## Trademark Security Agreement

**Trademark Security Agreement**, dated as of August 15, 2012, by AGS LLC, a Delaware limited liability company, and AGS CAPITAL, LLC, a Delaware limited liability company (individually, a “Pledgor”, and, collectively, the “Pledgors”), in favor of UBS AG, STAMFORD BRANCH, 677 Washington Boulevard, Stamford, Connecticut 06901, Attention: Banking Product Services, in its capacity as collateral agent pursuant to the Credit Agreement (in such capacity, the “Collateral Agent”).

### WITNESSETH:

WHEREAS, the Pledgors are party to a Security Agreement, dated as of August 15, 2012 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of such Pledgor:

- (a) Trademarks of such Pledgor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks;
- (c) all Proceeds of any and all of the foregoing (other than Excluded Property); and
- (d) all rights to sue for past, present or future infringements thereof.

Notwithstanding anything to the contrary contained in clauses (a) and (b) above, the security interest created by this Trademark Security Agreement shall not extend to any Excluded Property.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In

the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Secured Obligations and termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Pledgors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, each Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

AGS LLC
