2. Assignor further assigns to Assignee all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Mark and all proceeds of the Mark, including, without limitation, any and all causes of action for infringement or unauthorized use thereof and any and all royalties for any licenses thereof (collectively, the "Assets"), the Assets to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full term or terms for which the rights associated with the Mark may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.
3. 5. Assignee hereby agrees that Assignee is subject to all terms, provisions, and conditions with respect to the Mark pursuant to the Security Agreement.

6. This Assignment constitutes and shall be deemed a contract made under the laws of the State of Pennsylvania for any and all purposes, and shall be interpreted and enforced in accordance with such laws, without regard to its conflicts of laws jurisprudence.
