RECITALS

A. Agent and Grantors are parties to that certain Patent, Trademark and Copyright Security Agreement dated as of September 19, 2008 (as the same may from time to time be further amended, modified or supplemented, collectively, the "IP Security Agreement"), pursuant to which, among other things, each Grantor granted to Agent, for the benefit of Agent and the lenders thereunder, a security interest in its intellectual property to secure its Obligations under the Original Credit Agreement. All terms capitalized but not defined herein shall have the respective meanings set forth in the IP Security Agreement.

B. Grantors and Agent are entering into this First Amendment in order to reaffirm and continue in effect the Liens granted by Grantors under the IP Security Agreement and, to the extent not granted in the IP Security Agreement, to grant the Liens contemplated by this First Amendment.

NOW, THEREFORE, in consideration of the promises and of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. Supplement to IP Security Agreement. Schedule I to the IP Security Agreement is hereby supplemented by Supplement I attached hereto and made a part hereof.

2. Acknowledgment and Confirmation of Security Interest. Each Grantor hereby confirms and ratifies its prior assignment and grant to Agent, for the benefit of Agents and Lenders, a continuing, first priority security interest in all of such Grantor's right, title and interest in, to and under the Intellectual Property Collateral.

3. Conditions to Effectiveness. This First Amendment shall become effective as of the date hereof when Agent has received executed counterparts of this First Amendment.

4. Representations and Warranties. Each Grantor hereby represents and warrants to Agent that this First Amendment, the IP Security Agreement (as amended hereby), the Credit Agreement and the other Loan Documents constitute the legal, valid and binding obligations of such Grantor, enforceable against such Grantor in accordance with their respective terms.

5. Ratification. Except as specifically modified by this First Amendment, the parties hereto acknowledge that the IP Security Agreement shall remain binding upon each Grantor and Agent, and all provisions of the IP Security Agreement shall remain in full force and effect, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar law. 6. Miscellaneous.

(a) Complete Agreement. This First Amendment, together with the IP Security Agreement, is the entire agreement between the parties hereto with respect to the subject matter hereof. This First Amendment supersedes all prior and contemporaneous oral and written agreements and discussions with respect to the subject matter hereof. Except as otherwise expressly modified herein, the IP Security Agreement shall remain in full force and effect.

(b) Recitals. The recitals to this First Amendment shall constitute a part of the agreement of the parties hereto.

(c) Counterparts. This First Amendment may be executed in identical counterpart copies, each of which shall be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this First Amendment by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart thereof.

(d) Governing Law. THIS FIRST AMENDMENT SHALL BE GOVERNED BY AND INTERPRETED, CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.
