registration on all Trademarks and Copyrights to the Bank following the occurrence of an Event of Default as the grantee of the pledge of such Grantor's entire interest;

This Security Agreement, the security interest granted herein and the rights associated therewith shall extend until the earlier of (i) the expiration of each of the respective Patents, Licenses, Trademarks and Copyrights assigned hereunder or (ii) the Obligations (other than Inchoate Indemnity Obligations) have been satisfied in full and the Credit Agreement has been terminated. Upon the termination of this Security Agreement pursuant to the preceding sentence, (i) the Bank shall promptly (and, in any event, within ten (10) Business Days of written request of the Grantors) file or record such documents and instruments (including termination statements) as shall be necessary or reasonably requested by the Grantors to release the Liens granted hereunder, and (ii) if the Bank fails to file or record the documents and instruments referred to in the foregoing clause (i) in the time period prescribed therein, the Grantors are authorized to file or record the same.

10. Continuing Validity of Obligations. The agreements and obligations of the Grantors hereunder are continuing agreements and obligations, and are absolute and unconditional irrespective of the genuineness, validity or enforceability of the Credit Agreement, the Notes or any other instrument or instruments now or hereafter evidencing the Obligations or any part thereof or of the other Loan Documents or any other agreement or agreements now or hereafter entered into by the Bank and any Loan Party pursuant to which the Obligations or any part thereof is issued or of any other circumstance which might otherwise constitute a legal or equitable discharge of such agreements and obligations. Without limitation upon the foregoing, such agreements and obligations shall continue in full force and effect as long as the Obligations or any part thereof remain outstanding and unpaid and shall remain in full force and effect without regard to and shall not be released, discharged or in any way affected by (i) any renewal, refinancing or refunding of the Obligations in whole or in part, (ii) any extension of the time of payment of the Notes or other instrument or instruments now or hereafter evidencing the Obligations, or any part thereof, (iii) any compromise or settlement with respect to the Obligations or any part thereof, or any forbearance or indulgence extended to any Grantor, (iv) any amendment to or modification of the terms of the Notes or other instrument or instruments now or hereafter evidencing the Obligations or any part thereof or any other agreement or agreements now or hereafter entered into by the Bank and any Loan Party pursuant to which the Obligations or any part thereof is issued or secured, (v) any substitution, exchange, or release of a portion of, or failure to preserve, perfect or protect, or other dealing in respect of, the Patents, Licenses, Trademarks and Copyrights or any other property or any security for the payment of the Obligations or any part thereof, (vi) any bankruptcy, insolvency, arrangement, composition, assignment for the benefit of creditors or similar proceeding commenced by or against any Loan Party, (vii) any dissolution, liquidation or termination of any Grantor for any reason whatsoever or (viii) any other matter or thing whatsoever whereby the agreements and obligations of any Grantor hereunder, would or might otherwise be released or discharged. Each Grantor hereby waives notice of the acceptance of this Security Agreement by the Bank.

11. Duties of the Grantors. Except as may be otherwise agreed to by the Bank, each Grantor shall have the duty to (i) prosecute diligently any patent application of the Patents made by it and any trademark or service mark application or copyright application made by it pending as of the Effective Date or thereafter until the Obligations shall have been satisfied in full and the

Credit Agreement shall have terminated, (ii) make application on unpatented but patentable inventions, on trademarks and service marks and on copyrights, as appropriate, (iii) preserve and maintain all of its rights in patent applications and patents of the Patents; trademark applications, trademarks, trademark registrations, service mark applications, service marks, and service mark registrations of the Trademarks; and copyright applications and copyright registrations of the Copyrights in accordance with its customary practices in the ordinary course of business, and (iv) to take all steps necessary to ensure that the Copyrights do not become abandoned or dedicated to the public, or the remedies available against potential infringers weakened. Any expenses incurred in connection with the duties set forth in this Paragraph 11 shall be borne by the Grantors. No Grantor shall abandon any right to file a patent application, trademark application or copyright application, or any pending patent application, trademark application, copyright application, Patent, Trademark, nor Copyright.

12. Financing Statements; Documents. Each Grantor hereby authorizes the Bank to file one or more financing statements pursuant to the Uniform Commercial Code or other applicable Law in form satisfactory to the Bank and the Grantors will pay the costs of filing and/or recording this Security Agreement and all financing, continuation and termination statements in all public offices where filing or recording is deemed necessary or desirable by the Bank. The Grantors will execute and deliver to the Bank from time to time such supplemental security agreements or other instruments, including, but not by way of limitation, additional Security Agreements to be filed with the United States Patent and Trademark Office or Copyright Office, as the Bank may require for the purpose of confirming the Bank's security interest in the Patents, Licenses, Trademarks and Copyrights.

13. Rights of the Grantors and/or the Bank to Sue. Each Grantor may enforce its rights in the Patents, Licenses, Trademarks and Copyrights of such Grantor with or without the Bank's participation. If requested by a Grantor, the Bank shall participate in suits to enforce such rights as a nominal plaintiff for jurisdictional purposes. The Bank shall have the same rights, if any, as the applicable Grantor has, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, Licenses, Trademarks and Copyrights of such Grantor, and any licenses thereunder, and, if the Bank shall commence any such suit, such Grantor shall, at the request of the Bank, do any and all lawful acts and execute any and all proper documents required by the Bank in aid of such enforcement and such Grantor shall promptly, upon demand and as part of the Obligations, reimburse and indemnify the Bank for all costs and expenses incurred by the Bank in the exercise of its rights under this Paragraph 13.

14. Defeasance. Notwithstanding anything to the contrary contained in this Security Agreement, upon payment and satisfaction in full of the Obligations (other than Inchoate Indemnity Obligations) and performance of all obligations under the Credit Agreement, this Security Agreement shall terminate automatically and be of no further force and effect and at the request of the Grantors, the Bank shall thereupon terminate its security interest in the Patents, Licenses, Trademarks and Copyrights. Until such time, however, this Security Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns, provided that no Grantor may assign this Security Agreement or any of its rights under this Security Agreement or delegate any of its duties or obligations under this Security Agreement and any such attempted assignment or delegation shall be null and void. This Security Agreement is not intended and shall not be construed to obligate the Bank to take any action whatsoever with

respect to the Patents, Licenses, Trademarks and Copyrights or to incur expenses or perform or discharge any obligation, duty or disability of any Grantor.

15. Waivers. No course of dealing between the Loan Parties and the Bank nor any failure to exercise nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

17. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 7 hereof or by a writing signed by the parties hereto.

18. Cumulative Remedies; Effect on Other Documents. All of the Bank's rights and remedies with respect to the Patents, Licenses, Trademarks and Copyrights, whether established hereby, by the Credit Agreement or any other Loan Document, or by any other agreements or by applicable law shall be cumulative and may be exercised singularly or concurrently. Each Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Bank under the Credit Agreement or the other Loan Documents but rather is intended to facilitate the exercise of such rights and remedies.

19. Binding Effect; Benefits. This Security Agreement shall be binding upon each Grantor and its successors and assigns, and shall inure to the benefit of the Bank and its successors and assigns.

20. Governing Law. This Security Agreement has been delivered and accepted in Pittsburgh, Pennsylvania and shall be governed by and construed in accordance with the Laws of the Commonwealth of Pennsylvania without regard to the conflict of Law provisions thereof.

21. Notices. All notices, statements, requests and demands and other communications given to or made upon the Grantors or the Bank in accordance with the provision of this Agreement shall be given or made as provided in Section 10.5 of the Credit Agreement.
