TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made and entered into as of March 31, 2004, by and between World Yacht, Inc. ("Assignor") and World Yacht L.L.C. ("Assignee").

WHEREAS, Assignor has adopted, used and is using the marks listed on Schedule A hereto, which have been registered in the U.S. Patent and Trademark Office as detailed in Schedule A, and owns all right, title and interest to the same, including all goodwill and common law rights associated therewith (collectively, the "Marks"); and

WHEREAS, Assignee is desirous of acquiring all right, title and interest in and to the Marks, including the goodwill associated therewith and any registrations or pending applications therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor acknowledges:

1. Assignor hereby assigns, transfers, and delivers to Assignee all of its rights, title and interest in and to the Marks, including any registrations or pending applications therefor, the goodwill of the business symbolized thereby, including, without limitation, any and all causes of action for infringement thereof and any and all royalties for any licenses thereof (collectively, the "Assets"), the Assets to be held and enjoyed by Assignee, for its own use, and for the use of its successors, assigns or other legal representatives to the full end of the term or terms for which the Trademarks may be granted, as fully and entirely as the same would have been enjoyed by the Assignor, had this Assignment not been made.
2. Assignor agrees that the Assets as defined herein includes all rights to sue, bring actions for and recover and hold damages, profits and other compensation for any and all past and future infringements and unauthorized uses of the Trademarks.
3. The Assignor also hereby covenants and agrees that the Assignor shall, at the request of Assignee or its counsel, execute, acknowledge and deliver all such further acts, deeds, assignments, transfers, powers of attorney and assurances as may be required to carry out the intent of this Assignment, and to transfer and vest title to and in the Assets and to procure, maintain, enforce and protect the right, title and interest in and enjoyment of all of the Assets assigned, transferred and conveyed to Assignee pursuant to this Assignment; provided, however, this Assignment shall be effective regardless of whether any such additional documents are executed.
4. This Assignment shall be binding upon Assignor, Assignor's successors and assigns, and upon all others acting by, through, with or under Assignor's direction or control, and all those in privity therewith.

IN WITNESS WHEREOF, the Assignor has executed this Assignment and caused the same to be duly delivered on its behalf on the day and year first set forth above.
