## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), is made and entered into this 16<sup>th</sup> day of August, 2012, by and between LANDMARK PLASTIC CORPORATION, an Ohio corporation (the "Debtor"), and CAPITAL BUSINESS CREDIT LLC, a Delaware limited liability company (the "Secured Party").

### WITNESSETH:

WHEREAS, Debtor and Secured Party are parties to that certain Loan and Security Agreement, dated of even date herewith (such Loan and Security Agreement, as it has heretofore or may hereafter be amended, modified, supplemented or restated from time to time, being herein called the "Loan Agreement"), pursuant to which Secured Party has agreed to make loans and advances and extend credit to Debtor, all as more particularly described therein; and

WHEREAS, pursuant to the Loan Agreement, Debtor has granted Secured Party a security interest in all of its general intangibles, whether now owned or hereafter acquired, including, without limitation, all trademarks registered in the United States Copyright or Trademark or Patent offices, together with the goodwill of the business in connection with which such trademarks may be used and the royalties and other fees which become due for the use of such trademarks; and

WHEREAS, to better secure Secured Party in respect of the foregoing, Debtor has agreed to execute and deliver this Agreement for recordation in the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Debtor agrees with Secured Party as follows:

1. Defined Terms. All capitalized terms used herein without definition shall have the meaning ascribed to such terms in the Loan Agreement.

2. Grant of Security Interest. As security for the payment and performance of the Obligations, Debtor hereby assigns, grants, transfers and conveys to Secured Party, for security purposes, all of Debtor's right, title and interest in, to and under the following property, in each case whether now existing or hereafter acquired or arising and whether registered and unregistered and wherever the same may be located (the "Trademark Collateral"):

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, domain names, designs and general intangibles of like natures, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor

(unless otherwise prohibited by any license or related licensing agreement under circumstances where the granting of the security interest would have the effect under applicable law of the termination or permitting termination of the license for breach and where the licensor has elected such termination remedy), and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office, any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of Debtor or in the name of Secured Party for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(b) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(c) all general intangibles (as defined in the Uniform Commercial Code as enacted in the State of New York) related to or arising out of any of the Trademarks and all the goodwill of Debtor's business symbolized by the Trademarks or associated therewith; and

(d) all proceeds of any and all of the foregoing Trademark Collateral, including, without limitation, license royalties, rights to payment, accounts receivable, proceeds of infringement suits and all payments under insurance or any indemnity, warranty or guaranty payable by reason or loss or damage to or otherwise with respect to the foregoing Trademark Collateral.

3. Representations, Warranties and Covenants of Debtor. Debtor represents, warrants and covenants that:

(a) The Trademark Collateral is, to the best of its knowledge, subsisting and has not been judged invalid or unenforceable;

(b) Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Trademark Collateral;

(c) Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademark Collateral;

(d) Debtor will maintain the quality of the products associated with the Trademark Collateral, generally at a level consistent with the quality as of the effective date of this Agreement, subject to the introduction of new products from time to time, and product modifications in the ordinary course of business; and

(e) Debtor has the unqualified right to enter into this Agreement and perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents and consultants which will enable it to comply with the covenants herein contained.

4. Visits and Inspections. Debtor hereby grants to Secured Party and its employees and agents the right on prior notice to Debtor to visit Debtor's plants and facilities which manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours. Debtor shall do any and all acts required by Secured Party to ensure Debtor's compliance with paragraph 2(d) of this Agreement.

5. Restrictions on Future Agreements. Debtor agrees that, until all of the Obligations have been satisfied in full and the Loan Agreement has been terminated in writing, it will not without Secured Party's prior written consent, enter into any agreement which is inconsistent with Debtor's duties under this Agreement, and Debtor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would affect the validity and enforcement of the rights granted to Secured Party under this Agreement.

6. After-Acquired Trademark Rights. If, before the Obligations have been satisfied in full, Debtor shall obtain rights to any new trademarks, or become entitled to the benefit of any trademark application or trademark for any renewal of any Trademark, the provisions of paragraph 1 hereof shall automatically apply thereto, and Debtor shall give to Secured Party prompt notice thereof in writing. Debtor authorizes Secured Party to modify this Agreement by amending Schedule A to include any future trademarks and trademark applications which are Trademark Collateral under paragraph 1 hereof or this paragraph 6.

7. Debtor's Rights Prior to Event of Default. Unless and until there shall have occurred and be continuing an Event of Default, Debtor shall continue to own, and may use and enjoy the Trademark Collateral in connection with its business operations, but only in a manner consistent with the presentation of their current substance, validity and registration.

8. Remedies Upon Event of Default. If an Event of Default shall have occurred and be continuing, Secured Party shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and, specifically, those of a Secured Party under the Uniform Commercial Code as enacted in the State of New York. Notice of any sale or other disposition of the Trademark Collateral shall be deemed reasonable and sufficient if given the

Debtor at least ten (10) days before the time of any intended public or private sale or other disposition of any of the Trademark Collateral is to be made.

9. Power of Attorney. Debtor hereby makes, constitutes and appoints Secured Party and any officer or agent of Secured Party as Secured Party may select as Debtor's true and lawful attorney-in-fact, with full power to do any or all of the following if an Event of Default shall occur and be continuing: to endorse Debtor's name on all applications, documents, papers and instruments necessary for Secured Party to use the Trademark Collateral, or to grant or issue any exclusive or nonexclusive license under the Trademark Collateral to anyone else as necessary for Secured Party to assign, pledge, convey or otherwise transfer title in or dispose of the Trademark Collateral to anyone else. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all of the Obligations shall have been satisfied in full and the Loan Agreement shall have been terminated in writing.

10. Release of Security Interest. At such time as all of the Obligations shall have been satisfied and paid in full, Secured Party shall execute and deliver to Debtor all releases, termination statements, and other instruments as may be necessary or proper to release or reflect the release of Secured Party's security interest in the Trademark Collateral, including all documentation necessary to reflect such release in the United States Patent and Trademark Office.

11. Costs and Expenses. Any and all fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Secured Party in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining, or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall be borne and paid by Debtor on demand by Secured Party and until so paid shall be added to the amount of the Obligations and shall bear interest at the rate prescribed in the Loan Agreement.

12. Litigation and Proceedings.

(a) Debtor shall have the duty, through counsel acceptable to Secured Party, to prosecute diligently any trademark application of the Trademarks pending as of the date of this Agreement or thereafter, other than those discontinued or abandoned in the ordinary course of business, until the Obligations shall have been paid in full and to preserve and maintain all rights in trademark applications and trademarks of the Trademarks in the ordinary course of business. Any expenses incurred in connection with such an application shall be borne by Debtor. Debtor shall not abandon any right to file a trademark application, or any pending trademark application or trademark, other

than those discontinued or abandoned in the ordinary course of business without the consent of Secured Party, which consent shall not be unreasonably withheld.

(b) Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name, as the holder of a security interest in the Trademark Collateral, to enforce the Trademarks, and any license thereunder, in which event Debtor shall at the request of Secured Party do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Secured Party in aid of such enforcement and Debtor shall promptly, upon demand, reimburse and indemnify the Secured Party for all costs and expenses incurred in the exercise of its rights under this paragraph 12. Nothing herein shall be deemed to prohibit Debtor from bringing any such suit in its own name at any time that an Event of Default does not exist, if Secured Party declines to institute suit.

13. Secured Party May Perform. If Debtor fails to comply with any of its obligations hereunder, Secured Party may do so in Debtor's name or in Secured Party's name, but at Debtor's expense, and Debtor agrees to reimburse Secured Party in full for all expenses, including reasonable attorney's fees, incurred by Secured Party in prosecuting, defending or maintaining the Trademarks or Secured Party's interest therein pursuant to this Agreement.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 6 hereof.

16. Binding Effect; Benefits. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.
