FIRST LIEN TRADEMARK SECURITY AGREEMENT

This **FIRST LIEN TRADEMARK SECURITY AGREEMENT**, dated as of October 4, 2012 (as it may be amended, restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by CompuCom Systems, Inc. (the “**Grantor**”) in favor of Citibank, N.A., as collateral agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the “**First Lien Collateral Agent**”).

WHEREAS, the Grantor is party to a First Lien Guarantee and Collateral Agreement dated as of October 4, 2012 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Guarantee and Collateral Agreement**”) between the Grantor and the other grantors party thereto and the First Lien Collateral Agent pursuant to which the Grantor granted a security interest to the First Lien Collateral Agent in the Trademark Collateral (as defined below) and is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the First Lien Collateral Agent as follows:

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Guarantee and Collateral Agreement and used herein have the meaning given to them in the Guarantee and Collateral Agreement.

SECTION 2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL

SECTION 2.1 Grant of Security. The Grantor hereby pledges, assigns, transfers and grants to the First Lien Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the following property, in each case, wherever located and now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”) as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor’s Obligations:

- (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, designs and other source or business identifiers, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country, union of countries, or any political subdivision of any of the foregoing, or otherwise, and all common-law rights related thereto, including any of the foregoing listed in

Schedule A, (ii) the right to, and to obtain, all renewals thereof, (iii) the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) general intangibles of a like nature, (v) the right to sue or otherwise recover for past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to goodwill, and all Proceeds of the foregoing, including license fees, royalties, income, payments, claims, damages and proceeds of suit, and (vi) all other rights accruing thereunder or pertaining thereto throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. GUARANTEE AND COLLATERAL AGREEMENT

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the First Lien Collateral Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the First Lien Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. GOVERNING LAW

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PROVISIONS THAT WOULD RESULT IN THE APPLICATION OF ANY OTHER LAW (OTHER THAN ANY MANDATORY PROVISIONS OF LAW RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OF THE SECURITY INTEREST).

SECTION 5. COUNTERPARTS

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
