## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT ("IP Assignment Agreement") is made as of September 7, 2012, by and between Communication Cables, LLC, a Delaware limited liability company ("Assignee"), and Communication Cables, LLC (d/b/a comCables), a Colorado limited liability company ("Assignor"). Capitalized terms used herein without definitions shall have the respective meanings set forth in the Purchase Agreement (defined below).

WHEREAS, Assignee, Assignor, and Assignor's member have entered into an Asset Purchase Agreement, dated the date hereof (the "Purchase Agreement"); and

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to convey to Assignee all of the respective rights, title, and interests that Assignor has (or may be deemed to have) in all of Assignor's Intellectual Property, including that listed on Exhibit A attached hereto.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby sells, transfers, conveys and assigns to Assignee all of Assignor's rights, title and interest in, under and to, all of Assignor's Intellectual Property.
2. Successors and Assigns. This IP Assignment Agreement shall bind and inure to the benefit of Assignor and Assignee and their respective successors and assigns.
3. Terms of the Purchase Agreement. Assignor acknowledges and agrees that the representations, warranties, covenants, agreements, and indemnities contained in the Purchase Agreement shall not be superseded by this IP Assignment Agreement but shall remain in full force and effect to the full extent provided in the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms of this IP Assignment Agreement, the terms of the Purchase Agreement shall govern.
4. Further Assurances. Assignor, for itself and its successors and assigns, hereby covenants and agrees to execute and deliver such other documents and instruments of sale, conveyance, assignment, or transfer, and to take such other lawful actions as may be reasonably requested by Assignee or its successors and assigns to more effectively consummate the assignments contemplated by this IP Assignment Agreement.
5. Governing Law; Forum; Waiver of Jury Trial. All issues and questions concerning the construction, validity, enforcement and interpretation of this IP Assignment Agreement will be governed by, and construed in accordance with, the laws of the State of New York without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of the laws of any jurisdiction other than the State of New York. In furtherance of the foregoing, the internal laws of the State of New York will control the

interpretation and construction of this IP Assignment Agreement, even though under that jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply. Any judicial proceeding brought with respect to this IP Assignment Agreement must be brought in accordance with the terms of the Purchase Agreement. Each party waives a right to a jury trial.

6. Counterparts. This IP Assignment Agreement may be executed in two counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties delivered to the other party, it being understood that all parties need not sign the same counterpart. Copies of this IP Assignment Agreement with signatures transmitted by facsimile or electronically (e.g., pdf) shall be deemed to be original signed versions of this IP Assignment Agreement.
