RECITALS

WHEREAS, Assignor is the sole and exclusive owner of all right, title and interest in and to the trademark application and related goodwill as set forth in the attached Schedule A, free and clear of all liens and encumbrances (the "Pending Mark");

WHEREAS, pursuant to the Asset Purchase Agreement, the Assignee wishes to acquire from the Assignor, and the Assignor wishes to transfer to the Assignee, said Pending Mark and the goodwill associated with such Pending Mark as set forth on Schedule A; and

WHEREAS, in conjunction with this Assignment, the Assignee is acquiring the business of Assignor in which the Assignor has a *bona fide* intent to use the Pending Mark in the pending intent-to-use application as set forth on Schedule A.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual representations, warranties, covenants and promises contained herein, the adequacy and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Effective as of the Closing Date, the Assignor hereby assigns to the Assignee all rights, title and interest in and to the Pending Mark, the goodwill of the business symbolized by the Pending Mark, all administrative rights, registrations and applications for registration thereof, if any, and all rights of action to accrue under and by virtue thereof, together with the business of Assignor with which it has a *bona fide* intent to use the Pending Mark, free and clear of any Encumbrances, as set forth on Schedule A.

Section 2. Effective upon the Closing Date, the Assignor authorizes and requests the United States Patent and Trademark Office, and any other official throughout the world whose duty is to register and record ownership in trademark registrations and applications for

registration, to record the Assignee as the assignee and owner of any and all of the Assignor's rights in the Pending Mark being assigned to the Assignee in accordance with Schedule A.

Section 3. After the Closing Date and at the Assignee's request, the Assignor will, at the Assignee's sole expense, provide further cooperation reasonably necessary (such as executing and delivering additional assignments, affidavits, and other documents and providing information and materials) to obtain, perfect, and defend the Pending Mark in the United States or any foreign country.

Section 4. Each of the Assignor and the Assignee hereby acknowledges and agrees that none of the representations, warranties, covenants, rights or remedies of any party under the Asset Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by the execution and acceptance of this instrument.

Section 5. The rights and obligations of the parties shall be governed by, and this Assignment shall be interpreted, construed and enforced in accordance with, the laws of the State of New York, excluding its conflict of laws rules to the extent such rules would apply the law of another jurisdiction.
