The Grantor and the Lender hereby acknowledge and agree that the security interest created hereby in the Collateral (i) constitutes continuing collateral security for all of the Obligations, whether now existing or hereafter arising and (ii) is not to be construed as an assignment of any Patents, Patent Licenses, Trademarks or Trademark Licenses.

3. Representations and Warranties. The Grantor hereby represents and warrants to the Lender that until such time as the Obligations are satisfied in full:

(a) Patents and Trademarks.

(i) **Schedule 1(a)** hereto includes all Patents, Patent Licenses, Trademarks and Trademark Licenses owned by the Grantor in its own name as of the date hereof.

(vi) All applications pertaining to the Patents and Trademarks of the Grantor have been duly and properly filed, and all registrations or letters pertaining to such Patents and Trademarks have been duly and properly filed and issued, and all of such Patents and Trademarks are valid and enforceable.

(vii) The Grantor has not made any assignment or agreement in conflict with the security interest in the Patents or Trademarks of the Grantor hereunder.

The Grantor shall also execute and deliver to the Lender such agreements, assignments or instruments (including affidavits, notices, reaffirmations and amendments and restatements of existing documents, as the Lender may reasonably request) and

do all such other things as the Lender may reasonably deem necessary or appropriate (i) to assure to the Lender its security interests hereunder, including (A) with regard to Patents, a Notice of Grant of Security Interest in Patents for filing with the United States Patent and Trademark Office in the form of **Schedule 5(a)(i)** attached hereto, and (B) with regard to Trademarks, a Notice of Grant of Security Interest in Trademarks for filing with the United States Patent and Trademark Office in the form of **Schedule 5(a)(ii)** attached hereto; (ii) to consummate the transactions contemplated hereby; and (iii) to otherwise protect and assure the Lender of its rights and interests hereunder. To that end, the Grantor agrees that the Lender may file one or more financing statements disclosing the Lender's security interest in any or all of the Collateral of the Grantor without, to the extent permitted by law, the Grantor's signature thereon, and further the Grantor also hereby irrevocably makes, constitutes and appoints the Lender, its nominee or any other person whom the Lender may designate, as the Grantor's attorney in fact with full power and for the limited purpose to sign in the name of the Grantor any such financing statements, or amendments and supplements to financing statements, renewal financing statements, notices or any similar documents which in the Lender's reasonable discretion would be necessary, appropriate or convenient in order to perfect and maintain perfection of the security interests granted hereunder, such power, being coupled with an interest, being and remaining irrevocable until the Obligations are fully satisfied. The Grantor hereby agrees that a carbon, photographic or other reproduction of this Security Agreement or any such financing statement is sufficient for filing as a financing statement by the Lender without notice thereof to such Grantor wherever the Lender may in its sole discretion desire to file the same. The Grantor agrees to mark its books and records to reflect the security interest of the Lender in the Collateral.

(c) Covenants Relating to Patents and Trademarks.

(i) (A) Continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Lender, shall obtain a perfected security interest in such mark pursuant to this Security Agreement, and (E) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Not do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated.

(iii) Notify the Lender immediately if it knows, or has reason to know, that any application or registration relating to any Patent or Trademark may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal in any country) regarding the Grantor's ownership of any Patent or Trademark or its right to register the same or to keep and maintain the same.

(iv) Take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Patents and Trademarks, including, without limitation, filing of applications for renewal, affidavits of use and affidavits of incontestability.

(v) Promptly notify the Lender after it learns that any Patent or Trademark included in the Collateral is infringed, misappropriated or diluted by a third party and promptly sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution, or take such other actions as it shall reasonably deem appropriate under the circumstances to protect such Patent or Trademark.

(vi) Not make any assignment or agreement in conflict with the security interest in the Patents or Trademarks of the Grantor hereunder.

(d) New Patents and Trademarks. Whenever the Grantor, either by itself or through an agent, employee, licensee or designee, shall file an application for the registration of any Patent or Trademark with the United States Patent and Trademark Office, or any similar office or agency in any other country or any political subdivision thereof, promptly provide the Lender with (i) a listing of all such applications (together with a listing of the issuance of registrations or letters on present applications), which new applications and issued registrations or letters shall be subject to the terms and conditions hereunder; and (ii) (A) with respect to Patents, a duly executed Notice of Security Interest in Patents, (B) with respect to Trademarks, a duly executed Notice of Security Interest in Trademarks, or (C) such other duly executed documents as the Lender may request in a form acceptable to counsel for the Lender and suitable for recording to evidence the security interest in the Patent or Trademark which is the subject of such new application.

7. **Rights of the Lender.**

(viii) institute any foreclosure proceedings that the Lender may deem appropriate; and

(ix) do and perform all such other acts and things as the Lender may reasonably deem to be necessary, proper or convenient in connection with the Collateral.

All of the foregoing costs and expenses shall constitute Obligations hereunder.

(a) This Security Agreement shall be a continuing agreement in every respect and shall remain in full force and effect until such time as the Obligations are satisfied in full. At such time as the Obligations are satisfied in full, this Security Agreement shall be automatically terminated and the Lender shall, upon the request and at the expense of the Grantor, forthwith release all of its liens and security interests hereunder and shall execute and deliver all UCC termination statements and/or other documents reasonably requested by the Grantors evidencing such termination. Notwithstanding the foregoing all releases and indemnities provided hereunder shall survive termination of this Security Agreement.
